**BRYAN CLUB WILL HEAR W. J. BRYAN**

**LOCAL DEMOCRATS PLAN Trip TO CEDAR RAPIDS**

Student Organization in Arranged For Democratic Primary Campaign

Excitement is not lacking among the democratic students in the university. The Bryan club, which was organized last year, has been revived and already several entertainment meetings have been held. The presence of William J. Bryan at Cedar Rapids last summer has so excited the political supporters and has so much enthusiasm for the local club that arrangements have been made to charter a special car on the Iowa City and Cedar Rapids Road for the election meeting. The club will go to the capital in a body, together with much post election excitement and this year's candidates for state and congressional offices.

About twenty-five members of the club have been on a campaign trip to Cedar Rapids. Mr. Walsh has presented the university club with a large Bryan and Biddle autographed book, which will hold their proceedings during the campaign. Arrangements are on foot for a joint meeting of the city Bryan club and the university club. The event will be a good one in democratic circles and is looked forward to with keen interest.

As yet no definite arrangements have been made for securing speakers, but it is expected that one or more speakers of national importance will visit Iowa City during the campaign under the auspices of the local club.

A meeting was held in the Liberal Arts assembly hall yesterday afternoon, at which final arrangements were made for the trip to Cedar Rapids. A committee was appointed to arrange for a banquet to be held at some time near the future.

**Return of Alumni**

Rev. Albert Loughridge, L. A. '71, and his wife, Elizabeth Griffith Loughridge, are returning to Iowa City from Chicago where Mrs. Loughridge has been attending to hospital treatment. It will be remembered that Mr. and Mrs. Loughridge spent many years in missionary work in India. Both have hosts of friends in Iowa City and it is hoped they will visit here before going to California where they plan to make their home for the past several years.

**Juniors for Mease**
