DEPARTMENT BASKET BALL STARTS SOON

SCHEDULE HAS BEEN ARRANGED
FOR THIS SEASON

Engineers Have Already Organized—
Medics Will Soon Elect Captain—
Gym Classes Next Week

Interdepartment basket ball will soon be in full sway in the university armory. Gymnasium Director E. G. Schroeder has practically completed the schedule for the fives from the various colleges and a strenuous race for the championship of the university will soon be on.

Already have the Engineers organized and elected a captain. Next Saturday a tryout will be held of all the material so that the best five players in the college of Applied Science may represent the department. The loss of Hoth, Negus, White and others will be sorely felt by the peppery players from this college. The Liberal Arts men will try out tomorrow.

As soon as the league is fairly under way the games will be played off more promptly than last season and it is hoped to finish by the end of the semester at the latest, possibly by Christmas vacation. This will give the eligible men among the department teams a chance to try for the varsity basket ball teams. It is expected that will materially strengthen the five which will represent Iowa on the basket ball floor this year.

Many of the candidates for the teams of the colleges have been practicing in the gymnasium practically ever since school opened. The merrle court has been occupied by two teams "chosen up" for a scrub game every afternoon.

Joint Meeting Planned

Plans are nearly finished for a joint meeting of the Iowa Society of the Archeological Institute, the Iowa Anthropological Society and of the Iowa Branch of the American Folk Lore society at the university during the first week of November. A lecture has been partly arranged to be given by Professor Montelius of Stockholm who is in this country delivering lectures at Boston, Chicago and elsewhere.

Another lecture will be given by Professor Kelsey of Ann Arbor, president of the Archeological Institute of America or by some other prominent archaeologist. A day will be given up to the reading of papers.

IOWA CITY LOSES TO GRINNELL HIGH SCHOOL.

Game on Iowa Field Ends With Close
Score of 6 to 5.

In spite of a muddy gridiron and disagreeable weather, Iowa City and Grinnell high schools gave a snappy exhibition of football on Iowa Field yesterday afternoon. According to the decision of the referee, Grinnell won by a score of 6 to 5. Iowa City protested against the decision, claiming that the visitors made their touchdown after the ball was legally downed.

The first half closed with no score but each eleven succeeded in tallying a touchdown, Patterson carrying the ball over for Iowa City and Creamers for Grinnell. Iowa City failed goal while Patton of Grinnell sent the pigskin over the bars.

The muddy field made the forward pass almost useless although Grinnell used it successfully three times in the last half.

In a curtain-raising game the Iowa City second team beat Columbus Junction high school by a score of 11 to 0.

Following is the lineup:

Iowa City:—C., Morton; I. g. Showers; r. g., Miller; I. t., Taylor; r. t., Goetz; I. e., Grimm; r. e., Tierman; I. h., Patterson; r. h., Payne; f. b., R. Miller; q. b., Keppler.

Grinnell:—C., Clifton; I. g., Dunn; r. g., Ashby; I. t., Pippin; r. t., Mears; I. e., Creamer; r. e., Carter; I. h., Spooner; r. h., Martin; f. b., Patton.

Engineers Elect.

The Junior and Sophomore classes in Engineering held their annual election of officers last Friday with the following elections:

Juniors—President, J. H. Condit; Vice-President, J. Geneva; Secretary and Treasurer, E. H. Bailey; Class Delegate, J. E. Griffith; Department Manager of the Hawkeye, G. C. Prier; Department Editor, P. K. DeVoe. The Sophomores' results follow:—President, M. V. Norris. Vice-President, J. H. Ravlin; Secretary and Treasurer, E. C. Gilbert; Class Delegate, F. J. McNulty.

New Church Dedicated.

The private dedication of the new Unitarian church at the corner of Iowa avenue and Gilbert street was held last night with the Rev. Dr. Elliotson of Harvard's president as the principal speaker. The beautiful new structure will be open today for the initial services. The Rev. Elinor Gordon of Des Moines will deliver a sermon on "Character and Culture".

GYMNASIUM CLASSES BEGIN NEXT WEEK

DIRECTOR SHROEDER MAKES
PLANS FOR INDOOR SEASON

Advanced Students and Faculty to
Have Classes—Volley Ball will
be Introduced

Plans for what promises to be the most successful gymnasium season in the history of the university have been completed by Gymnasium Director E. G. Schroeder. On next Monday the regular classes for the year will start.

Special attention will be given to the faculty classes this year. The professors will be given the gymnasium floor on Wednesday and Saturday afternoons from 5 to 6 o'clock and it is probable that all students will be forbidden the use of the gymnasium at these hours.

To interest more members of the faculty in physical exercises, Director E. G. Schroeder proposes to start volleyball, a game easily played and popular with both novices and experts. The usual basket ball, dumbbell and free arms movements will be given the professors.

Strictly in line with the progressive spirit of the department is the plan to start a physical training normal class. This will be composed of the "leaders", the gymnasts who are proficient in the apparatus work, etc., who wish to take advance courses in the training under Mr. Schroeder. They will be taught how to give physical examinations, administer first aid to the injured, etc.

Hesperian Program.

A unique program has been arranged by the Hesperian literary society for tomorrow evening. Following is the description of the event:

"The Ladies of Prætorville, having been honored by the legislature with the ballot, will hold a political rally in Hesperian hall Monday evening Oct. 2. The youth, the beauty, the wealth, and the sense of the town will be present under the banners of their social organizations.

Mrs. Meredith Brown, the major's wife, will preside. The Utopia Club will be ably represented by Mrs. Reginald Montrose and Mrs. Webster Knox, while Miss Abigail Prentice and Mrs. Elizabeth Cromwell will be the distinguished speakers for the Women's Culture Club. Other able townswomen who have expressed their intentions of speaking are Mrs. Peter Van Osterholt and Mrs. Maria Nevertakadrop.

All the ladies of the town are earnestly urged to be present and every one interested is cordially invited. Admission free.

DRAKE UPSETS "DOPE" DEFEATS GRINNELL 10 TO 0.

Harvard and Navy Tie—Nebraska

Team in a Fist Fight.

Drake sprung the surprise of the year in Iowa football by handily defeating Grinnell on a heavy field yesterday by a score of 10 to 0 in Des Moines. The odds in the betting favored Grinnell but Coach Griffith's men disproved the preliminary bear stories in a hurry.

"Morry" Kent's team was behind Nebraska 5 to 0 when a fierce fight took place ending the game. Quarterback Island was knocked unconscious. Carlisle tied Pennsylvania and the Harvard-Navy game ended 6 to 6.

Following are the results:
Drake 10, Grinnell 0; Northwestern 44, Beloit 0; U. of Pittsburg 22, Bucknell 0; Carnegie Tech. 11; Alleghany College 0; Yale 38, Washington and Jefferson 0; Williams 40, Massachusetts Aggies 0; Lafayette 8; Brown 6; Cornell 9; University of Vermont 0; Princeton 0, Syracuse 0; West Point 6, Colgate 0; Pennsylvania 6, Carlisle 6; Navy 6, Harvard 6; Rose Polytechnic 24, James Milliken U. 0; Bradley of Peoria 16, Wesleyan of Bloomington 0; St. Louis U. 4, Wabash college 0; Ames 26, University of South Dakota 0; Oberlin 12, Case 10; Michigan 10, Ohio State U. 6; Nebraska 5, Haskell 0.

Philosophical Club

The regular semi-monthly meeting of the Philosophical club will be held in Room 213, Liberal Arts, Tuesday evening, Oct. 27th. The paper of the evening will be read by Dr. C. E. Seashore, the subject being "The Men Who Write the Books We Read." All persons who are interested are invited by the club to be present. The meeting will open promptly at 7:45 p. m. 25-27

Y. M. C. A. Notice.

The members of the Volunteer Band will have charge of the Y. M. C. A. meeting to be held in Close Hall this afternoon at 2:30 o'clock. The association announces that an interesting program is assured and an invitation is extended to every man in the University.

Civic Club Meets.

Friday, the Civics Club of the university held a meeting and decided to meet the first Monday of each month. E. J. Wright and J. J. McConnell of Cedar Rapids, and Frank Jones of Lamoni were elected members. Rolfe Whitnall was selected a member of the executive committee.

IOWA'S SCORE IS 16 DESPITE HANDICAPS

MORNINGSIDE DECISIVELY DEFEATED IN MUD AND WATER

Helping Spirit Strong Factor in
Play—Stutsman Stars for Iowa
in Offense—Ball Slippery

(By A Staff Correspondent)

Sioux City, Ia., Oct. 24:—Handicapped by a heavy field and driving rain Iowa defeated Morningside here by a score of 16 to 0. Brilliant work on the part of Iowa's tackles, ends and backs, together with the strong helping spirit of the whole team proved too much for Coach Hollister's men, and, in spite of a field covered with water and ankle deep in mud, the Hawkeyes ended the game with three touchdowns to their credit.

Iowa worked the forward pass successfully five times, averaging ten yards on each attempt. Straight football, however, proved to be the most consistent gainer for Iowa and time after time Iowa's tackles charged into the Morningside line for good gains this play bringing each touchdown.

Stutsman was the star for Iowa making the last touchdown after three line bucks for an average of fifteen yards each. Collins did the best work for Morningside especially on defense. Whisman, the touted Morningside star, was not in the game.

Hyland and Smith were about equal in the exchange of points. Collins of Iowa, Fee and Hazard each circled the ends for twenty yard runs. Hazard did excellent work in returning punts. Carberry was switched to his old position at end and Stewart played quarter the whole game.

Following is the lineup:

Iowa	Morningside
Carberry	I. e. Waymack
Stutsman	I. t. Winterringer
Seidel	I. g. Stiles
Comly	c. Birdenbaugh
Hastings	r. g. Weatherby
Gross	r. t. Brewster
Hyland	r. e. McCurdy
Stewart	q. b. Rogers
Collins	I. h. b. Rogers
Fee	r. h. b. Collins
Hazard	f. b. Smith

Officials—Umpire, Adams; Referee, Flower; Head Linesman, Modeste. Time of halves, 25 and 15 minutes. Substitutions, Thomas for Collins.

Summary—Touchdowns, Gross (2), Stutsman.

Irving Institute elected the following new men last Friday evening: Richard Mitchell of Fort Dodge; Morris Breen, of Fort Dodge, and G. E. Osmundson, of Cambridge.

HUMANIST LECTURES.

In connection with the announcement of Professor Flom's lecture tomorrow afternoon it will be of interest to trace the general plan of this year's course of Humanist Society lectures. The first lecture last week by President MacLean defined "Humanism" and indicated in a general way the application of the study of literature and cognate branches to the affairs of life. Professor Flom's lecture will emphasize and explain the supreme influence of language, the basic element of literature, in civilization. Professor Wilson's lecture will discuss the relations of literature to life, while Professor Eastman will consider especially its relation to collegiate education. The last two lectures are historical, Professor Ansley treating of conditions and germs of humanism in the middle ages; Professor Bush, the brilliant revival of learning at the beginning of the modern era. Then follow lectures on art and music in their relation to culture; these are by Professor Washburn and Miss Chase. The last lecture, "The Quarrel of Ancients and Moderns", by Professor Weller, will be in a way a resume of the course and a discussion of modern relations to the past.

In view of the awakening interest in humanistic studies, this course promises to be of unusual interest and the lectures should meet with a hearty reception. They are designed for, and will be appreciated, both by students and the public at large.

GET YOUR TICKETS.

A stampede to the ticket office in front of the armory should take place tomorrow afternoon at 4 o'clock. Possession of tickets to the rooting sections should be the aim of every live undergraduate. Sections will be saved for the medical and law students for two days and the members of these college rooting clubs are urged to reserve their seats either today from 4 to 6 o'clock or tomorrow at the same hours. The office will be open late afternoons the rest of the week.

**Wise Talks
By the Office Boy**

Say, some people have all kinds of gall; haven't they? A tourist said to a friend of the boss; "I suppose you think your town is pretty near like heaven." And our local townsman up and said: "Well, yes, a few years ago, but you know this town has improved a lot in the past two years." Wouldn't that rubberneck you? Speaking of rubber, the old man said to me only yesterday: "Muggsy, I want you to make a little talkfest on our rubber clothing and rain goods. You know we have pretty nearly everything a man can ask for in rainy day goods. First, we have the best dollar umbrellas in town; then we have the best \$12.50 cravenette that's sold anywhere. We also have the best silk and silk-lined cravenettes that ever came through for \$27.50; then we have rubber coats up to \$6; we have boys' rubber coats for \$2. We also have a driving coat at \$5 that is thoroughly rain proof." So I think you had better get your rain clothes now, and keep dry all winter. Are you with me?

Muggsy, with

Plans have been made by the Board in Control of Athletics for yell masters for each college. These men will practice at the big Nebraska mass meeting scheduled this week and it is to be sincerely hoped that the quickly arranged system will be a huge success.

Instructors' Basketball.

The first game of inter-class basketball was played yesterday, the Senior Engineers beating the Sophomores, 17 to 10.

Teachers at Denison
The Southwestern Iowa Teachers' Association has been in session at Denison, Iowa, during the past two days. Professor Bolton made a report on the work of the commission to revise the school laws, and Professor Starbuck gave a paper on "The Submerged nine-tenths of Life." Superintendent E. W. Fellows, of Denison, who was a student in our summer session this year, was chairman of the executive committee.

Seat Sale Tomorrow

Tickets for the Nebraska game may be reserved tomorrow afternoon at the field ticket office in front of the University armory. This will be open every afternoon from 4 to 6 o'clock. Those desiring to make special reservation in the law or medicine sections must have their seats reserved Monday or Tuesday.

Bryan Meeting Tomorrow
An important business meeting of the Bryan club will be held tomorrow afternoon in the Liberal Arts Assembly room according to a notice published by the president. Every Bryan student is urged to be present.

Dancing Lessons at Majestic Hall.

Senior Engineers Elect
At a recent meeting of the Senior class of the college of Engineering, the following officers were elected: President—T. Ricksher; vice president—F. Krenz; Secretary—H. Dean; Treasurer—V. Plum; and Class Delegate—C. M. Secret.

Lecture on Accountancy
Tomorrow evening, at 8:10, in the General Lecture Room of the Hall of Liberal Arts, Mr. J. W. Rich will give a public lecture on "Accountancy, the Need of it and the Field for it," under the auspices of the School of Political and Social Science and Commerce.

Engineers Have Meeting
The Engineers held the first real mass meeting of the season Friday evening in the Engineering building. After electing A. F. Fisher yell master, short speeches were given by Dean Raymond, Prof. Lambert, and Prof. Woodward in which everyone was urged to be loyal, not only to the College of Engineering, but to the University as well. Following the speeches the university yells were practiced, and then, with the Engineers band leading, they paraded the streets until the time of leaving of the Iowa team for Morningside. At the interurban station each member of the squad was given nine yells, the yells were practiced, and the car pulled out with the band playing "Old Iowa's Going to Win Today."

Prof. Calvin Lectures
Prof. Samuel Calvin left for Chicago Friday afternoon to give a lecture in the Field Museum. The directors of the Field Museum have invited prominent scientists of the country to fill numbers in a lecture course given at the Museum. Prof. Calvin will speak on the "Geology and Scenery of the Pipestone Region." Prof. McBride has also been asked to lecture at the Museum.

Humanist Announcement
Professor George T. Flom will lecture tomorrow afternoon at 4:30 in the assembly room of the Hall of Liberal Arts on "Language and Literature." The lecture is in the series offered by the Humanist society which started last Monday by a lecture of President George E. MacLean. The lectures will be given on each Monday afternoon until Christmas.

At Home To All Good Dressers

The Season's rush is on! The last days of the month are marked with the certain promise of Winter Weather which moves every man to take thought of his clothes.

Overcoats and Cravenettes are not a side line with us. We specialize in them and have to offer our customers the products of the best overcoat and cravenette tailors in the country. Using a variety of materials, all standard in quality, these makers of good clothes have produced garments which are accepted as the season's types. There is a striking range in the styles which should suit all tastes but in each one there is cut and stitched the little details which mark it as strictly up-to-date. If you need an overcoat or cravenette please see ours. **\$10.00 to \$40.00**

Rough Wear Apparel
FOR the rainy days and for occasions when you are sure to give your clothes rough wear we are equipped to suit your needs. It is poor economy to wear your best on days when the weather or your occupation prevents your taking good care of your clothes. Get a pair of our corduroy trousers and likewise a flannel shirt and be comfortable.
The Best always on hand

Knit Goods For Men
SWEATERS and sweater vests are always popular with the young men. They represent a lot of convenience and comfort and we deem ourselves fortunate in the showing we present at this time. There is a handsome selection in different colors, including some rich Old Gold shades.
Also bathrobes and house coats.

Amusements

The Coldren

With hardly a dissenting voice the press of the country were unanimous in their praises of the Shubert's quaint comedy success "The Road to Yesterday," which appears at the Coldren Monday.

The piece comes direct from the Lyric Theatre, New York City, where it played to crowded houses for months. Miss Minnie Dupree, as Elizabeth Tyrell, has scored one of the biggest successes she has ever achieved. "The Road to Yesterday" is a distinct hit and it is piquant, tender, dainty and so out of the ordinary run of plays that it cannot fail to score both as a novelty and on account of its own charm. The play has come to stay, for it is unquestionably of the stuff that hits and dreams are made of.

Here Tomorrow

Minnie Dupree. THE ROAD TO YESTERDAY At The Coldren, Monday.

Personal and Social

Miss Grave Parks is visiting at her home in Ottumwa.
