MUSIC COUNCIL HAS ANNOUNCED PROGRAM

Honorary Societies Elect.

Wasklew and Owl and Keys Relect Men from Freshmen and Sophomores Classes.

The honorary Junior and Sophomore societies Owl and Keys, and Wasklew recently, have each elected to membership the men who are to perpetuate the societies next year.

Wasklew is a society of junior men which was organized in 1905 by these junior men who had never flunked.

Owl and Keys is a Sophomore society founded in the same year by these junior men who had never flunked.

Both societies have been active in the social life of the university and have been highly successful.

Schedule of the Dates to be Filled This Spring by Local Members of the Faculty.

Several University professors have been invited to deliver commencement addresses at various High Schools in the state. This year the number of invitations received was so great that about half of them had to be declined.

During the past few years all invitations have been accepted as commencement oratorists.

In addition to the commencement addresses, the following events will be held in the High Schools:

- Band Concerts and informal dances
- Band Concert tours
- Oratorios
- Literary exercises
- Essay contests

The oratorio to be given by the Kenneth MacDonald of Des Moines will be a feature of the convention.

February 25 - Men's Glee Club and Band Concert Tourney.

March 25 - Women's Glee Club and University Orchestra.

April 8 - University Orchestra and Band Concert.

May 20 - Men's Glee Club and Band Concert.

D businessmen and other faculty members have already arrived.

The report of the committee to the knowledge of the university affairs has in the past done much to prevent the success of local concerts. Under the new management all musical events are now strictly University affairs and bringing the first in the field is the early publication of their program their success is assured.

Next year promises to be important in musical circles as marks the one hundred anniversary of the birth of the great musician, Mendelssohn. Music composed by him will make up a large part of the program. The concert to be given by the Choral Society will probably be his famous "Elijah."

There will be a number of band concerts and informal dances, as they have proved to be popular among the students. The year's program as arranged by the council stands as follows:

- November 13 - Band Concert and Dance.
- December 11 - Band Concert and Dance.
- December 17 - Concert by the Choral Society and Orchestra.
- January 15 - Band Concert and Dance.
- January 28 - Choral Recital.
- February 19 - Band Concert and Dance.
- March 11 - Choral Recital.
- March 19 - Band Concert and Dance.
- April 8 - University Orchestra Recital.
- April 16 - Band Concert and Dance.
- May 6 - Ontario by the Choral Society and Orchestra.
- May 14 - Band Concert and May 26 - Choral Recital.

Track Picture Tomorrow

The annual picture of the Iowa track team will be taken tomorrow afternoon at 3:30 o'clock at the Army Armory.

STUTSMAN WILL GO TO CONFERENCE MEET

At the last meeting of the Music Council a complete program for next year's local musical events was approved. Those in charge expect much to be gained by the early publication of this program, as it reduces the chance of failure to a minimum. Confident dates with other University affairs has in the past done much to prevent the success of local concerts. PERSONS OWNING SUBSCRIPTIONS ARE REQUESTED TO CALL AND SETTLE PROMPTLY.

Great work has been accomplished in the past year by the Iowa City Rifles. A trip which has come has been the most successful year. A trip to the Olympic Games in Berlin was held recently. It was the most popular trip of the year. The Greatest Games.

Two regiments were formed which were the most effective ever undertaken and great benefit was derived by both the men and officers.

The greatest good, though, which has come has been the training of an efficient corps of officers and men. This was clearly brought out at the Government inspection, which demonstrated beyond a doubt that the University Regiment does things.

COMMUNICATIONS

This soon after the state meet the "critics" are busy. They are meeting on their demoralization at the track team and coach. Instead of praise for the real effort made by the men, they have nothing but knocks for them. It is a deplorable fact that Iowa today has over 2,000 students should have but a dozen men trying for its track team. What is in the matter with the system? Is it the cry, but what is the matter with our loyal (?) student body that more men do not try for the athletic teams? It looks as though Iowa students would much rather hang back, and_splitely pick pins than get out and do real work for their school.

"Poor old Iowa," with not a vestige of true college spirit, is becoming a real fact instead of a mere taunt of jealous rivals.

It is a fact that all Iowa teams are better equipped and better cared for than at any time in the past. Now we have a coach and skilled assistant and Larbers, whereas formerly we were unfortunate to have one man to direct them. Financially, athletics are prosperous, in contrast to the bankruptcy of the past. Now we have good schedules with big teams as against the little state games and meets of former years.

In the face of all this it would seem that the "system" is accomplished something, and the fault for losing teems lies elsewhere. Is the student body of Iowa going to merely submit to being branded as a lot of "yellow," apologies knockers? If not, let them bestir themselves and do something and not bow and gutter when a man earnestly working on the track happens to pass a group of students leaning around the baseball play.

Iowa athletics and Iowa spirit are the laughing stock of the states and it is up to the students to remedy conditions. M.

DR. H. HANSEY IS GOING EAST Professor Will go to New York City for Æ. Dr. L. H. Hansey, who has been associated with the University for the past few years, has been granted a leave of absence by the Board of Regents for the summer. During this time Dr. Hansey will take up the work of the bureau of the Municipal Research in New York City. His work will commence there on July 1st. During the winter months he will deliver a course of lectures on corporation finance in the New York University.

Dr. Hansey has been associated with the College of Political and Social Science and has been teaching classes in transportation, corporation finance and economics. He has been successful in his work and after the continued research in New York City will return even better equipped for his position in the University of Iowa. During the coming year Dr. Hansey's position will be filled by the other professors of the department. He will be aided by Mr. Gillis, whose services have been retained. A. E. W., also will be his former position.
