MANY NEW MEMBERS ELECTED TO FACULTY
MANY APPOINTMENTS ARE MADE

Several Changes Made ByDean in University Staff of University.

Changes are numerous in the University of Iowa faculty this fall. Almost every college of the University will have new professors, assistant professors or instructors, and the students will notice many missing fac-

ulty members at the start of the year.

Designations, marriages, etc., erroneously depleted the ranks of the University staff by springing and during the summer. The Board of Regents at its last three sessions has filled all the vacancies and made new followings. The list of new members of the faculty: Professor Sherman M. Woodruff, new se

lectors, professor of humanities and English, acting head of the department of mechanical engineering; George M. Bumby, assistant instructor in Latin; Gertrude Johnson, instructor in Public Speaking; John E. Boyington, instructor in Steam Engines; and E. Keller, instructor in shop work; John H. Dunlap, instructor in surveying and geometry; Arthur Warren Hinsson, instructor in mining and milling; and William E. Miller, instructor in Mathematics B. A. '06, Tenn. M. A. '08, Chicago.

Charles O. Stewart, instructor in Romance languages; J. C. Me Pore, demonstrator in anatomy and embryology, M. D. Western University; Frederick A. Hall, assistant instructor in chemistry, B. S. in Chemistry 1898, Pennsylvania State; Frederick M. Denton, assistant instructor in chemistry, B. S. in Chemistry 1898, Pennsylvania State; Louis M. J. Bumby, assistant instructor in German; Herbert William Krueger, instructor in German; William M. Stewart, assistant in education; George H. Mood, assistant in education; and Wallace B. West, assistant in education; Francis L. Schleicher, assistant in Greek, M. A. '98, Wisconsin.

CLYDE WILLIAMS - RECENTLY MARRIED
Wedded to Miss Jessie May Rider of Cedar Rapids.

Clyde Williams, L. A. '00, D. '01, one of the most popular students of the University of Iowa, was married September 3 to Miss Jessie May Rider of Cedar Rapids. Williams is the present coach of the Ames athletic teams. He and Miss Gertrude Block, a team mate on the famous 1900 team, are assistant coach at Ames.

Satistactory early registration, a larger faculty, improve-

ments in buildings and the continued prosperity of Iowa City business interests indicate that the University of Iowa will ex-

perience a banner year in the Rapid Gazette days.

The start of the new law building, the successful pro-
made in beautifying the course of study of Iowa Field and the completion of the new Engineering Hall are a few steps in the re-

Building work that was an optimistic prediction for the school year.

The attrition of students began this first week of the fall term and incoming trains have brought good-sized numbers of new Iowa City residents since.

A marked feature of this yearly migration is the large number of old students who came back early.

"Inductions seem to point to a larger and more prosperous year," said Register Editor E. B. Curtis yesterday. "I had many inquirers during the summer and although it is difficult to know how many of the prospective students will register, I believe that the University will have a satisfactory attendance this year."

Representatives of the Y. M. C. A. and the Y. W. C. A. are meeting the new students as they reach the city; they show them around the city, tell them that they are properly registered, assist them in securing work.

Close Hall, the home of the two first-year universities, has been thoroughly remodeled during vacation, and there is every indication of great activity among those two organizations during the coming school year.

For the first time since the University Library moved to its present quarters, a group of professors is moving to their offices in the new building.

The professors are the Dramatic Club, Political Club, Reader's Club, Writers' Club, Ethnological Society, Alliance Praxinae and the Pi Beta Phi Fraternity.

For three years Miss Jacobs has been leading the roles in the Dramatic Club plays and those given by the Ethnological Literary Society. She is otherwise known as a serious and enthusiastic desire to become actively engaged in association work is gratifying to those in charge.

Miss Jacobs is a member of the University Library.

FOOTBALL PROSPECTS BRIGHTEN IN YEARS
MANY PLAYERS RETURN FOR PRACTICE.

With a good number of "I" men in the squad and plenty of eligible material the prospects for a most successful gridiron campaign at Iowa are the brightest in its history since the famous 1900 team. A good schedule is fully completed and every effort will be directed toward whipping into shape an eleven that will hold the record and be the best team in the middle west.

Already fifteen or twenty of the candidates have arrived at Coach Carr's order that there be no practice on Iowa field until the 21st has been observed.

The players have booted the big skin around every effort is to be made by the management of the football team. A good game is of the utmost importance to the success of the campaign.

In order to avoid all appearance of favoring on the letter of the rules the proposed football camp on the Iowa River was abandoned.

It was originally the plan of Coaches Carr and Griffith to have the squad spend a week up the river purely as a pleasure party for the purpose of getting the men better acquainted with one another. No football practice was to be held. The scheme was dropped last week after a conference with Captain Kirk.

Capt. "Chick" Klok weigh-

ing 196 pounds after two weeks hard work on a farm led the University of Iowa. The University arrived in the city the first day of the week. Stittman spent the summer in Iowa City and "Pork" Hazard, the sturdy full back, is a resident. Han- brough, the captain, is among the early arrivals. The hospital squad started almost immediately as Curby had a breast bone right

WELCOME.
With this issue of the Daily Iowan the school year jornal begins. We wish you a hearty welcome to Iowa Field. The University is facing another prosperous year; it will be bigger and better than ever before—in fact, one step nearer the Greater University. The Iowan will endeavor to keep pace with the progress of the institution. In welcoming the college-going public, we again wish to pledge ourselves to remember the old motto "The greatest good to the greatest number." This year the paper will be printed by the Iowa City Citizen, and, as the plant has not been completely installed in the new location No. 27 East Washington street, next door to the old office, we ask that the reading public be patient and understand this transition until we are fairly established.

A LECTURE COURSE.
The Forensic League has announced its second annual lecture course for the coming year. This course is a university affair and will receive the support of all university people. The proceeds of this series of entertainments are used in the support of the forensics work of the university, including debate, oratory and dramatic work. This year the League has increased its course from five numbers to ten, and has secured some exceptional talent. The course will continue until the close of the semester, as it deserves a cordial support.

The student public and their friends are respectfully requested to call at the Des-#en China Store on Monday for an announcement of tickets which may have returned for the first time to our city. We extend you the hand of fellowship in the twin ends of the success of all and assure you that from a business standpoint we will guarantee you satisfaction and reliable service.

Casket Uniforms.
Jos. Slavata, the popular student tailor, is prepared to take orders for casket uniforms at the very lowest prices, See him before you order.

Special Edition Sunday.
On Sunday morning the Iowans will issue the annual special freshmans edition with signed articles by President George E. Mac Leery, Professor H. A. Gruen, on behalf of the debating interests, Coach Mark Catlin, for the athletics, Secretary Harry L. Hallwitz, for the Y. M. C. A., and Miss Irene Gilchrist will write a word of welcome for the W. C. T. U. There will be other features of interest for the first year men.

Cement BLEACHERS ALMOST COMPLETED.
Fine Addition Is Made To Iowa Field.
Work has been almost finished on the new cement bleachers on Iowa Field. During the coming summer have been busily engaged in construction of the substantial stands and they will be entirely completed by the time of the first game with the alumni on October 3.

The new section is the first part of a series of stands which will be built on Iowa Field as fast as the necessary funds can be obtained. Both sides of the gridiron will be lined with the permanent stands within the next few years.

With a seating capacity of 6000 persons the new bleachers will facilitate the handling of the big crowds which will attend the Kansas, Nebraska, and Drake games.

SPECIAL PRICES ON SEASON TICKETS.
Low Rate is Made by Athletic Board.

Admission to the five local football games this fall will cost the student who buys a season ticket $2.25, otherwise the price of single admissions will total $4.25.

There are five games to be played on Iowa Field this fall. They are the alumni, Ohio, Nebraskas, Drake and Kansas games in the order named. The athletic management has made the announcement of the special cut early so that a large number may be sold. The tickets may be obtained at the old Capital building until October 3d.

Hubbard at Drake.
Hubbard, the star sprinter on the freshman team two years ago and last year at Drake University decided to stay in Des Moines this school year. He will be eligible for the Drake team this fall, as the fact that he is registered in the School of Music does not disqualify him.

Hurt in Colorado.
Mr. Percival Hunt, of the department of English, spent his vacation in the mountains of Colorado.

Learn To Dress From Us

Students, Old and New, we greet you with the best wishes for the year 1908-09. In the Half Century of this store's history there have been many thousands of students passed in and out of the State University of Iowa, but never has there been such promise of a happy, profitable year as that which is now opening. We congratulate you upon being a part of it and present to share in its possibilities.

WE TEACH YOU DRESS ECONOMY

Our part in your University Course will concern you in every part of your life and calling for we teach you how to dress to get the best effect at the least cost. No one contends that it is economical to dress miserly. The economical dresser buys the best and buys it in season. Cultivate your individual taste and that can always be best done where you find the largest stock of Up-To-Date goods.

Stein Bloch Clothes

This is a make of clothing that has formed a part of our stock for many years. The man who wears a Stein-Bloch Suit or Overcoat or Crew-ette wears a garment which he may be assured is the epitome of high-grade materials and intelligent workmanship.

This season we are proud to show the product of the Stein-Bloch tailors in the most complete assortments. We make a specialty of fitting with a Stein-Bloch suit, the man who, because of his build, usually has trouble in his dress. The style is right and the price is right. Try Stein-Bloch.

We specialize the, newest and best in hats for men. We can help you better than any others in that delicate task of fitting your head and face both.

STETSONS AND KNAPP-FELT

If there is one name entitled to royalty in the world of hats for men, it is "Stetson." Remember always that the newest Stetson styles will be found at this store.

$3.50 and $5.00

College Brand Suits

With the young man with a taste for the classy and seasonable, College Brand suits have steadily become more popular. College Brand tailors are the original designers of the taking "fads" in men's clothes, not merely in style, but in shades as well.

When you see the College Brand suits we are showing for the autumn of 1908 you will be convinced of all we say about these clothes. We have the sizes here to fit you and your taste must be exquisite indeed if you cannot find in our assortment of colorings one to suit you.

Cadet Uniforms to Fit

Mr. Freshman, you will have to buy a cadet uniform. There are two things to consider in the selection, viz., fit and material. A uniform bought of us will be approved unquestioningly by the military department. It will fit you because made by our own tailors and cut by an expert. The materials are the proper shade of blue and will hold their color through long hard use. Get your order in early and have your uniform in time.

STUDENTS AGITATED OVER REGULATIONS.

Fear Effect on Literary Societies.

Much interest is being manifested by the returning students in the new social regulations which came into effect Monday, and there is much speculation as to what the outcome will be. Although the majority seem to be of the opinion that eventually the changes will work good for the school, at present it is the literary societies that are concerned about the matter, and many forensic workers express the fear that the new rules will cause a falling off in attendance at literary programs.

At one of its last meetings in the spring, the University Senate decided that beginning with this fall, no social functions shall be given except on Friday and Saturday nights, and nights preceding holidays. This rule includes dances, parties, and the like. The limiting of social functions on these two nights is causing the various social organizations to become decidedly active in securing halls and buildings for the coming season.

Two exceptions to the above regulation will be made. If an organization has a regular night for an annual dinner, or gathering, and there are reasons why such a night should be retained, special permission for the function will be granted.

Also, if an organization has as its guest a distinguished visitor, who finds it impossible to remain in the city on a Friday or Saturday evening, such organization will be allowed the privilege of giving honorary functions.

The rule that all parties, except the first class parties, must be concluded by midnight will also be enforced. The junior, sophomore, and freshman parties must conclude by two o'clock a.m.

Regarding parties attended by the men and women of the university, the rule will be that approved chaperones must be present. Boating will come under the rule of social calls, and couples on the river after ten o'clock in the evening will come under the disapproval of the social committees in the same manner as those who makes calls after that hour in the evening.

A Minstrel Show With New Features.

Novelty and Merit are the prominent features of the popular Hi Henry Big City Minstrel Aggregation of fifty all white star performers, which appears at The Coliseum tonight.

Every requisite essential to a first class program is guaranteed, and amusement lovers will have an opportunity of enjoying one of the best entertainments of the season.

YOU notice how dressy, stylish, distinguished in clothes, some men always look. Do you know how they do it? They buy their clothes here; that means all wool, perfect tailoring and correct style to begin with. They buy in addition to a fancy weave suit, a black Thibet or Cheviot, or a blue serge; and occasionally change off for a week, get the suit they’re not wearing pressed, give it a little rest in the closet, and then put it on fresh, and new looking.

You can do that, and you should do it; it’s clothes economy. We are sole distributors of Hart, Schaffner & Marx and Hirsch Wickwire Clothing.

DEAN C. N. GREGORY RECEIVES HONOR

Elected President of Law School Society.

Charles N. Gregory, Dean of the college of Law, was solemnly honored this summer by being elected president of the American Association of Law Schools at the annual meeting in Seattle, Wash. The election was the more noteworthy because the nominating committe was composed of the chief justices of the Connecticut supreme court and Yale and Harvard professors of law.

Dean Gregory later made an extended trip through the west, returning to Iowa City last Monday.

GOOD ADVERTISEMENTS AT BILOU THEATRE.

Manager Pokor Opens House With Fine Bill.

Music lovers receive a treat at the Bijou theatre this week for the opening bill included two good goody two shoes musical numbers. To start the year Manager Pokor secured Miss Gladys Midfield from the songs who scored such a hit last here last year, Geo. Snowley, "the king of stringed instruments," and a clever comedy sketch by Mitchell, Willard and McCarthy. The reviews were exceedingly well received. Manager Pokor announces that he will enter student pictures for the year especially and with that end in view has already booked several sketches, farces, etc., dealing with college life.

The opening bill continues all this week, the acts are changed from those given the first three nights. The musicians are playing on different numbers and "The Wrong Mr. Wright" is the name of the new sketch.

DUNLAP APPOINTED TO GOOD POSITION.

Acted As Magistrate During Summer.

Mr. Walter H. Dunlap, who is an instructor in civil engineering in the State University, was appointed this summer as magisterial observer for the United States Coast and Geodetic Survey. He visited some twenty-five cities in Iowa this summer with a few in Illinois and Minnesota. The object of his work was to determine the intensity and direction, both horizontal and vertical, of the earth's magnetic field. It is well known to surveyors that the magnetic needle points in only a few places to the true north, and that, moreover, if left to swing freely, it would point somewhat downward rather than horizontally, giving what is known as the magnetic dip. The declination of the needle from the true north, and the amount of its dip, what was determined by Mr. Dunlap. The result will be of value to surveyors, may occasionally indicate the presence of magnetic bodies, and will contribute toward the determination of the earth's magnetic laws.

Augusta Brown Has New Position.

Miss Augusta Brown, L. 0. 0., has been selected general college secretary of the state of Iowa for the Y. W. C. A. to take the place made vacant by the death of Miss H. H. Hinshaw of Des Moines.

Room Ads A Specialty.

The Daily Iowan will make a specialty of advertising rooms for rent this fall. The management has advertised that special attention will be given to such advertising and solicits the keepers of rooming houses to bring their advertisements to the Iowan office, or phone them in, either phone No. 229. A rate of five cents a line has been made.

Religious Education in The University.

This year six courses in the subject of religion will be given in the classes of Iowa City. The following are arranged for this semester:

The Literature of the Bible, Rev. L. C. Clark, Monday, Wednesday, Friday, 4:30, room 204, L. A.

Present Day Religious Problems, Rev. C. C. Rowson, Tuesday, Thursday, 8:00, room 213, L. A.

These instructors will be glad to consult students about their work and may be seen at 213 Liberal Arts Building Friday, Saturday, Monday, from 10 to 11. These are all credit classes.

Grinnell Has New Coach.

L. H. Andrews for two years a tackle at Yale, was recently elected coach of the Grinnell football team. He arrived this week and immediately issued the first call for the Snap and Black squnad. Iowa will not play Grinnell this fall as the original date left on the Iowa schedule, October 10, was filled by Nebraska, on the Grinnell list of games.

Baptists To Meet Here.

The Davenport Baptist Association will meet with the Baptist Church of Iowa City, of which Rev. J. H. Hargreaves is pastor, on Tuesday and Wednesday, September 29-30. The date of the meeting was changed because of the large number of Baptists in University who could not have attended a meeting earlier in September. Rev. Johnson Myres of Chicago, will attend.

PERSONALS.

Mr. Paul H. Clair, 19, will join the Iowa band this fall.

Mr. Randolph Marshall of Des Moines is in the city looking after business interests.

Miss Irma Westenhaver, L. A. '09, who has been seriously ill, is reported as improved.

Miss Frances Hove is visiting in the city. Miss Hove will return to the coast with Miss Hulse.
COACHES PURCHASE BEAR FOR MASCOT.

"Burch" Will Bring Good Luck to Iowa.

"Burch," a five and a half month old bear cub weighing fifty pounds, is the mascot of the Iowa football team. It was purchased by Coach John Middleton of the University of Iowa, by Coaches Cuttine, Grif fith and "Buster" Brown. The bear will be imported straight from Moscow, Idaho. The inscription on the express box was as follows: "I am going to be a mascot of a football team. When you have a little free time give me milk and food."

This with the name painted on the box and the tag showing the cub's destination brought "burch" safely here.

That "Piano Advertising Plan" from Iowa

Pulls Prosperity out of a lean business caused by shortage of crops, panic, strong competition or bad location

A WONDROUS WINNER—NEVER FAILS—CAN'T FAIL.
The piano costs you nothing—Your competitors pay the bill and YOU reap the profits—all the way from $50 to $10,000.

That's what my patrons testify. Let me show you

Merchants. Manufacturers. Publishers all brilliantly succeed

The Cote Piano

A perfect instrument...I sell it to you at a moderate price, but no $100 instrument has richer tone, more perfect action or a longer life than the Cote. Used in a thousand homes. Well and favorably known everywhere. Splendid workmanship throughout and bureau­
tifully finished.

And let me tell you it would be suicidal for any merchant to give away a cheaply made, inferior pi­

nion to one who wants to reap a permanent benef from the enterprise.

Used by Merchants, Manufacturers and Pub­

lishers, large and small, and always wins.
