Don't Wait
The Winter season is so close at hand that it behooves you to be in an immediate inventory of your clothing needs and wants.
CRAVINGS and neediness by every anxious—especially a young man. They are the result of modern enterprise on the part of manufacturers in turning out a child at once beautiful and also waterproof. But you will only possess more and get better and more lasting service out of it if it is properly tailored and fit you well. We have a heavy showing of these garments.

Mark needs to come out in favor of some season values for full dress occasions.
The Secretariat Club has passed on word that dress colored veils and even dark violet mixtures in dress hues may be worn at functions in place of black. No fashions exist that date out of style any old time, because they are just too neat and snugly.

That "Piano Advertising Plan" from Iowa
Pulls Prosperity out of a lean business caused by shortage of crops, panic, strong competition or bad location
A WONDERFUL WINNER—NEVER FAILS—CAN'T FAIL.

The piano costs you nothing—Your competitors pay the bill and YOU reap the profits—all the way from $50 to $35,000. That's what my previous family. Let me show you their letter—the front bunch of delighted ginger tales from hand hands business men over every end and will send. Merchants, Manufacturers, Publishers all brilliantly successful.

A Winning Campaign
I equip you complete with the whole premium plan—all details worked out—no WIN.
Send me your order and tell me the competition you want to overcome and I'll do the rest. I know how. I've done it for others and don't know what failure means. Takes the public by storm—Sells ten thousand longest watt灵—Starts the dollars your way and keeps them rolling in amply.

The Cote Piano
A perfect testum. I sell it to you at a moderate price, but no instrument possesses richer tone, more perfect action or a longer life than the Cote. Used in a thousand homes. Well and favorably known everywhere. Splendid workmanship throughout and beautifully finished.
And let me tell you it would be suicidal for any merchant to give away a cheaply made, inferior piano to any customer he wants to reap a permanent benefit from the enterprise. Used by Merchants, Manufacturers and Publishers, large and small, and always wins.

Communications
Editor-in-chief,
Daily Iowa.
Dear Sir,—An article appeared in a state paper purporting to set forth the state of affairs in University of Iowa Dramatic Club. Also an article appeared in the Daily Iowa attempting to correct some of the misrepresentations made in the former article. In view of this situation I ask for space that the facts of the case may be shown. The whole impression given by the article in the Daily Capitol is wrong. Most emphatically let it be said that the Dramatic Club has never managed or misappropriated its funds. There are no dissensions within the club. It is making large plans for the future. Among other things a new constitution is under consideration, in which it is proposed to broaden the work of the organization and adopt, such plans as will make it a more aggressive University organization.

That's all.
