Field-Kirk Stars

Fighting to the very bit, the Iowa football team lost to Kansas, the coming champion of the Missouri Valley, on a score of 10 to 5. The Iowa team fought to the limit and each member of the team played his best. Following the game yesterday, the doser-owners of Iowa athletic followers.

Outnumbered and outweighed, the Hawkeye team, minus some of the best players served themselves with honor on the second half to meet the onslaughts of the strong and heavy-rushing Kansas backs and for a few minutes held their own in a manner which made every heart of the team respond to the ring of the blows and the effort of the men on the gridiron. They played the Hawkeye's a splendid battle for three-fourths of the game.

Captain Carberry called his football señor in glorious fashion. Two of his dodges ran the famous old Iowa line twice—30 yards each and every man who went over the Iowa line had his work cut fine.

In the second quarter the game was going well, his defense so solid and the offense so hard it was the Kirk of the last. It was the Kirk who was the new style of football to America.

The First Day Doesn’t Count

The value of a suit of clothes does not lie in how it looks when you first put it on. Almost any sort of a suit does that. Unless the shape of the garments has been wrought into the cloth, the original appearance of the clothes will soon be lost.

My Suits are made right in the beginning, and stay and look right in the end.

Styles are important. I am prepared to tailor your suit in the most approved fashion and cut your coat in the latest and newest college flare, which will give you individuality and mark you well dressed.
