ASSISTANT NEEDED

IN GIRL’S GYMNASIUM

Instructor for Freshman Classes

is Desired

“I really should have a good assistant,” said Miss Alice Wilmans, the instructor of the Girl’s Physical Training Department. “I need one who would relieve me of some of the Freshman classes at Iowa. That would give me time to give the more advanced girls extra classes as they wanted them and there would be time for classes for Juniors and Seniors who wished to elect the work. Why shouldn’t the girls have the privilege of selecting this work as well as the boys? There should be special classes in fencing, dancing, apparatus work and basketball in our department as well as in the boys’. The girls want it but they simply can’t have it with the present arrangement of affairs.”

LITERARY PROGRAM

The Irving Institute’s program this evening at Close Hall will consist of the declamatory program which was to have been held last Friday evening. Three men have entered — Sullivan, Cardell and Zimmerman. One will be chosen to compete with the Zeta’s declamer, Jacob Weng. The Elogiastic society will carry out the republican national convention at L. A. Hall, instead of its regular program. The following is the Philomathian program:
