HAWEYES MEET THE CORNHUSKERS TODAY

Varisty Baseball Team Will Play Nebraska

Haunies to Twist Contest—Game Called for 3:30—Same Lineup as Against Gophers

This afternoon at 3:30 o'clock, with the weather man permitting, Iowa will play Nebraska's baseball team in the first big collegiate contest of the year on the local diamond. Haunie has been selected to do the flagging for the Varsity and if he is working in the form shown in the late Mrs. Gentleman Nebraska will have difficulty in bunching hits.

"The diamond will be all right if it doesn't rain any more," said Coach M. A. Kent yesterday.

"The grounds have stood the recent rains to good shape and it will be possible to play by 3:30 if no more water falls."

"I have even had rain prevented any outdoor practice and the players were compelled to take another enforced rest."

"A few of the men took a short work-out in the gymnasium yesterday afternoon but no one ventured outdoors."

The lineup for the game today will be practically the same as against the Gophers. Captain Kirk will be behind the bat, the infield will be intact and Gillings, Currier and Bichell will be the force in the flies in the outer garden.

Today's game is the last game before the Iowa team will come for a third game on May 14. This will be the initial conference game at the home diamond.

MANY TO COME TO VARSITY REUNION

Committee Encouraged by Number of Alumni

Many reptiles have been received by the invitations to the Engineers' homecoming. Those who were sent out some time ago. The plan is, through the enthusiasm among the alumni and former students of the college, and many have signified their intention of returning to the reunion. A few will be unable to come because of distance, but the number of acceptances already received justifies the committee in believing that the success of the first homecoming will cause it to be made an annual feature of Commencement.

WEATHER STOPS TRACK WORK

Preparations For Home Meet at Practial Barnett—Mt. Vernon Shoe for Burkeheimer

Cold rains and inclement weather this week has stopped any effective outdoor training by the track men and the chilly air of the past ten days has severely handicapped Coach Mark Carlin and Trainer Tommy O'Brien in preparing the squad for the home meet which is scheduled for next Thursday.

The past two afternoons only a few of the men dared the joy on the track and many of the athletes are suffering from sore muscles as the result of the unseasonable weather. Most candidates were depending on getting into condition by hard work this week, the records made last season were enforced rest.

Every point is a larger and enthusiastic rally and the committee is eager to assist the plan.

"The tickets are going like hot cakes, but we will not be satisfied until every girl in the University and every girl in Iowa will have one," said Mrs. Alice Swisher yesterday. "This rally is for all the girls and we are working hard to make every boy want to have one. We want this rally to be the most enthusiastic success in the history of the University of Iowa."

Though the ticket committee has been very diligent the past week there are many girls who have not yet been reached. Those are urged to see one of the committee today and procure their tickets, as the report of the committee must be completed by Friday morning as to give the men an opportunity of the arrangement of other features.

Following is the committee from whom tickets may be secured: Irma Westman, Mrs. C. F. Nebergal, Mable Egbert, Nora Anderson, Alice Clarke, Laura Kline, Audrey Alyno, Marie Rogers, Bertha Reichard, Irene Jonis, Meta Schmidt, Irene Neil, Alice Miller, Letts Towser, Alice MacGowan and Elibbe George.

Thursday night there will be a committee meeting in Des Moines room and after the ticket report has been disposed of attention will be given to the "rout" for the big Friday night and the girl's will be divided off into groups of twenty; each twenty will put on some kind of an original stunt the nature of which is to be kept a secret until the big night comes off Saturday night.

In speaking of the affair Mr. Van Veld said: "We not only want the women of the faculty with us at our rally but we want the women's members' wives. We will all join together in the Armory Saturday evening and see what we can do toward getting a Women's Building for Iowa."

Leslie I. Reed, L. A. '01, present superintendent of Oskaloosa public schools, has accepted a like position at Jefferson, Iowa. Mr. Reed has attracted attention in Oskaloosa by his system of frequent promotion, which has added greatly to the effectiveness of his work.

A. O. Thomas, L. A. '92, superintendent of Wellman schools, was in Iowa City recently, renewing his acquaintance with University friends and alumni.

**NEW PAINTING TO BE GIVEN UNIVERSITY**

Alumni to Present Portrait of Professor L. F. Parker

A number of the Alumni will soon present to the University an all-painted portrait of Professor L. F. Parker. This painting is now being completed, at Mr. Parker's home, at Greenell, Iowa, by Mr. Laurie Wallace of Omaha, Nebraska.

Professor Parker is a graduate of Oberlin. He came to the State University from Gilead in 1870 as the head of the Greek department. Later, in 1883, in connection with his Greek work he was given the professorship of history. Mr. Parker proved to be thorough in his instruction and made a great host of intimate friends while at the University.

**MEVAL WATCH PORS HERE FOR FRESHMEN**

Fine Gifts Made to Twenty Three Football Men
