For Me

This is the 23rd year that I have stood up and yelled for Stewart's Shoes

-23-

"Don't you suppose that, after selling SHOES to Iowa Students for 23 years, Stewart knows what's in good shoes?" The Fall Stock is bigger and better than ever. If it's new, you'll find it at STEWART'S.
Cadets, Attention! Dress Right!

FOLLOW the column of cadets marching a double quick pace to this store for their uniforms. The throng is a common thing at this store each fall for we fit out every one with a suit of clothes that is a credit to him.

The Best Materials

Are the only kind we consider good enough to put into uniforms. The weave is close and firm and all trimmings and linings are guaranteed to stand long, hard service. You won’t go wrong in coming here.

This season we are proud to show the product of the Stein-Bloch tailors in the most complete assortments. We make a specialty of fitting with a Stein-Bloch suit the man who, because of his build, usually has trouble in his dress. The style is right and the price is right. Try Stein-Bloch.

The Best Made

Our Merchant Tailor

Our merchant tailoring department is known to the best dressers in the university as always reliable.

Come in and look over the autumn patterns including the late browns, plaid, smokes and all the new colorings. We guarantee the materials always right and the price the lowest consistent with high-grade work.

College Brand Suits

With the young man with a taste for the classy and seasonable, College Brand suits have steadily become more popular. College Brand tailors are the original designers of the taking “fads” in men’s clothes, not merely in style, but in shades as well.

When you see the College Brand suits we are showing for the autumn of 1908 you will be convinced of all we say about these clothes.

We have the sizes here to fit you and your taste must be exquisite indeed if you cannot find in our assortment of colorings one to suit you.

NOTIONS IN NECKWEAR

We take no little pride in the neckwear our customers appear in. This part of a man’s attire is the most conspicuous about his person, and cannot be selected with too much taste.

You cannot go wrong if you select your cravat from the modern styles we are showing.

"Having a Freshman" was the feature act of the week, still at the Bijou Vaudeville theater last night. This act was especially pleasing to the students. The act is a comedy sketch produced by Eugene Mar and lasts twenty minutes. This is the first act of a series of five that Manager Harry Poock has booked for the local vaudeville theatre this school year. It took about the first week in school is usually, the time for rivalry between the students, Manager Poock arranged to have the "stunt" put on at the Bijou this week. Donald Robertson and his company gave a splendid performance of "Milton's Comedies" at the Colored vaude house last night. Supported by William Moore, one of the members of the cast, the presentation was highly amusing.

Weight Men Get to Iowa. Iowa has added the third premier weight men of the state. Alderman of Marion, and 180 lbs. in the Grove and O. L. Dean of North Des Moines. The coming of Alderman was something of a surprise. Two years ago one of the teachers in the Marion high school said that he was coming to Iowa, but he stayed to Lake Forest last year. Alderman holds the Iowa high school record in the weight and discus.

PLANS FOR HIGH SCHOOL DEBATES

The State Committee Issues Program

The third annual statement of the Iowa high school debating league for the coming 1908-1909 season has been issued by the executive committee at the State University of Iowa. This committee is composed of Professor H. E. Gordon, professor of public speaking at the university, and Superintendent L. G. Focht of Eagle Grove and Superintendent W. O. Bidwell of Des Moines. The proposition for debate for the coming academic year is as follows:
Resolved, That the Federal government should have exclusive control of all corporations doing interstate business constitutionally granted....

The announcement contains proposed outlines of both the affirmative and negative sides of the motion, together with a list of references. The constitution and by-laws of the high school debating league is also in the book.

The district directors are: Northwestern, Bay Bays of H. D. Dodge; southwestern, J. H. Bevier of Mississippi Valley; southeastern, D. M. Kelley of Cedar Falls; northeastern, F. P. Pate, of Burlington.

Last year, which was the second of existence for the debating league, twenty-six schools were entered and took part. The state was divided into four districts. Fort Dodge won the championship in its district, as did Missouri Valley, Cedar Falls and Burlington, respectively, in their divisions. In the semi-finals, Fort Dodge won over Missouri Valley and Cedar Falls over Burlington. This made Fort Dodge the champion of the west, half the state, and Cedar Falls of the eastern half. The two schools met in the final at Iowa City. Fort Dodge won the championship in this debate. The following high schools entered the contest: Northwestern district—Albion, Cherokee, Eagle Grove, Fort Dodge, Le Mars and Webster City; Southwestern district—Arlton, Ames, Bertha, Clarion, Creston, Missouri Valley, and Winterset. Northwestern district— Eldora Falls, Grundy Center, Denver, Waverly, and Waverly and West Union. Southeastern district—Burlington, Grinnell, Iowa City, Muscatine, Washington and West Liberty.

For Sale—Good second-hand range with reservoir, 100 season of debating has Phone 47 and 106; E. S. Bidwell, 316 S. Dodge street.
