EINFEELPHIAN-IRVING PLAY

Because She Loved Him So*

WIN HONORS IN NEW YORK

Sophomores or Compete Friday?

Four Men Were Successful in Preliminary

George W. Ragen Given Prize and Pays Expenses, so Admission is Free

The annual Sophomore Oratorical Contest will be held at the Auditorium in the evening of April 12.

The winning orators will be awarded prizes and certificates.

The preliminary round will be held today at 3:30 in the afternoon.

The following men will act as judges: Judge R. B. Hallow, Dr. L. G. Laywer, Rev. Ivan H. Almen, Dr. S. J. Smith, and Rev. J. F. Parker.

At a recent meeting of the Forensic Council it was decided to hold the annual meeting of the league following the Sophomore Oratorial Contest. At this time the Forensic medals will be awarded to the inter-collegiate debaters. The F. O. Lawdow prizes will also be announced at this time.

This is the regular annual meeting of the officers elected by the previous societies who will be properly installed for the remainder of the year. The faculty members of the Council will also be elected at this time.

Plans will also be discussed in order to find a suitable method for selecting the inter-collegiate debaters for next year's big debate events. Other matters of minor importance will also be considered.

Committee to Meet

The Woman's Building combination will meet Thursday evening at 7:30 o'clock in Mrs. Veland's home.

LEATHER EDITOR PROBABLE

Many Subscriptions Came in Yesterday for Extra Issue of 1908 Hawkeye

According to the reports which have been handed in to the managers of the Hawkeye it seems very probable that the required 300 subscriptions for the leather-covered edition of the 1909 number of the Hawkeye will be obtained. All the faculty members and students of the general board continued to turn in subscriptions almost until the required number was almost reached.

The managers of the Hawkeye will be careful to find and check out when the leather books are on sale. This will make it impossible for anyone under any circumstances to obtain a copy without having his name on the advance subscription list. The edition is put out at such an expense and for an experiment that the board cannot lose any of the money involved in publishing more than the subscribed amount.

MORGAN'S DONATION IS BEING STORED

Specimens are Carefully Protect ed in New Science Hall

The valuable botanical donation of Miss L. V. Morgan, of Harranood, is being stored in the fire proof buildings in Iowa City.

The donation includes the entire Herbarium, together with accompanying books and pamphlets. The herbarium represents better than any in the country, the rich mycologic fields of the lower Ohio valley, and owing to the eminent of Professor Morgan a student of mycology will undoubtedly remain of extreme historic importance.

PRESCOTT MACLEAN GOES TO MUSCATINE

Will Assist in Church Dedication Exercises

President George E. MacLean will go to Muscatine this afternoon, where he will take part in the dedication services of the new church. Governor A. P. Cummins will also be connected with the ceremonies.

AMATEUR THESPIANS PERFORM TONIGHT

Irvings-Comic to be Given at Opera House

Literary Societies Will Present "Because She Loved Him So" at Colletrn

Tonight at the Colletrn will occur the annual Irving-Erdolphian Drama. The societies are represented by present William Giiette's famous comedy, "Because She Loved Him So." The play is especially adapted for amateur presentation and every one of the three acts is filled with humorous situations and laughable comedy. The play has been in preparation for many weeks and will probably be one of the best amateur performances of the season.

The cast of the play is especially strong for a presentation of this sort. There are fifteen people in the play and every part is admirably filled. On account of the peculiar comedy of the plot there are four leading roles. These are filled by James Lynch, Alice Swisher, Laurence Mayer, and Charles W. Briggs. There are in addition many strong character parts which are well taken.

The play has been well coached and the amateurs have perfected their work in the details of stage business. The work of training the cast has been conducted by the entire Dramatic Union, directed by the Erdolphian Literary Society.

For the past week Miss Blanche Van Winkle, from Iowa City, has been assisting the Erdolphian Literary Society in preparing the play for presentation.

The dress rehearsal was held last evening and was very satisfactory. The advance sale indicates an unusual house for amateur productions and the play should be marked a success in every way. It is managed by Curt Boyer of Irving Institute, assisted by Owen Perrine.

Following is the cast:

Oscar West - Launcie Mayer
John Weatherby - Charles W. Briggs
Thomas Weatherby - Clark Burlkehearn
Edward Marsh - Walter Myer
Rev. Lyman Langley - Clarence Coulter
Albert Brichard - C. F. Beuett
Mr. Jackson - Clifford Powell
Mr. Bredlin - L. J. Clarkson

LEGAL FRATERNITY TO HAVE CONVENTION

National Meeting of Phi Delta Phi Here Soon

Program Arranged For Entertainments of Visitors - Talleyho Ride and Banquet

The National Meeting of the Phi Delta Phi legal fraternity will be held in this city under the presidency of President Roosevelt from April 30 and May 1. This will be the first time that the National has been held in any city outside of New York.

The convention is to be a three day gathering of all members of the fraternity, and it is expected that there will be a good attendance.

The arrangements are being made for a series of entertainments that will be enjoyed by all.

The Phi Delta Phi is the oldest legal fraternity in the United States, having been founded in the year 1886. Its chapters are to be found in all the big law schools throughout the country, and there will be present at this meeting of the fraternity a considerable number of delegates from other schools.

At the meeting the officers of the national fraternity will be elected, and a series of lectures will be given by well-known jurists.

MRS. ROOKWOOD TO SPEAK BEFORE GIRLS

To Appear Before Regular Varsityassembly

The mid-week meeting of the V. W. C. A. will be called by Mrs. H. W. Yates, Atlanta, Georgia, on April 7th at 6:15. The subject of the evening is "Because She Loved Him So." The meeting will be of unusual interest because the girl will be present to speak.

Erdolphian Elect Officers Erdolphian Literary Society at a regular meeting elected the following officers for the remainder of the semester: President, Ira Keener, vice-president, Helon Swisher; corresponding secretary, Hazel Arndt; recording secretary, Ethel Sylver; sergeant-at-arms, Ruth Adams; critic, Mela Homan.

Beta vs. Big Alphe Beta Theta Pi will play Sigma Alpha Epsilon this afternoon at 4 o'clock on the Varsity diamond. Kappa Sigma is scheduled to play Sigma Nu on Saturday, and Phi Kappa Pi is to meet Delta Tau Delta on the same day.

Y. M. C. A. Midweek Meeting C. L. Simmers will lead the regular mid-week meeting of the Y. M. C. A. tonight at Chase Hall. His subject will be "The Christian Mind." The meeting will be called at 6:45.

(Continued on Last Page)
A successful Woman's Rally and the successful launching of a fund raising movement for a Woman's Club have added to the credit. Just as paper looks like a simple proposition but when you come right down to actual fact it is a complex matter should be the idea of a Woman's Building mean an infinitesimal amount of hard work. It means launching a mass meeting and rally where everyone is initiated with enthusiasm for the moment and where dreams originate with such ease. The realization of the Woman's Building requires careful planning, time, and then work, work, work.

Accordingly, the council of the University are to be commended heartily for the energy and enthusiasm with which they are going after the Woman's Building project. Although the main issue of this movement rests with the girls themselves, the whole University is interested in it because it is such an easy proposition that they are contrived out.

Another reason why such a movement must be entered into with such stickiness is because the girls are never so spring for any unnecessary effort could not be picked out. Spring is the busiest time of the year for many every one. And so to keep the Woman's Building idea alive and growing is absolutely necessary to the interest and moral support of the whole University because they depend on the co-in this movement.

Northwestern is the latest addition to the list of schools that have adopted the need board plan. Northwestern has long been at the top of the list of schools that have adopted the need board plan. Although the policy of board has only been in operation for some time with satisfaction at Columbia. The underclassman not only gets a great deal of physical exercise, but the thought of graduating after most of your friends have left like the leaves of the tree with no one to see good-bye.—Daily Northwestern.
