GREAT PREPARATIONS FOR PROM TONIGHT
Everything to be Ready for Annual Formal
Great Prom preparations have been made for the Annual formal party and everything is in readiness for the start of the grand march promptly on time. "The prom will begin at 7:30 whether everybody is there or not," was the assurance of B. S.'s committee yesterday.

Work of planning and arranging will culminate in tonight's event, one of the best and largest Junior Proms ever held in the history of the University according to present indications. Novel touches of design, the way of decorations, music, food, and all other features have been kept to a minimum so that the committee may improve the 

Affair.

May be soon the committee begins the first actual work in the gymnasium and at the time the gym was closed last night at ten, considerable progress had been made in this preliminary心头. "Competition, arrangement of seats, etc.

The Coe game last evening prevented the assembling of the usual parade on the camera at the entrance to the barn in the basketball field. However, this morning, the cheers were brought into play and a big crowd was seen to arrive. The condition of the floor, President and Mrs. MacLean will lead the Grand March at 7:30 and at 9:30 o'clock the sun flowers beat with a rain of the slimlav, mountains arranged. The Adavon is expected to draw a large gallery crowd. Admission to the coronation will be 25 cents. Special attention will be paid to the handling of arrangements for guests.

Mrs. MacLean is expected to draw a large gallery crowd. Admission to the coronation will be 25 cents. Special attention will be paid to the handling of arrangements for guests.

KARL EUGEN GUTHE

Karl Eugen Guthe, Professor of Physics, in the State University of Iowa was born at Hanover, Germany, March 5, 1866. He received his education at Hanover Technical School, and in the universities of Marburg, Strausburg and Berlin, receiving the degree of Ph. D. Since coming to the United States in 1892, Professor Guthe has been instructor of physics, assistant professor of physics in the University of Michigan, assistant physicist and acting physicist of the Bureau of Standards. He came to the University in 1905.

Mr. Guthe holds the high distinction of being Vice-president of the American Association for the Advancement of Science. He is also a member of American Physical Society, Deutsche Physikalische Gesellschaft, Washington Academy of Sciences, the Iowa Academy of Science, and is an honorary member of the University of Michigan Engineering Society. In connection with the St. Louis exposition, Professor Guthe was a member of the International Jury Awards.

As an author Mr. Guthe is well known in the scientific world. He has written a "Manual of Physical Measurements," "Laboratory Exercises with Primary and Secondary Cells," and has contributed paper particularly on electricity in scientific journals.

COMMUNICATION

In the issue of the Iowa for Thursday, February 25, 1909, appeared an article stating that the General University Committee had appointed a sub-committee for the purpose of considering the Y. M. C. A. We are going to destroy the benefits of a Union by means of the Union. The Union has the student body. It is not for the Union to make the mistake of Christian men. The Union cannot meet on common ground with the student body. It always will be the mistake of Christian men and they are in the Bible. Thus the student body will be traditional. Let us have our faces the constant reminder of the part of enthusiasm.

PROMINENT ALUMNI--No. 12

MERTON L. FERSON

Prominent among the active alumni workers of the State University of Iowa is Morton L. Ferson, Law Librarian and editor of the Alumni. He was born at Fremont, Iowa, in 1876, and received his early education in the common schools of that vicinity. After attending the Maroons High School, he came to Iowa City and attended the Iowa City Commercial College and the Iowa City Academy, graduating from the two last named.

In 1896, after having taught school one year at Fremont, Mr. Ferson entered the University. As a debater he was quite prominent. He joined the Zetetican Literary Society, which he represented in two contests. In the year 1900 he was leader of the team which defeated the University of Minnesota. He is a member of Phi Kappa Psi and Phi Delta Fraternity and is president of the national order of the honor fraternity, Delta Sigma Rho.

Mr. Ferson graduated from the State University of Iowa in 1900, receiving the degree of B. S., and the following year he graduated from the Law College.

After practicing law one year at Guthrie Center he returned to the University and became Law Librarian, which position he still holds. Last year he became assistant instructor in Jurisprudence. The M. A. degree was conferred upon him in 1905 for advanced study in Political Science.

Mr. Ferson is Secretary to the Alumni Bureau of Information, and editor of the Iowa Alumni. He is one of the Alumni members of the Greater University committee and shows an unfailing interest in everything which pertains to the betterment of this institution.

Drink Ink Like a Camel

To load a Conklin Fountain Pen, first dip it in any ink, press the Convent-Filler and it will fill as one tank like a camel eating its hay. That's all there is to it! No stoppers-no mess—no bother. Do it any time—any size ink.

PEN FINE FOR THE EXECUTIVE

can be filled instantly without the least inconvenience. Yet will fit all white kid gloves on without danger of filling. Besides its conveniences, it is the splendid writing quality of the Conklin—the perfect feel.
