LETTERS TO FORMER STUDENTS AND ALUMNI

Effort To Form County Clubs By Mail

Students to Send Letters to Alumni and Former Students in Own Counties

Letters will be sent out in a few days by students in the University to alumni and former students of S. U. I. resident in their respective counties. This will be done in accordance with the plan of the Greater University committee to continue to spread the successful county club movement to every part of Iowa.

Following is a copy of the letter:

IOWA CITY, IA, April—1908.

DEAR FRIEND:

Students and Alumni of the State University, resident in our county, failed to form a county club during the last holiday vacation. I think you will agree with me that our county should be as progressive as the fifty-six counties which effected their organizations. The great success of these clubs where organized, our duty to the University and our mutual advantage in a close acquaintance among the University people of our county should lead us to form a club.

Since it does not seem convenient to hold a meeting at this time, I enclose a constitution such as the Greater University Committee has drafted. If it meets with your approval, will you please sign and return the enclosed card indicating on it your choice for officers for the ensuing year. In this simple and easy way we can effect our organization and elect some officers to represent us. Our meeting may be postponed until a more convenient season. Let us hope that next holiday vacation we can hold a reunion of students and alumni of our county such as were held and found so delightful in fifty-five counties during the past holiday season.

There are——alumni of the University in our county, and ——students from there are attending the University this year.

For President of our club the following are nominated:

For Secretary-treasurer the following are nominated:

Trusting that this plan meets with your approval and that you will heartily co-operate with us, I am, Very truly yours,

Temporary Pres. for——Co.

Starbuck Addressed Seminar

On the Invitation of Professor Charles Wilson, of the Department of German Language and Literature, Professor E. D. Starbuck addressed the German Seminar yesterday on the "Sources of Aesthetic Appreciation."

TIME FOR PRACTICAL STEPS

Miss Effiie M. Proffitt Interviewed on Women's Building Movement—Her Views

"It is time now to take some practical steps in the matter of our Woman's Building," said Miss Effiie Mae Proffitt of the Music Department, yesterday. "The matter has been discussed from all points of view and it is now time to really do something. Of course we all know that we want a Women's Building here at Iowa and we all know too that we can have it if we only go about it properly. The movement that has been started is I think a very practical one and I foresee some very decided results. The only thing that remains now is to urge the girls not to waver in their resolve. Now that the movement has been started the girls must be louder in their demands and stauncher to their cause.

"I think from reading the articles published in the DAILY IOWAN that every one has about the right idea of the sort of building needed here and of the proper plan of conducting it. I most heartily agree with the author of the article which stated that we 'do not want a nurse-maid' establishment here. Girls come to Iowa with the expectation of self-government and the finding of anything different would prove disastrous.

"This is a personal matter with every girl in the University and until each girl does her part individually there can be no progress. Collectively speaking, this Women's Building movement is a great, grand thing, and as such will influence state legislatures and interest women's clubs and others dealing with social questions throughout the state, but it is the individual girl that it will help. Then let the individual girl take up her share of the responsibility and push the movement along."

WILCOX LECTURES BEFORE KANSANS

Addreeses Teachers' Association Today

Professor W. C. Wilcox left yesterday for Leavenworth, Kansas, where he is to address the meeting of the Northeastern Kansas Teachers' Association. His lecture this evening will be on the "Coming Crisis in American History." Tomorrow morning he will address the same meeting on the subject, "Some Compensations for the Teacher."

Professor Wilcox stopped at Davenport last evening where he attended the meeting of the Southeastern Iowa Teachers' Association.

IOWA PROFESSORS ADDRESS TEACHERS

University Men to Appear at Davenport

Professor Bolton to Tell of New School Commission—Starbuck Also Will Speak

Several University professors will take part in the meeting of the Southeastern Teachers' Association which is now in session at Davenport. Many noted educators in other states have also been secured to address the meeting and an elaborate program has been arranged.

This evening Professor Frederick E. Bolton will deliver an address on "The Work of the Iowa School Commission." Tomorrow morning Professor Edwin D. Starbuck will address the meeting on the subject, "The Submerged Nine-tenths of Life." The same session will have the pleasure of listening to Dr. Frank Gunsaulus of Chicago, who will speak on "The Next Step in Education."

Mr. Leroy P. Elliot, L. A. '09, will address the conference on Industrial Training, and Professor Charles B. Wilson will speak to the conference on Latin and German. Professor F. C. Ensign will give a discussion in the section devoted to high schools and colleges.

Professor F. E. Bolton, head of the Department of Education, will have charge of the conference in School Supervision and Admininistration.

HISTORY TO BE PUBLISHED

Dr. George T. Flom One of the General Editors of New Series On Great Men of Norway

The John Anderson Publishing Company of Chicago are going to issue in the course of the summer two volumes entitled "Great Names of Norway in the XIX Century," these being the first volumes of a series to be known as the Library of Norwegian Biography, Literature and History. The general editors of the series are Dr. George T. Flom, professor of Scandinavian Languages and Literature in the University of Iowa, and Professor Julius E. Olson, professor of Scandinavian Languages and Literature in the University of Wisconsin. The staff of assistant editors of the series includes seventeen names of Norwegian scholars in different universities of this country, from Johns Hopkins to Washington State College. The aim of the undertaking is in part to bring before the English reading public and in the English language the best products of Norwegian thought and culture, past and present. The two first volumes will offer biographies of Norway's great theologians, lawmakers, scientists, historians, poets, artists and composers in the nineteenth century. Volume III will be a work upon The Viking Age, Vol. IV will deal with Old Norse Literature, Vol. V The History of Norway, Vol. VI A History of Norwegian Literature in the XIX Century, Vol. VII The Norwegian Literature. The rest have not yet been decided on. In all there is to be 10 volumes.

HEP-ZET PLAY WAS A GREAT SUCCESS

Appreciative Audience See Excellent Production

"A Bachelor's Romance" was given by the Hesperian and Zetagathian literary societies before a large and appreciative audience at the Coldren opera house last night. The play was a four-act comedy drama and each of the characters was well fitted for his or her part.

Prof. H. G. Cox furnished pleasing music between the acts:

Following is the cast:

David Holmes—Walter Getz

Gerald Holmes—W. E. Jones

Martin Beggs—Ben Jacobson

Harold Reynolds—J. A. Heng

Archibald Savage Lytton—Frank Myers

Mr. Mulberry—Carroll Robertson.

Helen LeGrand—Linnie Coon

Harriet Leicester—Irene Shipman.

Miss Clementina—Verna Moulton

Sylvia—J. Myrrl Morse

SHAKESPEARE'S FATE TO BE DECIDED TODAY

Verdict May Be Reached This Afternoon

Strong Pleas Made on Both Sides —Large Crowd Witnesses Annual Event

The case of Catesby v. Shakespeare will come to a close this afternoon. The rebuttal testimony for the defense and the arguments by the attorneys were finished yesterday and all that remains before the case goes to the jury are the instructions by the court. These will be given at 1:30 this afternoon and a verdict will undoubtedly be reached later in the day.

The closing hours of the trial were the most interesting of the whole week. Frequent clashes between counsel over what had been brought out in the testimony (no record having been kept) and amusing dissertations by them on such subjects as grave digging, bee-hiving, strangling and the firearms of the fifteenth century served to make the session a most lively and enjoyable one for the numerous spectators.

Attorneys Randall and Hickenlooper confined their remarks to reviews of the testimony for their respective clients, each accentuating very clearly and forcibly the strong points for and against the defendant.

The closing arguments by Dunkleberg for the plaintiff and Ottesen for the defendant were both highly commendable efforts. Each recalled to the minds of the jury the several weaknesses in the testimony of the opposing side and epithets, such as "dolts," "liars," "horse-thieves," etc., were hurled at various witnesses in the excitement of moment. Ottesen closed with a stirring appeal for justice to the glorious name of the "Immortal Bard of Avon."

FORENSIC COUNCIL TO HOLD MEETING

Much Business of Importance to Be Considered

The Forensic Council will meet this afternoon in Room 311. An abundance of important business will be considered. Such matters as the date of the annual meeting, amendments to the constitution, and reaching a decision on a question for the inter-collegiate debates will be discussed. Illinois has submitted the question: Resolved, That American cities should adopt "commission form of government."

Democrats to Organize Club

This afternoon at 3:30, the democrats of the University will meet in the Liberal Arts Auditorium to effect a permanent organization.

STUDENTS HONORED BY EASTERN UNIVERSITY

R. W. Sies Elected to Research Scholarship at Columbia

Word has been received from Columbia University that Mr. Raymond W. Sies has been elected as a research scholar in the Teachers College of Columbia University. Mr. Sies has been a scholar in Education in thls University during the past year and his election to the coveted position at Columbia is an honor both to himself and to the University.

Last fall while on a visit to this institution Dean Russell of the Teachers College, Columbia University, congratulated the University on having such a good department of education. Subsequent to his visit he said: "Iowa affords the best training for teachers of any State University I have ever visited. I should deem it an honor to receive as scholar a student who has received his training from that institution."

RECITAL PLANNED IN PUBLIC SPEAKING

To Be Given Monday Evening In Assembly Hall

Some of the members of the public speaking department will give a recital in the L. A. Assembly Hall Monday evening at 8:00 o'clock. The recital will be open to the public and every one is invited by the staff of instruction in that department to be present. There will be no charge. The program will consist of several readings, a scene from Shakespeare and a short Japanese play.

"There has been a great deal of time and work expended on the preparation," said Miss Hopkins, instructor in the department, who is arranging the program, "and we expect good results. Those who take advantage of this opportunity will see what we are doing in the department and be well entertained." The program is not quite completed yet but will be announced in the DAILY IOWAN Sunday,

WISE TALKS BY THE OFFICE BOY

I see by the papers that Mr. Sam Gompers says the laboring classes will go into politics. I often wondered why they didn't go in for that before and send a few more earnest workers to Congress. Most of our presidents have been farmer lads or hard-working people in the true sense of the term. I guess if all the people who work at manual labor of some kind would combine in a great political party they could have pretty much everything they asked for and the other fellows would all have to go to work to get into the labor band wagon. Our farmers are surely nature's noblemen. Our cutters and needle-work people are all producers of the highest art tailoring in stylish ready-to-wear and they learned their trades before they went in to work. Working people everywhere are learning how to live and prosper and wear good clothes. Every year we are producing in the store better clothing for the working people, crowding more value into everything we sell so as to bring the wise ones back again and again. One swallow doesn't make a summer, but your spring togs are here just the same. Come on in, fellows.

ELBERT WILLIAM ROCKWOOD

Elbert William Rockwood, head of the Department of Chemistry in the State University of Iowa, was born at Franklin, Mass., July 4, 1860. In 1884, he graduated from Amherst, receiving the degree of M. A. and afterwards continued in study of Science in the University of Chicago, Gottingen, Strassburg, Leipsig, and Yale. He received a degree of M. D. from the University of Iowa, and Ph. D. from Yale.

Dr. Rockwood began his work as an instructor in 1884, when he accepted a position as assistant in Chemistry at Wesleyan. In 1886 he became an Instructor in Chemistry at Cornell, and later on was Chemist at the Hatch Experiment Station, Connecticut. Since 1888 he has been Professor of Chemistry and Toxology in the University of Iowa, and since 1904, has held the Chair of Head of the Chemistry Department.

Dr. Rockwood is a member of the honorary fraternities, Sigma Xi and Phi Beta Kappa, and of the American Medical Society, American Chemistry Society, German Chemical Society, and of the American Association for the Advancement of Science.

He has gained eminence among American Scientists and is considered an authority in the science to which he has devoted his life. As an author, his best works are, "A Laboratory Manual of Physiological Chemistry," and an "Introduction to Chemical Analysis for Medical Students."

LIBRARY BOARD HOLDS MEETING

Historical Society Adds to Membership

At an important meeting of the Board of Curators of the State Historical Society of Iowa held on Wednesday evening of this week, Hon. J. B. Sullivan of Des Moines and Mrs. J. H. Howe of Marshall were elected to membership.

The Historical Society of Marshall County, which was recently organized was enrolled as an auxiliary member of the State Society.

Several appointments were also made. Miss Ethyl Martin was appointed clerk to the superintendent to fill the vacancy made by the resignation of Miss Pearl Landon. Mr. Carl D. Loos was approved as an assistant in the library.

The board voted to publish a special edition of four hundred copies of the Autobiography of Governor John Chambers. This book, which will be bound in buckram cloth covers, will contain portraits of Governor Chambers and Mrs. Chambers, and each copy of the book will be numbered.

AT THE BIJOU THEATRE TODAY AND TOMORROW

ALICE ROBINSON, SOPRANO

One of the biggest hits that has appeared at the Bijou Theatre is Miss Alice Robinson, a dainty prima donna who appeared last night and who will sing at both today's and tomorrow's performances. Her singing appeals particularly to people of taste. Trained in musical stock companies and on Chautauqua and Lyceum circuits, Miss Robinson is spending her first year on the vaudeville stage.

The Harvard Medical School .. BOSTON, MASS.

With the completion of the new buildings which we dedicated September 25th, 1906, this school now has facilities and equipment for teaching and research in the various branches of medicine probably unequaled in this country. Of the five buildings four are devoted entirely to laboratory teaching and research. Numerous hospitals afford abundant opportunities for clinical instruction in medicine and surgery.

COURSE FOR THE DEGREE OF M. D.

A four years' course open to bachelors of arts, literature, philosophy or science, and to persons of equivalent standing, leads to the degree of M. D. The studies of the fourth year are wholly elective; they include laboratory subjects, general medicine, general surgery and the special clinical branches. The next school year extends from October 1, 1908 to June 1, 1909.

The diploma of Iowa University is accepted for admission.
