## DELEGATE DESCRIBES CIVIC CONVENTION

### Rolfe Whitnall Tells of National Gathering

Promising Outlook for Organization—Prominent Men Addressed Students

Mr. Rolfe Whitnall, Iowa's delegate to the national convention of the Intercollegiate Civic League, recently returned from the meeting of the League held in New York City. In speaking of the League and its work Mr. Whitnall said:

"The Inter-collegiate Civic League was started at Yale two years ago by Mr. Chas. M. Jesup, then of New York City. The purpose of the league is to get college men to take a live interest in the duties of citizenship, and to work, both in college and afterward, for clean politics and good government. The league at its inception included twelve clubs; it is composed now of twenty-eight, with more in formation. Iowa has a club in process of organization, and was represented at the second convention of the league, held in New York April 1.

"The convention was held at the elegant home of Mr. R. Bayard Cutting, who, with other wealthy and influential men, is interested in the success of the league. Papers were read, telling of practical work done by several of the clubs; a constitution was adopted, and plans for the spread of the movement were discussed. In the evening, at a banquet held at the University Club, addresses were given by Gen. Horace Porter, former ambassador to Berlin, William H. Allen, of the New York Board of Municipal Research, Mr. Arthur Woods, assistant Police Commissioner, and Mr. Jesup.

"After this the whole convention adjourned to take a special Pullman car for Washington, arriving there the following morning. During the day visits were made to Secretary Straus, Vice-president Fairbanks, President Roosevelt, and Speaker Cannon. Each one talked briefly to the men, giving them the greatest encouragement, and assuring them of hearty sympathy with the purposes of the league. The men saw both the Senate and the House at work before dispersing Thursday evening.

"Mr. Jesup, who is using much time and money in promoting the organization of new clubs, predicts that within a decade their influence will be felt all over the country. It is certain that if the Iowa Club is continued in the spirit already shown, it will make itself felt in more than one Iowa town."

## CATHOLICS WILL ORGANIZE

A Big Convention of Societies Convening in Lafayette—Skelley Local Delegate

The Catholic societies of the various Universities and Colleges all over the county have started a movement toward nationalizing. The movement began in some of the Eastern Universities and has spread to the Pacific. The University of Purdue at Lafayette, Indiana, has been chosen for the seat of the convention which opened Saturday morning with delegates from almost every state in the Union.

The purpose of the movement is to join all the now independent Catholic societies of the different Universities, into one national society. The advantage to be derived is expected to be both social and educational.

The Newman Society of the University of Iowa is represented at the convention by S. E. Skelley a senior in the College of Law. The Newman Society was founded in Iowa in 1900 with a membership of 13, and now has 80 on its roll. The nature of the local society has been both social and educational, the principal feature in the latter being a series of lectures during the scholastic year by prominent lecturers.

The convention will last two or three days according to the time it will take to complete an organization. Nothing will be left undone to make this the strongest Catholic organization in the United States.

"There is no reason why it shouldn't be the strongest and best society of its kind in the country," said Charles P. MacHugh, president of the local society, when speaking of the movement yesterday. "It will consist only of college men here and all over the country. We have lots of good material and we feel sure we can form an organization that will be the pride and help of every member not only when an active member but afterward when he is out in the world."

There will be no delay if it can be avoided in organizing. The convention will not convene until the movement has been turned into a perfectly organized national society.

### Dean Gregory Has Article

Dean C. N. Gregory has an article in the April number of the Yale Law Magazine on Sam Freeman Miller, Justice of the Supreme Court. The article is condensed and rewritten from a volume published by the State Historical Society.

### Benefit for Firemen

The firemen of Iowa City will have a benefit today and tomorrow at the Bijou Theatre.

## THREE FARCES FOR HIGH SCHOOL MEN

Entertainment Provided for Visiting Athletes

Names of Farces to be Presented and List of Students Who Will Participate in Them

An entertainment to be held Friday night will be given by members of the Public Speaking department for the amusement of the high school athletes and visitors who come here to attend the big invitation meet Saturday, May 16.

Arrangements have been made to have the drawing of places for the following day's contests to take place immediately after the evening's entertainment.

The program consists of three farce comedies. They will be given in the Auditorium and will serve as a test for the possibilities of the new Auditorium as a place for theatrical performances.

"The Ambassador," by Mr. Hibbard, tells the story of two lovers reconciled by the Ambassador. Mr. Briggs takes the role of Ambassador; Eleanore, Miss Hinman; Harold, Mr. Boag.

"Doris," is the title of the second farce. Mr. and Mrs. Wilkins suddenly become rich and endeavor to make "hit" with their money. James, a literary man disguises as a butler and relates the story of their many experiences. The cast is as follows: Peter Wilkins, Mr. Zimmerman; Mrs. Wilkins, Miss Alice Haney; Julia, Miss Kahler; Doris, Miss Raney; James, Mr. Baer; William, Mr. Drummeler.

The third comedy sketch is titled "No Cinderella." The author is Harold McGrath. As the title suggests it deals with the lost slipper at a dancing party. This little episode involves many interesting circumstances. Following is the cast: Dick Thompson, Mr. Bourrett; Bob Lee, Mr. Whitnall; Jim Marsden, Mr. Schultz; Nancy Marsden, Miss Ferguson; Betty Lee, Miss Blair; The Flurried Partner, Mr. Finlayson; A Young Girl, Miss Alsbough; Miss Pibley, Miss Alice Swisher.

## IOWAN REPORTER ON WESTERN DAILY

### Erickson, Ex-'11, Making Good on Tacoma Daily Times

Mr. Howard Erickson, ex-'11, a reporter on the DAILY IOWAN the first semester, is a member of the reportorial staff of the Tacoma Daily Times, at Tacoma, Washington. Compelled to leave school on account of his eyes, Erickson returned to his home at Royal, Iowa, but later went west. He was formerly a student at Morningside College.

## MANY STAY HERE VACATION

Only About Half of the Students Will go Home During Six Day Easter Recess

Not more than half the University students will spend the coming vacation, April 15-21, at their respective homes. For those remaining here there will be a series of baseball games with the Rock Island Three I league. This promises to afford plenty of entertainment for base ball fans. Here the University team will have the first opportunity to prove its mettle and the contests bid fair to be highly interesting. The fact that spring recess comes during the last week of Lent rather throws a damper over society functions. A Liberal Arts dance has been scheduled for April 16, at Majestic.

Probably there will be plenty of informal social affairs planned for the few days of freedom from school work.

Boating and canoeing bid fair to be the most popular forms of amusement if the beautiful spring weather lasts. The Iowa river offers all that could be desired to lovers of aquatic sports and there is no doubt but that the stream will be crowded with pleasure seekers on the warm afternoons and evenings.

## DATES FOR PRACTICE MARCH

May 23-27 Will be the Date of the Cadet Outing

The date for the annual cadet march of the University Regiment have been definitely set for May 23-27. Lieutenant Weeks goes to Des Moines soon to arrange for the tents that will be required on the March.

On Saturday, May 23, the cadets will march to Mid River Park where a permanent camp will be struck. On Sunday the cadets will be "at home" to the visitors and on Monday a sham battle will be fought. The return will be on Tuesday, the 27th.

## PIANO RECITAL BY RALPH LAWTON

Program was Given in Auditorium Last Night

Before an appreciative audience Mr. Ralph Lawton rendered an excellent program last evening in the Auditorium. The program follows:

- Beethoven, Adagio and Scherzo from Op. 2, No. 2.
- Brahms, Allegro maestoso and Scherzo from F Minor Sonata.
- Grieg, Ich Liebe Dich.
- Poldini, Marche Mignonne.
- Scriabine, Prelude for left hand.
- Leschetizsky, Arabesque, Intermezzo in Octaves.
- Schubert, Moment Musicale.
- MacDowell, Sea Piece, To a Wild Rose, March Wind.

## PLAY GOOD BALL THO' ROCK ISLAND WINS

Leaguers Take First Game by a Score of 11 to 7

Coach Kent's Men with Captain Kirk in the Game Play Snappy Early Season Baseball

Playing a fast article of early season baseball, the Varsity pushed the pennant winning Rock Island Three-I league team to the limit but lost the first of the series to the leaguers by a score of 11 to 7 on Iowa Field yesterday afternoon. Erratic fielding by Coach Kent's men in the unlucky fifth gave the visitors a lead which could not be overcome.

Iowa displayed a snappy game and plainly showed possibilities for a fast ball team with Captain Kirk in his old time place behind the bat. Sutherland and Hanlon pitched stellar article of ball.

The batting of Johansen and Carberry were features of Iowa's play. The lanky first baseman made four singles in five times at bat and Carberry swatted the choicest offerings of the Rock Island pitchers for two doubles and a single. "King" Murphy, the peerless entertainer holding down left garden for the Islanders cracked one of Sutherland's benders over the gate for a homer.

In the first inning Rock Island started out with a rush scoring four runs on two singles, three errors, a sacrifice, and a stolen base. Iowa came back in their half tying the score by four bases on balls, a hit batsman, a two-bagger and a single.

In the third Rock Island made a run by a hit, error, and a stolen base. Iowa tied the score by a base on balls, a sacrifice and a stolen base. In the fifth the leaguers managed to run in 6 scores by a combination of errors, a home run, a base on balls, and sacrifices. Iowa made 2 in their half and from then on the teams could do nothing with the new pitchers Neal and Hanlon.

The score is as follows:

The advent of spring turns our desires in the direction of the band concerts. For the past two years the band has been philanthropic enough to get out once or twice and give open air concerts. These concerts have been extremely popular and have gone far towards making the last days of the college year very pleasant. Iowa has always been more or less negligent in providing general college events which add to the attractiveness of university life at other institutions. Let us try to put some spice into college life this spring by outdoor band and glee club concerts.

Less than one week to Easter. Gee! Lent has been a long one at our house. I think Ma holds us up in Lent to save on her meat bills. She gives us a fishy story about a little diet being good for a fellow's system in the spring of the year. I guess it's good for the Easter bonnets all right. Many a mother has fed her kids on sulphur and molasses and put the change into Merry Widows. Still you can't blame them. There is a style and swing to the Easter bonnets this year that is positively irresistible. I know the bonnets for men are enough to turn a woman's head and they cost as little as \$2.50 to put you under a good beaver lid. Come in and see them, yourself.

**OBERLIN'S REPRESENTATIVE**

JESSE F. WILLIAMS

Oberlin College will send as its orator to compete in the final contest of the Northern Oratorical League Mr. Jesse F. Williams. Mr. Williams has won honors in both athletic and forensic work. He is truly an Ohio product, being born in that state and now a Junior in its most noted college. He has played on the Varsity football team three years and on the Varsity baseball team one year. He has taken part in the oratorical contests at Oberlin for the past three years. Last year he won second place in the preliminary N. O. L. contest. This year he came out winner. Thus he has won his "letter" both in athletic and forensic contests.

While Oberlin has never carried off first honors in the N. O. L. she has always presented good men and has been unusually strong in playing the host to the league. At the last contest held in Oberlin the Glee Club gave two numbers in connection with the oratorical program and 1200 people turned out to do honor to the seven institutions which competed in the final struggle for the Lowden testimonials.

The contest which comes to Iowa this year promises to be the most notable ever held under the auspices of the league; both as to the quality of the men who are to compete and as to the size of the audience that will greet them. All loyal Iowans are reported to be setting aside the first day of May and eight o'clock in the evening of that day to be present at the contest.

# LOOK!

WHEN you go home to eat Easter eggs with the folks, be sure and wear a Willner spring suit. They look right—they feel right—and you'll not go broke if you buy one. Take a look at our \$15, \$16.50 and \$18 line and you'll see why we are so enthusiastic about them. DO IT NOW!

THEN look at the new hat styles that we are showing, and we will settle your hat question. Style doesn't cost the manufacturer nor us anything. It's the quality of our hats that we praise. For instance,—our Willner "Special" at \$1.90 is easily a full \$2.50 hat value. Let us fit one to your head and please your taste. If you want a higher priced hat, ask to see the Beacon (made in the Knox factory), price \$3; or if you want the very best hat made, call for a Knox at \$5. We are showing all the newest spring shapes and all the handsome new colors.

But don't forget that suit!  
We're waiting for you.

## HOME MEET WILL BE ON SECOND OF MAY

Date Decided Upon for Annual Contest

Saturday afternoon, May 2, is the date set for the home track meet and the athletes under the direction of Coach Catlin and Tommy O'Brien are bending their energies toward getting in good condition before that time. Following the home meet is the dual contest with the University of Minnesota at Minneapolis on May 9.

A week from the Minnesota meet there may possibly be a state meet for the freshmen of the various colleges of the state and on May 23 the Iowa track team will go to Kansas City. May 29, at Des Moines, occurs the annual state inter-collegiate.

"Captain Miller is in better condition and will be out regularly now," said Trainer Tommy O'Brien yesterday. "The outlook is good for a fine team if the fellows will only turn out and work hard. This warm weather is encouraging, and I believe the squad will have no trouble in rounding into condition for the home meet, May 2."

### FRESHMEN DEBATERS CHOOSE QUESTION

Annual Contest Between Irving and Zet First Year Men

The question, "Resolved, that the national government of the United States should impose a graduated inheritance tax," has been chosen for discussion in the annual debate between the freshmen of Irving and Zetagathian. It will be affirmed for Irving by Reul H. Liggett and Earl S. Browning, while the negative will be upheld by Ray Latham and Otis Gilbrecht for Zetagathian.

This debate will be held about the middle of May, and is part of the annual Zet-Irving freshmen contest. The other events are oratorical and declamatory contests. Glen E. Cunningham will represent Irving and Burt C. Riley Zetagathian in oratory, while the declamatory contest will be between G. H. Stillman of Irving and J. A. Heng of Zetagathian.

### Y. W. C. A. Notice

There will be no meeting of the Y. W. C. A. Wednesday evening.

### COMMITTEE

### May Breakfast

May 2nd, the Y. M. C. A. will give their annual May breakfast. All students are invited.

## PLAY GOOD BALL THO ROCK ISLAND WINS

(Continued from page one)

The score by innings:  
Rock Island..... 4 0 1 0 6 0 0 0-11  
Iowa..... 4 0 1 0 2 0 0 0-7  
Summary: Bases on balls—McKee 4, Powers 2, Neal 1, Sutherland 3; two-base hits—Carberry 2, Hanlon; home run—Murphy; double play—Edwards-Detwyler; hit by pitched ball—Towne, McGuire, Cook; struck out—McKee 1, Powers 3, Neal 6, Sutherland 3, Hanlon 1; sacrifice hits—Eng, Berger, Detwyler, Edwards, Carberry, Towne, Sutherland; stolen bases—Carberry, Gettinger, Burdette.  
Umpire—Lundin.

### Notes of the Game

Hanlon's two-bagger was a peach but didn't prove good enough for three bases.

Captain Cook, the visiting first baseman, is a former University of Illinois player.

Many of the squad of thirty track men rested frequently in the vicinity of the diamond.

Two co-eds were to be found among the rooters. However, there were 168 paid admissions.

Eng's throw to home from right garden in the fifth, nipping Towne at the plate, was a feature.

The varsity men were a little nervous the first few innings but in the last four rounds the Iowans played stellar ball.

The Rock Island ball squad consists of twenty players, which number will be cut to sixteen before the end of the series, possibly sooner.

The results of Coach Kent's careful coaching came to the surface when pretty sacrifices were laid down and the varsity displayed a knowledge of genuine inside baseball.

Pitcher McKee was inclined to ascend into the wilds and Cook sent him to the bench before the first inning was ended. Powers was not very powerful but Neal was all the goods.

Sutherland had the leaguers guessing on his drop, displayed good headwork and otherwise showed the earmarks of a comer. Hanlon's speed and willingness to back up the bases caused favorable comment. The leaguers failed to get any scores off "Archie."

### The Harvard Medical School .. BOSTON, MASS.

With the completion of the new buildings which we dedicated September 25th, 1906, this school now has facilities and equipment for teaching and research in the various branches of medicine probably unequalled in this country. Of the five buildings four are devoted entirely to laboratory teaching and research. Numerous hospitals afford abundant opportunities for clinical instruction in medicine and surgery.

### COURSE FOR THE DEGREE OF M. D.

A four years' course open to bachelors of arts, literature, philosophy or science, and to persons of equivalent standing, leads to the degree of M. D. The studies of the fourth year are wholly elective; they include laboratory subjects, general medicine, general surgery and the special clinical branches. The next school year extends from October 1, 1908 to June 1, 1909. The diploma of Iowa University is accepted for admission.
