BRYAN TO SPEAK TODAY

Pamphlet Democrat and Orator Ben L. Bryan of the University of Nebraska, will give his famous lecture, "The Prince of Peace," at 8:30 o'clock tonight on the "Prince of Peace." William Jennings Bryan will give his famous lecture, "The Prince of Peace," at University Gymnasium in the Auditorium of the University at 8:30 this afternoon. D. A. L. G. Wold, of the College of Liberal Arts, will preside at the service and Rev. A. B. Learner will have charge of the devotional exercises. Judge Lincoln J. Wade will introduce the famous speaker.

Bryan's speech, the "Prince of Peace," is known worldwide. It has been heard at numerous Churches, in many English and German languages. Bryan has held his speech applied sound bound by the wonderful message. The words will be paraphrased in all his speech. Religious and spiritual men alike are held in high regard, and while he presents his ideas concisely in eloquence and forcible language, the subject of educational values is treated.

The Y. M. C. A. management is trying to make time to get Mr. Bryan, but when he arrived, he was so hurried, he informed them he could stop over on his way from Chicago to his home. He will arrive at 3:30 p.m. and leave at 4:15 p.m. for Lincoln Nebraska. During his brief stay he will be entertained by Judge Wade.

FRESHMEN LOSE AT NORMAL

Score is 53 to 18 Against Iowa. First Year Men at Carlisle Meet at Cedar Falls

Cedar Falls, Ia., May 23—(Special)—In an exciting dual meet with the result in doubt until the relay races, the Iowa freshmen lost to the Normal track team here today by a margin of 15 points. The slippery ground threw Iowa's jumpers and weight men off badly; resulting in points for Normal. The slow track prevented any starting records. Thompson's two firsts for Iowa, taking the quarter in 36 and the half mile in 2:30. Thompson also left behind him in the quarter and finished third in the half mile. The best of the Iowa was Barnes in the two mile, 10:14.

The meet was sip and cup up to the 220 yard dash, when Iowa suffered a slight hard luck and Normal led by a narrow margin. The race was won by Dr. Wylie of the University and the relay races, the results in doubt until the relay races. In those events the school teachers were not present.

In the 200 yard dash, Kahl secured second place with Brookes man third. The high hurdles, in which the runners didn't do too much, much recommended in the final for the Iowa. Despite the muddy road, the runners moved fast time and by matching with a 3 o'clock by 5 and Iowa track was in second. There will be one more dual meet to be held on the campus. The relay teams will be divided and warfare will be divided. This will practically occupy the entire day and on Tuesday morning the regular track team will break camp to meet for Iowa, arriving Tuesday night, after four days expedition. The championship match will be held today with Dr. Wylie of the Presbyterian church of Iowa City acting as chairman. With good weather this afternoon, many visitors are expected at the campus to see the soldiers of their country at war.

The common desires department had their hands full in supplying food for the men but handled affairs well the first day; they have been good to make this a pleasant experience of the day. Yesterday morning's rain failed to dampen the spirits of the men. The market started at the University Armory, the procession making its way to Clinton street, next to the street to Iowa Ave., over to Dubuque street and then north to Liberty street. The band led the march until church service was reached.

IOWA CITY, IOWA, SUNDAY, MARCH 5, 1906.

Number 157.
Good fortune certainly came to the University and the people of Iowa City because of the famous orator, politician, educator, and editor, William J. Bryan, who was secured to address the University Ventures this afternoon with what has been called the famous lecture "The Prince of Peace." Well known in every part of the United States through his many campaign speeches and lectures, Mr. Bryan is closely in touch with the American people. He is greatly admired because of his strong traits of character and good fellowship, by many who are imbued with the democratic views. His appearance even though advertised but one day ahead certainly piqued the audience this afternoon.
