The Good Clothes Goal
--is the one towards which we are striving. We have the ball and are making big gains every season. For instance, see where we are this fall.

We are showing a happy selection of fall and winter suit made for us by the Stein Bloch and College Brand tailors. You can trust their taste in the use of shears and fabrics and likewise our taste in fitting you. We invite your inspection.

Suits $10 to $25

Still Selling Uniforms

**The Chicago Glee Club**

Father Cleary, "the Passion Play" illustrated by the stereopticon.

**Minneapolis Symphony Orchestra**

Charles Norman Granville, Baritone.

**INSPIRATION**

This is no "dry as dust" chautauqua course. Its quickening power will make you know, Live, Think and Feel. Our performers are chock full of red corpuscles and "Pep" of the Griffith Brand. Everyone hits the low line and hits it hard. Are you on the wire for a season ticket?

**RECREATION**

You are here for education (presumably) but you will need recreation to do your best work. You can attend six splendid entertainments at less cost than the admission to one good show. There is here everything that you will find at the theatre and something more. You will spend six pleasant evenings and little money.

**EDUCATION**

The entire educational value of a college course is not found in the work of the Class rooms; there is much for the student in the social contact with these men as well as in taking advantage of such intellectual treats as this course affords. There is something here for the music lover, the student who would like to see the inner workings of higher learning, the student of politics, the admiral of the drama, and all those who enjoy beautiful mental exercise, entertainingly presented.
