Bryan Clubs Meet Tonight
There will be an important business meeting of the Bryan Club Tuesday evening at 7 o'clock in the Liberal Arts Assembly room. All Democrats are expected by the president to be present.

Board of Control Hold
The Board of Control of the public institutions of Iowa is in Iowa City auditing the accounts of the University. The board inspected the work of Hon. John T. Hamilton, Hon. John Cowles, and Judge Robinson. This examination visits and audits all the state institutions once a year. The committee will finish their work here today and then will visit the supernurseries sanitarium before leaving Iowa City.

Among the new members of the Cardinals Indian football eleven are Harry Gress of Elma, David Shea, Napoleon Harper, David Wondra, Eye, Joseph Two-Hearts, Wm. Tawhee Joe, Bruce Gose-Buck, John Powy, and Frederick Pans. It was at first thought that Boisgael Loose-Pans and Osma Pans were down there, too, but they are going to be in the side line for Harvard and Yale.

The Stella Last

If you have foot troubles
you cannot do good work with your hand on your brain. To think right—to work right—you must be foot free.

The "STELLA LAST"
we need for the man who would lead foot affairs. For ten years it has steadily become more popular. It is comfortable, attractive and can be worn under most of the normal dress. If the shoe has been made wrong, one feels as well as the boot-looking shoe ever done; has given the patient a work of wear for every dollar spent, will outlive the "STELLA" when you use it. "The Stella Last" is one of the full lines of Foot and Winter Shoes, made in every style and all kinds, carried to supply to the best of the best.

GRAND RAPIDS

If you cannot do good work with your hand on your brain (which is the case with most everyone, then you must have a foot. We would suggest the "STELLA LAST".)

Dental Notice.

Students of the College of Den- dentistry are requested to meet at the Dental building tonight for the pur- pose of explaining for printing at the be- ginning next week. A small number will be appointed.

A polish squad under the auspices of "starvation squad" has been started at Minnesota.

Students will probably establish an honor roll of scholarship, which will be published throughout the state. The idea is an attempt to make the scholar as prominent as the athlete.

for their comfort. An extra official accompanied the team both ways and every effort made by the railroad to make the players comfortable succeeds. All the men had a good nights rest that night before the game, though traveling on a sleeper. On the return trip the railroad people took especial pains to see that the men were allowed to sleep and that the team was not disturbed in the yards at Cedar Rapids so that when the players on early Sunday morning reached the special attention was due to the supervision of General Ticket Agent Ross.

At the West Hotel in Sioux City, every attention and courtesy was shown the Iowa team. Manager Darnell gave instructions that the players should be favored and good care was taken of the men during the short stay there.
