**SCHOOL OF MUSIC ENJOYS PROSPERITY**

**Higher Attendance Than Last Year**

All Departments Report Increased Attendance And Material Advances

"Present indications point to a greater university year in the School of Music," said Miss Effie M. Proffer, the head of the department, yesterday. "With a building re-arranged and the equipment enlarged, and with an enrollment larger than ever before we expect to make a real advance in our last year's work." The building has been re-poured and an addition of two rooms has been made. The studios have been fitted up and the practice rooms more attractive. In our department the students are given a greater opportunity for those wishing to get practical experience in ensemble work.

In the violin department are many new students this year and Mr. Smith anticipates a better year. The University band is being reorganized with more and better material, and the orchestra is at this time under the direction of the head instructor. There are many new students in the choir and Mr. Smith is looking forward to a better season of music at the University.

A large music study club will be formed under the supervision of Mr. Smith in both town and university and the band will be included. Many recitals will be given in the fall in all departments and the Saturday evening recitals will be continued.

A signal evidence of the influence of the music school is the fact that most of the church choirs of the city are under the direction of some member of the faculty. In the Methodist Church Miss Proffer is director and Mrs. Lawrence organist. Mr. Cox is director of the choir in the Mary's church, and Mrs. Lawrence is director and organist of the Baptist choir.

The formation to defend Kirk's drop kick was practiced by the variety last night on Iowa field. For the first time the reserve formed behind the taking the points of the Hawkeye bobber. However, Kirk planted the ball 15 yards behind the line during the course of the practice.

The formation to defend Kirk was as follows: Perkins, left end; Nixman left tackle; Siddles, left guard; Cox, center; Arlington, right guard; Connor, right tackle; Herdman, right end, Bruggman, quarterback; Collins, left half; Cobb, full back; and Kirk right half. Later in the signal practice Shrewsberry ran the team through last year's formations at top speed, and was taken to be the right man for the first few days, the men will be constantly shifted according to the announcements. The players on the track team were appointed a committee to supervise full track work including cross-country running.

TENNIS TOURNAMENT WILL BEGIN OCT.

Plains have been completed in a full tennis tournament to be played on the University tennis courts beginning October 1. The event will be open to students, faculty members, and faculty.

Prizes will be offered to the winners of the championship singles and doubles and the consolation singles and doubles winners also receive trophies.

The entries for the tournament may be made to Professor A. J. O'Rourke, Mark Giggin, or W. H. Horner. They must be in by Wednesday evening, September 30. At that time the drawings will be made for the opening round of the singles championship.

The freshman tennis players are, especially urged by the Tournament Committee to participate in the event. There is a dearth of variety tennis material and the enthusiastic amateurs are anxious to build up a tennis team that will be able to finish among the leaders in the Conference tournament at Chicago next spring.

A dual meet with either Coe or Cornell will probably follow the better tournament. W. H. Hamilton is desiring to get better schools and a match will be arranged in all probability.

PUSHBALL CONTEST

Huge Roll is Forced Over Eight Minutes Only Score of Co

Outnumbered almost 5 to 1 in the expectations, were the freshmen in the pushball game yesterday morning. Pittsburg, with 32 boys, and Iowa City, with 17 students, made an attempt at scoring a goal in the contest. But the result was a complete rout, with Iowa City scoring nothing and Pittsburg winning. The contest was so fast, but at the close the Pittsburg team was in possession of its own complimentaries and in a happy mood the proceedings ended. Without a doubt it was a “straight game” against which the Iowa City men were expected to make an attempt at breaking their opponents.

Girls' notice to the back of the green, that they had received notice, the Pittsburg girl in a friendly manner, and the number of cases were only a few. The girl, however, continued to watch the game and not to make any attempt to score a goal in the contest.

Horned Heads, of Coe was occupied by the head, and the card of major retired Capt. Hookins, the Ikha City no 4 a member of the front line on the field and carried to the sideline. The Indian was carried to the sidelines near a friendly manner.

Other states at the final crowd, the crowd of the girls about the field was not the same as the crowd of the boys about the field.

The contest started at 8:10, with the pushball at the city at the end of the game. The crowd from the stands to the field are not the same as the crowd of the boys about the field. The Indians were the ones to score first when the ball was put in the air and the ball went out of the crowd at the 4th and 5th. The remainder of the game was not in favor of the Indians.

After ten minutes, the ball was at the back of the Coe field and the ball, but only 25 yards from the edge of the field, the Indians made the first attempt at scoreing. The ball was then at the edge of the field and according to the ground.
