MEET PREPARATIONS NEARING COMPLETION

Beautiful Medals Arrive For Interscholastic

Four Splendid Trophies to be Given in Each Event—Entry List Closes Today

Preparations for the first annual interscholastic meet given by the University of Iowa are rapidly nearing completion and indications point toward a highly successful event a week from next Saturday. Medals for the meet have arrived in Iowa City and are pronounced by those who have seen them to be the best ever offered at a high school meet in the state. There are four medals for each event, including a splendidly finished gold one for first place winners, silver for winners of second honors and bronze for those who finish in third and fourth places.

The souvenirs for the meet all came at the same time as the medals and will surpass those given last year to the visitors by the University at the time of the state high school field meet.

Today the time limit for the entry lists is reached and at last reports Manager Catlin had a long list of names of the high school athletes who will contest for honors here May 16. It is confidently expected that there will be between one hundred and one hundred and fifty of the secondary school men in the meet.

Every effort is being made by the Athletic Board to systematize the entertainment of the guests and today a sub committee from the Greater University committee will meet with Professor A. G. Smith, chairman of the Board, to plan for the notification of students in the University of the visitors who are expected from their respective localities. Already the fraternities have issued many invitations to many of those coming.

The casts of the farces which are to be given by University talent in the Auditorium for the high school athletes and visitors are working hard and the arrangements are rapidly nearing completion for the productions. Professor Washburn is preparing special scenery for the farces.

Y. M. C. A. Tonight

At the mid-week meeting tonight the Y. M. C. A. will elect their officers for the ensuing year. Short talks will be made by the officers elected. The election will follow the regular devotional services. All men are invited by Secretary H. L. Heinzman.

HAWKEYE OUT IN TWO WEEKS

Annual is Ready for the Bindery—Finishing Touches Being Put on Big Book

The 1909 Hawkeye is ready for the bindery and the final work will be rushed so that the book will be ready for the public some time in the next two weeks. That the book will be better than ever before is well assured by those who are in touch with the work. It is printed on heavy, 140 pound snowflake, enameled paper, which shows off the many cuts to the best possible advantage.

The leather-covered edition will be bound in rich, dark green, heavy sheepskin. The surface is beautifully finished, and resembles the finest quality panne velvet in appearance.

The other edition is bound in dark red art canvas and presents a very striking appearance. Both covers are decorated with a University view, done in two colors. This panel picture shows off well from the dark background.

This year's Hawkeye will be larger than ever before and 20 per cent heavier.

POSTPONE GREATER UNIVERSITY MEETING

Regular Weekly Session Comes Tomorrow

In order that the committee might definitely settle on a plan for notifying the county club officers on the high school people who are to be in Iowa City at the time of the invitation meet, the regular weekly meeting of the Greater University Committee was postponed last night until tomorrow evening at 7 o'clock. The entries for the interscholastic meet will be in by this evening and the committee will accordingly be able to take definite action tomorrow evening.

Senior Sing Tonight

The first "sing" of the Senior Class of the College of Liberal Arts scheduled for Monday night was postponed until tonight on account of the rainy weather. It will be held at 7 o'clock in the Liberal Arts Assembly Hall, and all members of the class are urged by President W. E. Jones to be present.

Browning's Play at Mt. Vernon

The Milton Society of Cornell College will play "Colombe's Birthday," by Robert Browning, at Mt. Vernon, Friday evening, May 8. A cordial invitation is extended to University of Iowa students to attend by Ray H. Wheelock, business manager of the play. The admission is free.

HAWKEYES MEET THE CORNHUSKERS TODAY

Varsity Baseball Team Will Play Nebraska

Hanlon to Twirl Contest—Game Called for 3:30—Same Lineup as Against Gophers

This afternoon at 3:30 o'clock, with the weather man permitting, Iowa will play Nebraska's baseball team in the first big collegiate contest of the year on the local diamond. Hanlon has been selected to do the flinging for the Varsity and if he is working in the form shown in the last Minnesota game Nebraska will have difficulty in bunching hits.

"The diamond will be all right if it does not rain any more," said Coach M. A. Kent yesterday. "The grounds have stood the recent rains in good shape and it will be possible to play by 3:30 if no more water falls."

Yesterday's heavy rain prevented any outdoor practice and the players were compelled to take another enforced rest. A few of the men took a short workout in the gymnasium yesterday afternoon but no one ventured outdoors.

The lineup for the game today will be practically the same as against the Gophers. Captain Kirk will be behind the bat, the infield will be intact and Gittinger, Carberry and Bechtal will take care of the flies in the outer gardens.

Today's game is the last game the fans will see until Minnesota comes for a third game on May 14. This will be the initial conference game on the home diamond.

MANY TO COME TO ENGINEERS' REUNION

Committee Encouraged by Number of Replies

Many replies have been received to the invitations to the Engineers' homecoming which were sent out some time ago. The plan is meeting with an enthusiastic reception among the alumni and former students of the college, and many have signified their intention of returning to the reunion. A few will be unable to come because of distance, but the number of acceptances already received justifies the committee in believing that the success of the first homecoming week will cause it to be made an annual feature of Commencement.

WEATHER STOPS TRACK WORK

Preparations For Home Meet at Practical Standstill—New Shoe for Burkheimer

Cold rains and inclement weather this week has stopped any effective outdoor training by the track men and the chilly air of the past ten days has severely handicapped Coach Mark Catlin and Trainer Tommy O'Brien in preparing the squad for the home meet which is scheduled for next Saturday.

The past two afternoons only a few of the men dared the jog on the cinder path and many of the athletes are suffering from sore muscles as the result of the unusual cold spell. As many of the candidates were depending on getting into condition by hard work this week, the records made next Saturday will necessarily be slow in the dashes and runs.

The jumpers and pole vaulters have not been able to do any work for several days. Burkheimer has not jumped once this season. Trainer O'Brien yesterday secured a steel plate to put in the sole of the broad jumper's shoe so as to protect an injured foot, so his jumping will be steadier this year than last.

KAPPAS PREPARE FOR BIG INFORMAL PARTY

Many Out of Town Guests For Sorority Function

Arrangements are practically complete for the Kappa Kappa Gamma party to be held at the Armory Friday night and no pains will be spared to make the dance an unqualified success. Dunkel's orchestra will furnish the music for the occasion. The "gym" classes on Thursday will be suspended so that the Armory may be decorated.

The receiving line will consist of Mrs. George E. MacLean, Mrs. Mable M. Volland, Mrs. Wm. Musser, Mrs. H. M. Towner of Corning, Mrs. Seerley of Cedar Falls, Mrs. Letts of Columbus Junction and the active members of Beta Zeta chapter.

Some of the out-of-town guests who will be present are: Misses Ethel Gode, Helen Lovil, Florence Madler, of Grinnell; Marie Walsh of Silvis, Ill., Hazel Seerley of Burlington; Ester Seerley of Cedar Falls; Edith Conner of Vinton; Genevieve Crawford of Davenport and Mae Wangler of Waterloo.

GIRLS SELL MANY TICKETS FOR RALLY

Large Attendance of Co-eds Certain at Big Rally

Great Enthusiasm Manifested Over Women's Building Rally Next Saturday Evening

For the past week girls have been selling tickets for the big Women's Building rally Saturday evening and have met with unusual success.

Everything points to a large and enthusiastic rally and the committee is elated over the prospects.

"The tickets are going like hot cakes, but we will not be satisfied until every girl in the University has been reached," said Miss Alice Swisher yesterday. "This rally is for all the girls and we want them all to be present. We want this rally to be the most enthusiastic success in the history of the University of Iowa."

Though the ticket committee has been very diligent the past week there are many girls who have not yet been reached. These are urged to see one of the committee today and procure their tickets, as the report of the committee must be completed by Friday morning so as to give time for the arrangement of other features.

Following is the committee from whom tickets may be secured: Irma Westenhaver, Stella Nebergall, Mable Eggert, Nora Anderson, Alice Clarke, Laura Lynch, Audrey Alspaugh, Marie Rogers, Bertha Reichardt, Irene Jones, Meta Schmidt, Inez Neil, Alice Miller, Leta Towner, Alice MacGowan and Libbie George.

Thursday night there will be a committee meeting in Dean Volland's room and after the ticket report has been disposed of attention will be given to the "stunt" feature of the rally. The girls will be divided off into groups of twenty; each twenty will put on some kind of an original stunt the nature of which is to be kept a secret until the big affair comes off Saturday night.

In speaking of the affair Dean Volland said:

"We not only want the women of the faculty with us at our rally but we want the faculty members' wives. We will all join together in the Armory Saturday evening and see what we can do toward getting a Women's Building for Iowa."

Iowa plays Nebraska this afternoon and the team deserves a good, big, ATTEND THIS AFTERNOON'S GAME enthusiastic crowd to pull for a winning game. The varsity has a green, inexperienced team and in addition to this hard luck seems to have stuck with them persistently so far. Most of the games that have been lost have been nip and tuck affairs with the game belonging to any one up till the last inning.

The team needs support because it has the ability to play classy baseball and only a little more self confidence is needed to bring this kind of a game out. No one but a baseball player knows how conducive to a listless don't care game an empty grand stand is. And no one but a baseball player knows how a team will get together and hit at the right time when they have their school rooting for them.

The team this year has worked exceptionally hard and faithfully. Training has been strictly lived up to. About the only fault with the bunch is that they take lost games too much to heart. They haven't enough confidence in their real ability. If the school turns out and roots for them at a winning game and gets the team on to its stride it won't lose a remaining game.

I desire to announce to the University public that the Smith Armory is now open for private roller skating parties. See me for terms. H. C. SMITH.

WISE TALKS BY THE OFFICE BOY

PA SAYS: "A man never has real trouble until he has a son big enough to wear his clothes, ties, socks and things." What do you think? The old man told me the other day I was to brace up and wear better clothes. You see, I've held this job quite a while now, and the boss has put a yeast cake under my pay envelope twice already, so I ought to do all I can to hold up the credit of the store. This establishment brings New York to your very doors by showing every new creation and fad in clothing, hats, neckwear, handkerchiefs, hosiery, etc., almost as soon as you could see it on Fifth Avenue, and in every case we guarantee that our price will be as cheap or cheaper than theirs. NEW PAINTING TO BE GIVEN UNIVERSITY

Alumni to Present Portrait of Professor L. F. Parker

A number of the Alumni will soon present to the University an oil portrait of Professor L. F. Parker. This painting is now being completed, at Mr. Parker's home, at Grinnell, Iowa, by Mr. Laurie Wallace of Omaha, Nebraska.

Professor Parker is a graduate of Oberlin. He came to the State University from Grinnell in 1870 as the head of the Greek department. Later, in 1883, in connection with his Greek work he was given the professorship of history. Mr. Parker proved to be thorough in his instruction and made a great host of intimate friends while at the University.
