CAST FOR PLAY CHOSEN

Members of Dramatic Club Who Will Appear in Spring Production—The Names

At a meeting of the Dramatic Club yesterday the cast was chosen for the spring play. There was some trouble in assigning the parts on account of the scarcity of prominent parts in the comedy, "The Importance of Being Earnest."

The cast is as follows:

John Worthing—A. C. Strong
Algernon Moncrieff—W. L. Swanson
Rev. Camon Chinnerable, D. D.—Carroll M. Herriman
Archer Pitt—Arad Parrish
Jane—J. J. Leishman
Lady Bracknell—Mae Kayson
H. Greenhorne Kipling—Caroline Bradley

Cecily: Miss Price—Mary Helen Lam

The part of Cecily Carew has not been cast to date, and the Club expects to try out several applicants for membership.

PRESIDENT OF NOTE

DAME GIVES LECTURE

Rev. John Goughan Appear After Newman

Rev. John Goughan, President of Notre Dame, lectured on "White Slaves in the Congo," Tuesday night in St. Brendan's Hall under the auspices of the Newman Society.

The speaker was eloquent and won a hearty applause. He was introduced by Judge Wade of Iowa City, an alumnus of the University. It was emphatically a public exhibition as last year.

A third factor in the slight attendance was the statement that any girl not wishing to appear should be excused. Mrs. Vonlland was told she would be radically against the men's gymnasium department having any classes join in the exhibition as last year.

A third factor in the slight audience on the athletic horizon is Mark Cullin, head of the department. For some time it is claimed he and Gymnasium Director Schroeder have had plans for a joint exhibition free to the public and one of the stunt planned was in act by picked fencers to impress the girls' gymnasium classes.

A compromise is expected within a short time but just what this measure will be is expected to be a concordate hard to solve at present.

Dean Raymond Ill

Dean W. G. Raymond was re-elected to his post as head of the University's gymnasium department last night. He has been suffering from an attack of a gripe and has been absent from his post for the last two weeks. He has been engaged by the Atlantic High School to deliver their commencement address on June 22.

Library Board Meeting

It will be a meeting of the University Library Board next Tuesday at 4:30 p.m.

TWO TEN FOR HOSPITAL

Favorable Report is Received From Tuberculosis Sanatorium—Live Stock Added

Twenty three patients are now being cared for at the State Tuberculosis Sanatorium. Admissions for admittance are still coming in at the rate of two or three every day. Dr. Kirschen reports favorable conditions and excellent results. One patient has made the remarkable gain of eighteen pounds in six weeks.

Considerable live stock is being added steadily to the equipment of the farm.

The hospital now has two teams, several cows, and enough chickens to provide an independent supply of eggs and meat. There will now be plenty of light work around the barns and gardens to keep the strongest patients occupied.

The hospital is in a most excellent condition. It is reported that the Sanatorium will be the largest hospital in the country.

NORTHWESTERN CAN'T PLAY AGAINST IOWA

BATTLE TONIGHT FOR FORENSIC HONORS

Zeta and Marshall Laws to Settle Championship

Three Prices of $15.00 Each Offered to the Winners—The Question to be Debated

Supremacy in debate in the University of Iowa will be settled at the coronation of the Hall of Natural Sciences when the Zetagathians and Marshall Law debating teams meet in the finals for the University championship.

The big forensic battle three priores have been offered by H. M. J. Wade, Henry G. Stewart, and W. M. F. Price. A sum of $25.00 will be given to each member of the winning team.

The question to be debated is: Resolved, That the Federal Government should establish a bank of the United States.

The Zetagathian team which affirms the above question is composed of Maurice T. T. Colgrove, Russell E. Kebab, and C. D. Kilger of Iowa City, the members of the Marshall Law team who negate the proposition are: H. M. J. Wade, Henry G. Stewart, and W. M. F. Price.

The team wi will be put to use next week.

The grounds around the house will be graded in preparation for seeding at a later date. Everything will be done to make the surroundings beautiful for the inside.

Miss Alice Williamson Indignantly Refuses to Give Any Information on the Matter

Mrs. Volland's Stand

Owing to a conflict in views on the manner of giving a gymnasium exhibition by the co-eds of the university, it is possible that the annual event will not be given this year.

When questioned as to the likelihood of such an exhibition taking place this spring Miss Alice Williamson, the gymnasium instructor indignantly refused to impart any information on the matter. "We do not want to give out anything on this exhibition until there is something to give out" she emphatically stated over the phone yesterday. "We do not wish to say anything about it until all the details are arranged." Many queries failed to gain any further information the only result being a hanging up of the receiver.

From other sources it was learned that Miss Williamson secrecely favours a public exhibition with every girl giving a discourse and tickets being sold to the public in general.

Miss Mabel Volland, Dean of Women, takes the stand that the exhibition should be private if every girl is to be in it and that if a public exhibition is given that any girl not wishing to appear should be excused. Mrs. Volland has said he would be radically against the men's gymnasium department having any classes join in the exhibition as last year.

A third factor in the slight interest on the athletic horizon is Mark Cullin, head of the department. For some time it is claimed he and Gymnasium Director Schroeder have had plans for a joint exhibition free to the public and one of the stunt planned was an act by picked fencers to impress the girls' gymnasium classes.

A compromise is expected within a short time but just what this measure will be is expected to be a concordate hard to solve at present.
Wise Talks by the Office Boy

Some one says the next holiday will be April Fool’s day and that all nations will celebrate that I’ve been reading up lately on fools. One authority says: “A fool doesn’t mean he’s a fool, hence he may think he’s a genius.” The good book says: “Through you bring a fool in a mortar with pestle, his folly cannot be hid.”
