GREAT PROGRESS OF ENGINEERING COLLEGE

Attendance Has Tripled in Four Years

Over $12,000 Worth of Equipment Has Been Added

by JOHN C. PARISH

President of the State Historical Society

In the preceding year, a large amount has been expended in the construction of new buildings on the campus of the University of Iowa. This growth of the engineering departments, during the current year, has been a continuation of the exceedingly rapid growth of recent years. Four years ago there were about seven students in the School of Applied Science, while last year there had been registered during the current year in the College of Applied Science. There were then seven professors and instructors of all grades in instruction to engineering students; now the number is fifty-six, seven having been added during the last year.

Some amount over $350,000 worth of new equipment has been added during the current year. Of this amount, $8,750 has been expended in the electrical laboratory, making it one of the most complete laboratories in the United States. This amount has been expended in the electrical laboratory, making it one of the most complete laboratories in the United States. This amount has been expended in the construction of a new laboratory.

The extension of the Engineering Department will be completed ready for occupancy with the opening of the college in September. This extension will double the size of the present building.

Preparing for the annual exhibition of the career of the college in September. The extension of the Engineering Department will be completed ready for occupancy with the opening of the college in September. This extension will double the size of the present building.

PREPARATIONS FOR ANNUAL SENIOR HONOR

Committee Busy Getting Ready for Party

Parish will go abroad

To Engage in Research Work for Twelve Months in Spanish and French Archives

John C. Parish, assistant editor of the State Historical Society, has been granted a year's leave of absence by the Board of Directors of that society for the purpose of research work abroad in Spanish and French archives concerning the Mississippi Valley.

The committee that made the arrangements for the visit to the Mississippi Valley will be held at the latter part of the month of September, or at the beginning of the next fiscal year. The committee has been appointed for the purpose of obtaining information concerning the Mississippi Valley.

At a recent meeting of the Senior Honors committee, the arrangements for the last formal party of the year were completed. The committee decided to hold an open house for the greatest assembly with a leap of $21,000.

The committee set the time for the grand march at 7 o'clock. The party will extend to the grand march at 8 o'clock. The program will be performed and will be especially suited to this year.

The committee set the time for the grand march at 7 o'clock. The party will extend to the grand march at 8 o'clock. The program will be performed and will be especially suited to this year.

PARIAMSGO TO TOURNEY IOWA WINS CLOSE GAME FROM GRIMMEL

The following pairings have been set for the open tennis tournament, which starts tomorrow on the University courts. The tournament committee urges these to make arrangements as soon as possible for playing their matches.

GEORGE LAXFORD CHOSEN PREZ

George Laxford Chosen President of the Senate

At the meeting of the Senate, held at the office of the Senate, President, 2nd. A. G. M. C. L. T., the Senate was elected president for the term.

The Senate was elected president for the term.

The committee set the time in the closing line on a splendid two-bagger by Johnson. He scored on the following base hit by a double and a single. The next man put out and the side retired with only one run.

The next man hit by Bachtel and Bachtel and Sutherland was a good one with the honors even with the exception of the third inning. Captain Kirk caught a magnificent fine in the game in his first at bat and he is now in Iowa college baseball.

The Hawkeyes easily defeated Drake by a score of 7 to 1 last afternoon. Burrell was in splendid form and the men behind him added to the winning streak. The feature of the game was the two-three game of Gillinger's with the base hit. The men from Drake had a look into the game in their first at bat, and they were classified in every respect by the Hawkeyes.

Following is the score:

IOWA IOWA
15 --- 7

ATTENDANCE AT THE UNIVERSITY

The Hawkeyes easily defeated Drake by a score of 7 to 1 last afternoon. Burrell was in splendid form and the men behind him added to the winning streak. Summer Duties

Well, well, here we are again, the first days of summer—good old summer time.

Although you have bought your new straw hat yet? If so, what did you think of it? Wasn't it a better price? How do you afford to do it? Well, you see, we buy an awful lot of them to supply our big store, We can therefore demand a little more trimmings and a little better finish; and can afford to sell them quite a bit cheaper. I guess that's the real reason our prices are always the lowest on everything. Then you get your purchase "insured" without any extra cost and get every cent you paid for it back or a new article if it doesn't give perfect satisfaction. Now, get busy and speak a good word for us to your friends. This may be paying long prices to some "in the rut" store, and it's up to you to put them wise to the live wires.

NOTICES FOR SENIOR COMMEMORATION CARDS

May Get Them From Dean's Office

Tickets for the commencement exercises may be secured by the seniors from the offices of their respective deans according to a notice given out from the administrative offices. There are the following exceptions. In the College of Law the tickets may be obtained of Nile W. Jones in the library. In the College of Dentistry the seniors may secure them at the clerks' offices in the Dental building. In the College of Medicine (including nurses) from the office in the University Hospital, and in the College of Homeopathic Medicine (including nurses) at the office of the Hospital of Homeopathic C. M. Croo.

After June 15, the graduates may get the tickets at the alumni headquarters in the College of Liberal Arts building in the ladies' reception room.

Marshall Laws Hold Banquet
Friday night the Marshall Law society held its annual banquet at the Olympic restaurant. Clement J. Welsh acted as toastmaster. Toasts were responded to by A. L. Reeburg, F. X. Harsch, M. C. Coughlin, Miss M. L. Benson, E. L. Edmundson, W. E. O'Brien and J. R. Lack. The affair was a huge success.

Music Recital a Success
A music recital was given by the University School of Music at the Science Hall auditorium yesterday afternoon. Only the most advanced pupils took part. The following people appeared on the program: Agnes G. Flamigan, Vera Jackson, Mrs. Barth, Esther Daily, Ethel Denton.
