Many Walkers at Party.

Owing to the fact that the regular members favor the T. C. A., rather than the two-step the committee has decided that there will be five walkers to be invited to the party this year, instead of two walkers as was the case last year.

The committee is to plan a grand party for the members who are entering the social circle of the University.

A very careful examination has been made of the Acme floor and after it has been put through the various new processes devised by the committee it will be in excellent shape, surpassing anything that has been attempted.

LIBERAL ARTS WIN FROM ENGINEER FIVE

EXCITING INTER-DEPARTMENT GAME IN ARMS

Tree From Collegiate Department Game in Arms for First Annual Ball Championship.

The Liberal Arts team defeated the Engineer five last night in the inter-department league basketball game by a score of 41 to 31.

The Engineers fell in the lead in the contest for the Engineer University championship.

During the first ten minutes of play the Engineers jumped into the lead by fast tempus work but during the remainder of the first half we were unable to stop the great shooting of Kansas. The second half was the fastest exhibition of basketball seen on the floor this year and resulted in an even number of points between the teams.

The Piano Advertising Plan that IOWA Pulls Prosperity out of a Lean Season caused by Shortage of Crops, Panic, Strong Competition or Bad Location

A WONDERFUL WINNER—NEVER FAILS—CAN'T FAIL.

The piano costs you nothing—Your competitors pay the bill and YOU reap the profits—all the way from $500 to $15,000. That's what my patrons testify. Let me show you their letters—the finest bunch of delighted ginger talks from hard-headed business men you ever read or will read. Merchants, Manufacturers, Publishers all brilliantly successful.

A Winning Campaign

I equip you completely with the whole plan—
all details worked out—
for WIN.

Send me your order and tell me the competition you want to overcome and I'll do the rest. I know how. I've done it for others and don't know what failure means. Take the public by storm—Sets ten houses on fire. Lives, women, boys with "grit and go," it's your chance. I want a few reliable salesman to canvas the retail trade. Samples in coat pocket. Don't worry trying to revive dead lines. Get one with breath in it now. Get wise to the "Iowa Idea." Mention this paper.

Before The Game Or After

It is time to get your overcoat for this season. Don’t delay—the best time to buy is now because you can find what you want easier than later.

The Brand of the Tailor
With most men the brand upon the clothes they wear has a great deal of weight. You can’t go far enough if you place your trust in competent retailers and competent makers of clothing. The reason we handle the clothes we do is because they are approved by good critics, and they are the ones who look for the label.
