PROSPECTS FOR NEXT YEAR'S ELEVEN BRIGHT

SPEEDY BACK FIELD IS A CERTAINTY.

Iowa Loses Seven of This Year's Stars—Freshman Squad Will Furnish Some Good Material.

With a splendid nucleus from the present freshmen team the prospects for the 1909 Iowa eleven to be headed by Captain elect Gross are bright. A speedy back field is a certainty and the loss of seven players though serious will not prevent a splendid Hawkeye football machine next year.

Captain Kirk, Seidel, Stutsman, Carberry, Hastings, Brugman and Perrine have played their last games for Iowa. This takes away the entire left side of the line and the center beside the pillar of the back field, Captain Carroll Kirk, one of the greatest backs in the west developed under the new style football.

On the other hand, Wagner, Ehret, and Murphy form a trio that leaves little to be desired in speed and experience. These backs have wrought havoc with the regulars night after night on Iowa Field and by maintaining their form this year, the Old Gold will have a whirlwind backfield.

The first of this backfield, Wagner played half and quarter on the West Des Moines high school eleven and was a star of the first water. He has directed the Kansas, Drake, Illinois and Nebraska plays with great headwork all fall and his execution of the forward pass with either Murphy or Ehret as the receiving end has gained many yards for the 1912 eleven.

Ehret plays football at the State Normal before it was recognized by the Chicago conference as a school. He combines great weight with speed and is absolutely fearless in his play. Murphy is a speedy shifty back, and a thorough student of the open style of football. At Ida Grove he gained an enviable "prep" school reputation and his work this fall shows that he was not over-rated.

In the line "Ab" Hull, the Freshmen captain and one of the hardest working players to ever try for an Iowa eleven will make a strong bid for Gross's running mate at tackle. He gives the best that is in him on every occasion and shows the spirit apt to produce winning elevens. Chase has played phenomenal ball at end for the freshmen and other members of the team have shown promise including Strouthers, full back, Alexander, tackle etc.

Hyland, the end whose work has been both brilliant and consistent this fall will be back and with Gross who has demonstrated he is one of the greatest linesmen in the west, the right, extremity will be well taken care of. Stewart has won praise by his excellent quarterback play and will hold the position as Wagner is

(Continued on page 4)

CHARITIES AND CORRECTION WILL MEET IN JANUARY

Secretary C. W. Wassam Receives Official Notification

Professor C. W. Wassam has received word from Professor F. I. Herriott of Drake University president of the Iowa State Conference of Charities and Correction, stating that the convention will be held in Des Moines the third week in January. The executive council composed of the Secretary C. W. Wassam President, G. P. Wyckoff of Grinnell, Miss Flora Dunlap, and Judge G. S. Robinson of the state Board of Control made the decision. Conditions of county jails of which Professor F. C. Ensign has made an extensive investigation, juvenile courts and necessity of paid probation officers and detention homes, tuberculosis and other subjects will be discussed with a view of recommending legislation to the legislature which is in session at that time. Two years ago after the conference at Grinnell and the important discussion of the wife desertion law, recommendations were made to the Iowa legislature which form the present law.

Juniors vs. Sophomores

At two o'clock this afternoon the Junior and Sophomore elevens of the college of Liberal Arts will clash on Iowa field. Stutsman will referee the game and Stewart is to serve as umpire. Both teams have been practicing all fall and it is expected that the game will be fast. Ralph Finnicum captains the Junior eleven and Latham, the sophomore team.

Philosophical Club

The Philosophical Club will hold its regular bi-weekly meeting in Room 213, Liberal Arts, Tuesday, November 24, at 7:45 p. m. Dr. J. L. Gillen will read a paper entitled "Testamentum Jesu Christi and Parallel Documents". This paper won the Hitchcock Prize in Church History at Union Seminary, New York City, in 1904. The public is invited to attend.

To Lay Cornerstone

The corner stone of the law building will probably be laid shortly after January 1 when the Iowa legislature visits the University. Great progress is being made on the building as the 100 foot derrick used on the Fleming building in Des Moines has greatly aided the contractors in rushing the work this month.

Shambaugh Offered Position

Governor A. B. Cummins has offered the post of curator of the state historical department to Dr. B. F. Shambaugh of the university. No statement could be secured as to the effect of the offer upon his connection with the university where he is professor of political science.

LIBERAL ARTS LEADS IN BASKET BALL RACE

COLLEGIATE TEAM HAS PERFECT STANDING.

Engineers Have Lost One Game and Stand Second in the Inter-Department League—Schedule.

As a result of the inter-department basket ball games last week, the Liberal Arts team leads the list with a perfect standing. This five has played but two games and has won both. However the collegiate team defeated the Engineers last week and the latter team easily worsted the two remaining fives which the Liberal Arts has to meet, the Dents and the Laws. This practically gives the University championship to the Liberal Arts team, though of course, there is the possibility of their meeting defeat before the end of the season. Following is the standing of the teams and a list of the remaining games:

	Won	Lost	Pct.
Liberal Arts	2	0	1000
Engineers	2	1	.666
Medics	1	1	.500
Dents	0	1	.000
Laws	0	2	.000

The remaining games on the schedule follow: Nov. 23, 8 p. m., Medics vs. Dents. Nov. 28, 2 p. m., Liberal Arts vs. Dents. Nov. 28, 3 p. m., Engineers vs. Medics. Dec. 2, 8 p. m., Laws vs. Dents. Dec. 5, 2:30 p. m., Liberal Arts vs. Laws.

Gift to German Library.

At the opening of the year Professor Charles Bundy Wilson organized a class for students who are preparing to teach German. The work consists of a discussion of the various methods of teaching German, special drill in pronunciation, observation, practice in conducting recitations, examination and reviews of text-books. The class is a large one, and the work has attracted the attention of publishers. A representative of Messrs. Henry Holt & Co., of New York, visited Professor Wilson a few days ago, and as an appreciation of the work this firm has just made a gift of twenty-five volumes to the German library for the special use of this class. Other firms are arranging to make similar gifts.

Parsifal Recital

Miss Anne Shaw Faulkner, assisted by Marx E. Oberndorfer, pianist, delivered a lecture-recital last evening in the Auditorium on "Parsifal, the Last Message of Wagner". The production was illustrated by stereoptican views.

President's House.

Work on the president's new house has been delayed by lack of finishing material. It is difficult to prophesy as to just what time the new home will be ready for occupancy.

UNIVERSITY CO-EDS MAY WIN LETTERS

"I's" Will Be Awarded to Hockey and Basket-ball Players

The members of the Gray and Red Teams that fought for supremacy in a Hockey Match on Iowa Field last Friday afternoon, were given "I's" after the contest. These girls form the nucleus of a Women's Athletic Association to be. It is the plan to award "I's" to all girls who successfully make the Basket Ball and Baseball Teams this year. There is great enthusiasm for the new club and all girls who are not wearers of the "I's" are eagerly looking forward to making good in the Basket Ball season just opening. There is great material in this year's Freshmen Class. The High Schools of the State having sent us many experienced players. There has been an increase in athletic spirit shown in the Women's Department this fall. The Freshmen Basket Ball teams, though as yet unorganized have sought permission to use the gym for extra practice after class hours.

"Barn Dance" Voted Down

The four sororities have sent in their votes to Chairman Weeks of the sophomore cotillion committee in regard to a barn dance on the program of the sophomore class function this year and have voted against it. Since the committee left this new feature in the hands of the sororities their decision against it will be decisive in ruling out the barn dance.

There seems to be a prevailing sentiment in the freshmen class that the sophomore cotillion is exclusive for upper classmen. This is a wrong impression and the committee extends an invitation to every freshman to be present at the function.

Newman Society

The Newman society will meet this evening at the Knights of Columbus hall at 7:30 P. M. Initiation and program will be held.

C. F. U. Meeting.

A regular meeting of the C. F. U. society will be held this afternoon at four o'clock sharp.

Hesperian Program

The Hesperian Literary Society gave a "Greater Hesperian" program Monday evening, as follows:
Reading, Ula Purvis
Heps. Traditions, Hilda Ellyson
Heps. History, Regina Long
Hesperian Idyll, Julia Banghman
Hesperian Froggilitas, Dorothy Fluke
Ione Mulnix

Senior Medics vs. Juniors

The Senior Medics will meet Juniors of the same college in a football game on Iowa field, Thanksgiving morning.

BASKET BALL SQUAD TO START PRACTICE

OUTLOOK IS BRIGHTEST FOR THREE YEARS TIME

Perrine Is Captain—Competition for Places on the Team will be keen Trips are Scheduled

With the close of the football season Saturday the attention of the student turns toward the preliminary basket ball training which starts next week under Coach John G. Griffith. There are four stars in the bunch of candidates and a wealth of material from which to pick the fifth man for the Iowa team. The outlook is brighter than at any time the past three years.

Captain Perrine will probably be a future at forward Walter Stewart won one of his three "I's" last year as a member of the basket ball team. He is the logical candidate for the other forward. Hyland who has had a great record at the Des Moines Y. M. C. A. and as a member of the freshmen team last season will be out for center and Ryden another Des Moines Y. M. C. A. star will make a position on the team according to all present indications. Should Ramsell, center, and Brown, guard two former members of Iowa basket ball teams eligible this season decide to try for the team the competition for places on the varsity will be keen.

Manager Catlin will immediately begin the forming of the schedule upon his return from a trip to his father's ranch in Wisconsin where he was called yesterday by a telegram from the elder Catlin. Already Professor L. M. Byers, who represented Iowa at the meeting of the Conference basketball delegates, has scheduled games for two trips, one east and the other north. The question of athletic relations with Ames will be brought to the attention of the Iowa authorities if the Aggies have a team as the present plan of the Missouri Valley conference calls for a meeting of the basket ball teams of this section of the conference. When the winners in the two divisions of the conference are decided by the playing off of the first part of the schedules the final game for the championship will take place between the north and the south.

Iowa's basket ball tossers will do little regular work until after Thanksgiving, and even then Coach Griffith will give the men little strenuous practice before the Christmas holidays. Among the candidates are Captain Perrine, Thomas Ryden, Stewart, Hyland, Ricksher, Smith, Carberry, Paulson, Hupp, Jones, Denman, McWilliams, Freeman, Krauser, Hanson, Brown, Ramsell, Larson, McDonald, Wallace, Squires, Scramm, Collins, Cuninghame, Huff, Loos, Moses, Puckett, Ericson, McMurray, Byoir, Powell, Burkheimer, Houghtelin, Corey, Hanlon.

OPPORTUNITY TO BOOST

Sometime ago there was organized in this state the Iowa High School Debating League. Its object as stated in the constitution is "to promote work in English in the high schools of Iowa, by friendly rivalry." How well this object is being achieved was seen in the superior work of the championship contest held here last spring. In the words of President MacLean, "The debaters did fully as good work as the college students of my day."

In connection with this League and its work there is an opportunity for the University students to boost, not alone for his Alma Mater, but for the good of the high schools and the high school pupils. It is a well known fact that English is one of the most difficult studies in the entire secondary school curriculum.

This is due to the lack of interest taken in it and to the poor teaching. But with an incentive such as debates afford there will be a motive for better work, and the resulting interest and enthusiasm will demand better teachers and the standard of the school will be raised. Then, it will aid the pupil in acquiring a better command of their mother tongue without which no man is truly educated. In securing these results the students can be a very large factor by arousing enthusiasm for such work in the principal, superintendents, and high school pupils of their home towns.

Nor will the good results of such an effort end at home. We can all render very definite service to some of our fellow students by this kind of boosting. It is the plan of the Department of Public Speaking to develop teachers for these places, and with more openings there will be a greater demand for them. This work has a decided advantage over some other branches for the young man who wishes after a few years to take up a profession or go into business. It gives him a broader practical training than does much of the ordinary high school work.

Some maintain that this league

cannot be made larger than it now is. But ought we not to have in view the greatest good for the greatest number. In our college debates we do not attempt to determine the championship of a district or state and why should we in high school work? When more schools enter a new plan will inevitably be worked out so that all will have an opportunity. With all these advantages for the high schools and the University itself in view, let us one and all lend out best efforts toward the encouragement of debating in every high school.

Stop at the Delavan Hotel when in Cedar Rapids.

Wise Talks By the Office Boy

A minister was horrified one Sunday to see a boy in the gallery of the church, pelting the hearers in the pews with hazelnuts. As the good man looked up, the boy cried out: "You 'tend to your preaching, Mister, I'll keep 'em awake." I heard another good one about a minister seeing a little boy crying right after church let out. He asked him what he was crying for. "Because you said in your sermon we must all be born agin and I'm afraid I'll be born a girl next time." Well, you don't have to take any chances if you trade at our store. The boss believes in selling lots of goods and turning the stocks three of four times a year. The discount fellows are getting to go at it again.

That sort of merchandising used to go all right but the day of discount fooling is over. Honest business methods is the watchword today. Visit our big Clothing Store and see the excellent suits we sell at \$15, \$18, \$20, 22.50 and \$25. But the prices are net. You can't afford to buy your fall suit or overcoat elsewhere.

IN THE GARDEN OF GIRLS
It would be difficult to find one who would not blush with pleasure to find herself the recipient of one our **GORGEOUS BOUQUETS** soft, velvety roses, sweet, modest violets, huge fluffy chrisanthemums—the girls are crazy over them. Forget it not, young man, and either stop on your way to call, or phone our florist shop to deliver whatever she may prefer. Flowers are messengers of delight.

Hat Pins made out of Real Roses

Delamothe
Real Rose Hat Pins

It does not seem possible, yet it is true, that these Hat Pins are made out of real live roses, changed entirely into metal by a secret process, preserving every detail of the rose from which each pin is made. They can not break, and will last forever. This discovery is without doubt one of the lost arts of the ancient Egyptians. They are the most beautiful of all Hat Pins. No two are alike. Finished in five colors, to conform to the prevailing fashions in millinery. Made in six sizes, from the smallest rose bud to the full blown flower. These pins are made by the genuine "DELAMOTHE" secret process, the only process by which an open rose can be perfectly metalized. Don't buy an inferior imitation. All genuine "DELAMOTHE" Metalized Real Rose Hat Pins have the name stamped on the pin.

We have the exclusive sale of "DELAMOTHE" products for this city. See the exhibit in our window of this wonderful discovery.

TAKE UP THIS GREAT BARGAIN OFFER
The Daily Iowan all the Rest of the School Year for \$1.50

Subscribe Now

A Penny An Issue

See the Iowan solicitor today, or drop into the Iowan office at 23 Washington st., and get tomorrow morning's paper delivered at your door. This is an offer which we are making in the determination that we shall give THE IOWAN an unprecedented circulation. BE POSTED ON "WHAT'S DOING." THIS IS YOUR CHANCE.

We believe that THE IOWAN has never been offered at such a low price. Figure it up for yourself and see that this means your paper costs you only a little more than a cent an issue. There are still 27 weeks of school. YOU CAN'T SPEND FOR YOUR EDUCATION BETTER THAN TO GIVE \$1.50 FOR THE IOWAN.
