Clothes Above The Common

It has been our custom for years to deal in clothes that are different—clothes that are not like others because they are superior.

A Suit With Air

It is as easy for a mechanic to make a neat piece of work as a poor one; a mechanic will do it as well today as he did yesterday, or he can do it better. He is as easy and cheap for you to wear a suit with style as an inferior one if you get it where they keep the good ones like you find here.

$15.00 to $25.00

Overcoat Ideas

The Overcoat season is before you and in order to insure yourself against being imposed upon by a neat season’s garment you should see the new ideas illustrated in our stock. Drop in and ask about the goods we carry in this line.

$10 to $40

Formal occasions call for special taste in dressing. You will find us equipped for all such events in every detail. We rent dress suits.

Save Your Soles

If you have worn shoes or run flimsy heels on your shoes and send them immediately to the Chicago Electric Shoe Co., on the southeast corner of Clinton and College Sts. Our expert men will recognize if shoes can last and you pay just for the job and cheap. Send in your shoes to-day.

Anything Less Than Perfection is Imperfection...

You are particular in choosing your physician; why not be particular in choosing your tailor!!

I can’t afford to make STYLE MISTAKES, because the customers for whom I exist can’t afford to WEAR them. My styles are always simple. They are not UPHOLSTERED like cheap over-stuffed furniture. It takes thousands and thousands of hidden stitches, skilful fitting and accurate measuring to produce

THE CONFIDENCE OF INDIVIDUALITY

—which give my customers personality and the feeling that their clothes FIT WELL and LOOK WELL.
