DEAN C. N. GREGORY

TO MAKE ADDRESS

Will go to Madison directly After Commencement

Shorty after commencement Dean Charles N. Gregory will go to Madison, Wisconsin, where he is to address the annual meeting of the Wisconsin Bar Association. Mr. Gregory has rented a cottage in the city of Madison and intends to spend the summer vacation there. He will return July 6th to attend the annual dinner of the Iowa Bar. During the entire period of August he is to go to Boston and present the report of the standing committee on international conventions, before the annual meeting of the American Bar Association.

THIRTY-FIVE MEN IN DEBATE TRYOUTS

Will be Held Privately To-day Before Judges

Zetagatilla Has Twelve Men in Tests, Irving Ten, Etc.—Winners to be on Teams

The first of the inter-collegiate debates of this fall are on today. Six teams were previously selected by the following judges: Prof. F. H. Stoughton, E. A. White and H. E. Gordon; Messrs. Pearson and Randall. Eight sets will be chosen, two teams and two officers, in order to give the universities of Minnesota and Wisconsin a chance. Thirty-five men have entered, which is a large number of experienced and capable debaters. The judges will meet in the Auditorium of the Hall of Natural Science, where the first speaker is scheduled to appear at 7:30 p.m. The evening session will begin promptly at seven. Each speaker, except the first two or three is expected to be on foot at least thirty minutes before the time assigned for his appearance and to wait in the Library until called by his immediate predecessor. Each of the four forensic societies is represented, the Zetagatilla being led by a team of twelve and the Irving coining with ten. The Irving comes out next with eight, the Philomathecians claim eight and the Marshall Laws three. The rest are unattached.

TO PLAY GRINNELL HALL TEAM TOMORROW

Scarlet and Black Nine to Play Iowa

The first game of the year with Grinnell will be played here tomorrow on Iowa Field, the contest to be called promptly at 3 o'clock. Smith, one of the best college pitchers in the state, will be in the box for the Scarlet and Black and the local team will send a tough proposition in Don at his place. Sutherland will do the pitching honors for Iowa and with the addition of the game starts which sound like a good one to him. Senior Sing

The Seniors will meet on L.A. Tuesday at 7:45 o'clock for "Senior sing. Every senior should be there to sing and everyone else to listen and encourage this time-honored custom." said leader D. A. Anderson, yesterday.

PARKER HAS RETURNED

Asst. Editor of Historical Society of Indian Affairs in the Iowa Chambers in Kentucky

Having completed an exhaustive study of various archives in the East, John Parker, who has been collecting data for a biography of Mr. John Chambers, returned to Iowa City in the first part of this week. As a report of the State Historical Society of Iowa Mr. Parker has been for some weeks engaged in research work in the original home of John Chambers and in the National archives at Washington. A great deal of very valuable material was found in Chambers old home. This included many letters and documents, as well as several valuable oil paintings and a miniature, some of which will appear in the biography.

For some time Mr. Parker and the Burton collection in Louisville, Kentucky, which proved to be one of the most valuable sources. In the state archives at Frankfort, material with respect to Chambers' work in the State Legislature was found. Other sources found in Kentucky by Mr. Parker and searched by him were 1. Paris, Mayville, Covington and Washington, Kentucky, is the old home of Governor Chambers and here many valuable letters were found. From Kentucky Mr. Parker went to Washington, D. C., to study in the archives of the National Government. Here many letters and documents, written by John Chambers as superintendent of the territory in Kentucky, were found.

The biography will be prepared during the summer and published in the Iowa Biographical Series. Mr. Parker is an assistant editor of the State Historical Society and has had experience in historical research work.

A GOOD MONEY-MAKER

When 
things are not going well and they are ready to declare an end to 
their efforts, their money is always ready to contribute.

The managers of this well-known business have met all the 
commercial difficulties of their time with a single exception: 
they have never had a bad year.

They are a group of men who have made money by doing a 
profitable business, and they are a group of men who will 
continue to make money as long as there is a demand for 
such a business.

The managers said to me the other day, "Mugwag, be a Top 
Notcher." I asked him what he meant. He said, "A Top Notcher 
is simply an individual who works for the institution of which he is a 
part, not against it." He claims that one of the most important 
things in this country today is the development of the.

United States is indifferent, that instead of seeking to make 
repatriations for themselves, they seek to do the least possible for the 
people they get. He claims no one can succeed in this great undertaking, 
that the proprietor is judged by his clerks. He claims that a clerk 
must earn more than his salary before he gets a raise and that the 
firm must do business on the same principles—give the public

HOMECOMING WILL BE GREAT SUCCESS

Enthusiasm Growing for First Annual Reunion

Enthusiasm for the Engineers' Homecoming this commemoration is growing, and the event bids to be a great success and a most enjoyable occasion.

The originator of the idea, Mr. John G. Spelman, will be present with his wife and his daughter, was an engineering student, 1883 to 1886. His wife is Mrs. Anna A. Vachinski, a special student in 1885. Mr. Spelman has occupied a number of important positions, as having been division engineer of the C. K. & N. Ry., chief draftsman of the Kansas City, Fort Scott and Memphis Ry., and for six years chief draftsman of the Pittsburgh Bridge Co. In 1901 he was a division engineer of the Pittsburgh branch of the American Bridge Co, since which time he has been chief draftsman of the Illinois Steel Co., North Works, Chicago, Ill. Mr. Spelman is an associate member of the American Society of Civil Engineers, a member of the Western Society of Engineers, and a most enthusiastic alumnus of the Chicago Alumni Association.

NOTE OF GAME

McCoy seemed to be the regular diamond was a sea of mud so the game was played on the grass on the football field.

Fielder. Drake tried to score. Jacks. In the first, but by fast work on the part of the Iowa team he was nipped at the plate.

Wilder, Drake's star first sacker, is certain a tall man. His length helped get him in a couple of wild throws in the first.

McCoy seemed to be afraid of Kirk, as he passed him the three times he was up. It would pay Kirk to take more balls. In the Iowa home game.

Jack knocked the ball under the grind and thought he ought to be caught by a runner, but the "umps" didn't see it that way.

In the Iowa, when a man was on second, Phillips caught a hot drive and was thrown off his balance in trying a throw, and a hit and a run for the Des Moines team.

BIG TENNIS TOURNAMENT

WILL BE JUNE 8-10

Athletic Board to Offer Prize to Winner

An opening tennis tournament will be held June 8-10 at the University courts and the Board in Control of Athletics will offer some prize to the single champion and to the winning team in the doubles.

The tourney will be open to any student who is a student or professor and entry may be had to any of the tournament committee, G. E. Daniels, W. H. Haas or Ralph Oliver or they may be had at the Daily Iowa office. There is no entry fee.

OPPORTUNITY FOR RESEARCH

Archaeological Institute Will Admit Students to Field Work — University Credit

Several expeditions have been planned by the University of American Archaeology for the current year. A number of students will be admitted to each expedition and those who are already engaged in the investigation of particular archaeological or ethnological problems can make special arrangements for the prosecution of their work in the field under the advice of their professors.

Prof. C. W. Weather is Director of the Iowa branch of the school and further particulars with respect to the work may be obtained from him. The following expeditions are announced in a recent bulletin:

1. In Colorado. - Excavations will be made in the Pueblo and Cliff House ruins in the Colorado tributaries of the McElmo canyon in the southwestern part of the state. Work will begin June 15. All who are admitted to this expedition will be expected to meet at Holly's ranch on the McElmo near the Colorado-Utah line (reached by stage from Cortez, Colorado) on the 15th day of June.

2. In Utah. — Excavations will be made in the Pueblo and Cliff House ruins in the Utah tributaries of the McElmo canyon in the southwestern part of the state. Work will begin June 1. All who are admitted to this expedition will be expected to meet at Holly's ranch (see above) on the 15th day of June.

3. In New Mexico. - Excavations will be made in the Pueblo and Cliff House ruins in the Pecos area in the northern part of the state. Work will begin August 15. All who are admitted to this expedition will be expected to meet at the Palace Hotel in Santa Fe on the 15th day of August.

4. In Central America. - An expedition for the study of the Maya culture will take the field about December 15, 1929. All who are admitted to this expedition will be expected to meet at the Quetzal Hotel in Guatemala City on the 15th day of August.
