Save Your Soles

If you have worn selfish or run-down shoes at your home send them immediately to the Chicago Electric Shoe Co., on the northwest corner of Clinton and College Sts. We commonly pass other shoes to come to us. Why shouldn't we be treated? Because we try hard to do a first-class job in resoling shoes. If unable to call drop us a note, your work will be promptly corrected and delivered. Remember our location at 211 South Clinton st.

The First Day Doesn't Count

THE VALUE of a suit of clothes does not lie in how it looks when you first put it on. Almost any sort of a suit does that. Unless the shape of the garments has been wrought into the cloth, the original appearance of the clothes will soon be lost.

My Suits are made right in the beginning, and stay and look right in the end.

Styles are important. I am prepared to tailor your suit in the most approved fashion and cut your coat in the latest and newest college flares, which will give you individuality and mark you well dressed.
