THE DAILY IOWAN

PUBLISHED BY THE STUDENTS OF THE STATE UNIVERSITY OF IOWA

Volume 8 | IOWA CITY, IOWA, WEDNESDAY MORNING, NOVEMBER 25, 1908 | Number 49

PRESIDENT MACLEAN RECEIVES NEW HONOR

MADE SECRETARY OF IMPORTANT COMMITTEE.

Executive of University Prominent In Work of National Association of State Universities.

President G. E. McLean returned yesterday from the meeting of the National Association of State Universities, which was held in Washington, November 16-18th. There was a large attendance and a large part of the sessions was taken up with the report of the Committee on Standards of American Universities, of which President McLean was chairman. The report of the committee, which contained proposed statement of qualifications which the university should possess in order to be considered a standard university, was adopted, and a standing committee on standards created. President Schurman, of Cornell, who was elected president of the Association, is chairman ex-officio. President MacLean is secretary of the committee and the other members are Presidents Bryan, of Indiana, Baker of Colorado, James of Illinois, and Dr. E. E. Brown, U. S. Commissioner of Education.

Upon the adjournment of the National Association of State Universities, the Committee on Standards met in New York with the "Committee on Aims and Scope," of the Association of American Universities, this being composed of President Elliott of Harvard, Dean Ames of Harvard, Professor Penniman of Pennsylvania, Professor Monroe Smith of Cornell, and President VanHise of Wisconsin. The standards adopted by the National Association of State Universities were there approved by the Committee of the Association of American Universities.

The standing committee on Standards of the National Association of State Universities will proceed at once to gather information with a view to the classification of the state universities.

Mortar and Pestle Program

The Mortar and Pestle society will meet this evening at 7:30 o'clock in Close hall. The program follows:

Roll Call by giving of current events.

Optional, I. A. Anderson.

Paper, M. B. Herrald.

Informal Debate, "Resolved, That a drug business in a small town will pay better than one in the city of more than 10,000 inhabitants".

The society invites the public to attend.

Sophomore-Junior Game Postponed

Because of the inclement weather the sophomore-junior football game scheduled for yesterday was postponed. The Senior Medic vs. Junior Medic game will be played tomorrow morning on Iowa Field.

PROFESSOR WELLER WILL MAKE LONG LECTURE TOUR

Itinerary of Local Faculty Member Is Extensive.

Professor C. H. Weller, of the Department of Greek in the State University, gives the first of a series of lectures on "The Excavations of the American School at Athens" at the University of Missouri next Monday, November 30th. Professor Weller has been appointed a special lecturer by the Archeological Institute of America and will give his lecture on the above topic at thirteen places in what is called the Central Circuit. Professor Weller's lectureship is one of a very few that have been established by the Institute. Following is his itinerary:

November 30, University of Missouri, Columbia.

December 1, St. Louis.

December 2, University of Kansas, Lawrence.

December 3, Topeka.

December 4, Kansas City.

December 5, Des Moines.

December 8, Milwaukee.

December 9, Chicago.

December 10, Detroit.

December 11, Cleveland.

December 12, Cincinnati.

December 14, Iowa City.

No Iowan On Friday

Owing to the vacation on Thanksgiving Day no Daily Iowan will be issued on Friday morning. The regular Sunday morning paper will be published as usual.

Engineers Play Football

In a game in which the Seniors showed themselves masters of the open play, the Freshmen Engineers were defeated yesterday aftrnoon, 5 to 0. Open play was used for good gains by the Seniors, Ricksher finally going over for a touchdown in the second half, after a well executed forward pass from McMurray.

Banquet at Berkley

The Weemmottiniunks will give their annual Thanksgiving Banquet at the Burkley Imperial Wednesday night. Those in attendance from out of town are Carl Hobby, George McGovern of Cedar Rapids and Walter Myers of Muscatine.

Commonwealth Day

Oregon is setting apart a Commonwealth day on which legislators, editors and all other public men who are prominent in the state are to be entertained as guests of the university. The idea in gathering them together would be mainly to make them of the services which the State University is willing and able to render for them.

Heinzman at Assembly

Secretary Harry L. Heinzman of the Y. M. C. A. will speak this morning at the regular 10 o'clock assembly.

February 25.—Delta Tau Delta vs. Sigma Chi, Sigma Alpha Epsilon vs. Phi Kappa Psi, Phi Delta Theta vs. Beta Theta Pi, Kappa Sigma vs. Sigma Nu.

Owl and Keys Election

Owl and Keys, the Sophomore Liberal rAts honorary society elected men yesterday afternoon to fill seven vacancies in the organization. The men chosen were, Clyde Bourret of Phi Delta Theta, Clifford Crowe of Beta Theta Pi, Clark Burkheimer of Sigma Alpha Epsilon Erwin H. Krantz of Delta Tau Delta, Glen Cunningham, John Ney, and Arthur Zimmerman. Initiation dance for these men will probably be held shortly after the Christmas holidays.

Freshmen Party Committee

The following have been appointed by President Waldo Minor as members of the social committee of the annual party of the 1912 class: T. freshmen class to arrange for the W. McClelland, C. F. Wade, E. R. Murphy, R. M. Mitchell, Misses Mabray, Ellison, and Brennan.

PETRARCH WAS FIRST OF MODERN MANKIND

So Said Pofressor S. H. Bush in Lecture Monday.

Professor Stephen H. Bush lectured on "The Revival of Learning" before the Humanist Society Monday afternoon. In part he said:

"Man is of consequence as an individual only as a part of a class, as the artisans in the towns are formed into guilds. These people of the middle ages lack the broad human sympathy altho they possess a vigor that we lack.

"The revival of learning took place outside of the universities. The men appeared in a new spirit the Italians leading the way. The idea of this age was a new and vital conception of man as a man.

"Dante stands at the parting of the ways, the last of the mediaeval men, and the first of the modern. But he was just the forerunner of Petrarch, who is essentially the first modern man, for he foresaw a new era.

"In this period, the enthusiasm for study spread rapidly and manuscripts were discovered in all parts of the lands. Their method of teaching was essentially different, from ours, as they knew no dictionaries, carrying all the knowledge in their heads."

Y. W. Meeting

The Y. W. C. A. meeting this week will be a Thanksgiving meeting. Miss Ethel Newcomb will lead.

Varsity Rifles Notice

There will be no meeting of the Varsity Rifles tonight.

A Son at Boise City

Word has been received here of the birth of a son to Mr. and Mrs. D. L. Young in Boise, Idaho. Mr. Young was business manager of the Daily Iowan in the year 1906-07.

Will Attend House Party

Miss Helen Swisher, Miss Franklin French, and Miss Ellen Bolser leave Wednesday to attend a house-party at Hampton, Iowa where they will be joined by Miss Alice Swisher '08.

Suspended From University

After the recent Plug Algy play given by the Junior class at Leland Stanford the entire committee in charge of it consisting of seven men, was suspended from the University. The faculty objected to some of the posters used in advertising the play, and claimed the committee had not observed certain conditions imposed by the faculty. The suspensions are for an indefinite period, but it is understood that no petitions for reinstatement will be considered befor the end of the semester.

PLANS MADE FOR NEW VARSITY RIFLE CLUB

WILL BE AFFILIATED WITH NATIONAL ASSOCIATION

President G. E. MacLean Has Given Permission for its Formation—Plans of Organization

President G. E. MacLean yesterday day gave permission for the forming of a Rifle Club in the University to be affiliated with the National Rifle Association of America. This association is composed of clubs from several different colleges in the country as well as Regiments of the National Guard and other organizations

Arrangements is made for shooting both on gallery and outdoor ranges Competitions are held each year betwen the different universities in the association. A national trophy will be awarded to the institution having the winning team, and each memeber of the team will be given an appropriate medal. In addition to this a medal is given to each school for the man making the highest score in the school. Besides this every member of the club making the rank equivalent to marksman in the U. S. army will receive a label button from the national association.

Steps will be taken to organizing this club immediately after Thanksgiving and there will be some lively work done in this line before long. It will be remembered that a target was set up on the running track in the armory last year and that great interest was manisfested and some good scores made. There are several fine shots in the University and much interest has been aroused already All men of the University will be eligible to membership in the club and from the present outlook Iowa will undoubtedly make a good showing against the other schools.

New Pharmacy Commissioner.

The pharmacy department of the university is now much interested in the appointment of a pharmacy commissioner to succeed Commissioner Fred Russell, whose mysterious disappearance has caused so much scandal. There are fifty-seven applicants for the position.

Special Rate For Students

The management of the Coldren Theatre has made a special rate for students who desire to attend the production to be given Saturday afternoon and evening by the Donald Robertson company. Owin to the fact that the plays will interest so many undergraduates Manager Ray Swan has placed in the hands of the professors in the department of English a card which when signed entitles the holder to twenty-five cents reduction on tickets to either of the Saturday performances.

Wise Talks By the Office Boy

"The man I marry must be willing to die for me," the young woman was saying to her steady.

"Merry Widow, eh?" was the reply and she didn't do a thing to him.

Did you ever know anything that caught on bigger than the "Merry Widow?" I guess not. I heard a drummer telling why widows were so popular. It was because "dead men tell no tales." I think that's pretty rough on widows. I know some awfully nice widows. I wonder why they speak of them as "widow ladies." They're ladies, of course. I want to tell you one thing that's popular with the ladies who shop here and that's the insurance policy we hand them that insures every article they buy of us.

Doesn't it take a load off your mind to know that everything you buy is so good that is is fully "insured," and if it fails to give its full value in honest wear, you get your money refunded or a new article? We want to sell you your clothing, hats, underwear, etc. Won't you give us the opportunity?

Real Rose Hat Pins

It does not seem possible, yet it is true, that these Hat Pins are made out of real live roses, changed entirely into metal by a secret process, preserving every detail of the rose from which each pin is made. They can not break, and will last forever. This discovery is without doubt one of the lost arts of the ancient Egyptians. They are the most beautiful of all Hat Pins. No two are alike. Finished in five colors, to conform to the prevailing fashions in millinery. Made in six sizes, from the smallest rose bud to the full blown flower These pins are made by the genuine "DELAMOTHE" secret process, the only process by which an open rose can be perfectly metalized. Don't buy an inferior imitation. All genuine "DELAMOTHE Metalized Real Rose Hat Pins" have the name stamped on the pin.

We have the exclusive sale of "DELAMOTHE" products for this city. See the exhibit in our window of this wonderful discovery.

Yim Speaks at Cedar Rapids.

A. S. Yim, a Chinese student in the university recently gave an address before the Cedar Rapids Y. M. C. A. on the subject "The Awakening of China." His address centered about three questions, first, Why has China been so backward for nineteen centuries? Second, Is China really awakening? and third, What of the future of China? He closed with the statement "My people have the highest regard for the American."

Wilson Receives Invitation

Professor Charles Bundy Wilson, head of the Department of German has been invited to read before the American Folk Lore society, which will meet in Baltimore in the early part of January.

REASONS FOR NO VACATION ON FRIDAY OF THIS WEEK

Would Practically Result In No School for a Week

"Why is there school on Friday?" and "Why cannot we get this day off so as to go home over Sunday?" are common questions this week among the students. The reasons are not always thoroughly understood by the average undergraduate.

Following is Dean L. G. Weld's statement in regard to giving Friday after Thanksgiving as a holiday: "For my own part, I should be glad to see the day following Thanksgiving made a holiday every year, were it not for the fact that by so doing a large proportion of the students would be encouraged to absent themselves on the following Monday, and even on the preceding Wednesday as well, thus demoralizing university work for practically one week."

"Thanksgiving is one of the season when the human heart is drawn toward the home" said Professor Charles Bundy Wilson, head of the Department of German, "and I am in favor of any reasonable thing that will help to cultivate a love for the home and its blessed influences."

Class Foot Ball

The senior and juniors medics have arranged a foot ball game to take place this morning. Both teams are practicing hard in anticipation of the game. As no Thanksgiving vacation, aside from today, is allowed this year, the majority of the students will not go home, and consequently it is believed that the foot ball game will be largely attended.

Death of Alumnus

Word has been received in Iowa City fo the death of Miss Field who graduated from the university in 1907. She spent the last year attending a library school at Albany, New York, and not long ago took up a position at Council Bluffs.

Girls Learn Technical Athletics

There has been such a demand from the high schools of the state for teachers capable of coaching women's athletics that Miss Alice Wilkinson decided to put hockey, basket ball and indoor baseball training on a basis whereby the young women in the physical training department may learn the technical phases of the games so as to be able to teach them. Miss Wilkinson's pupils were requested at the beginning of the season to secure Spaulding guides on the various subjects and read up carefully on the rules. As much stress is being laid on the theoretical side of these branches of sport as on the practical. It is not considered sufficient to be a star wielder of the stick, passer of the ball, or a strong pitcher. On the other hand the "Co-eds" are required to know the principles and minor details of the games so that the State University girls in the future may take an intelligent part in the physical training of the sex.

MORAL STRENGTH IS NEEDED IN COLLEGE

SO SAYS SECRETARY HARRY L. HEINZMAN OF Y. M. C. A.

Popular Officer of Christian Association Tells of its Founding Before Weekly Assembly

Mr. Harry L. Heinzman, Secretary of the Y. M. C. A. addressed the assembly yesterday morning on "The Origin, Development and Scope of the Y. M. C. A."

In speaking of the origin of the Y. M. C. A. Mr. Heinzman said that it was due entirely to one man, Sir George Williams. This man born on a farm in England, one of a large family seemed to have little in his early life to distinguish him particularly from his companions. At the age of fifteen his father apprenticed him to a draper as the boy seemed entirely out of place on the farm. Later the boy joined a drapers company in London where 140 men were at work. "When he began work there it was said that it was impossible for a man to work in that place and be a Christian, three years later it was imposible for a man to work there and not be a Christian. From a little band of twelve workmen this association has sprung." Later in life George Williams was knighted by Queen Victoria for the noble work he had done.

Mr. Heinzman spoke of the need of Christian manhood in all walks of life today. He called attention to the fact that the association followed the U. S. Army in all its operations and also the encampments of the National Guards. He said that in the Russian-Japanese war the Japanese Government transported the Association's tents and supplies with the same speed and by the same trains on which the regular army supplies went forward. And that when the Japanese army was retiring from the field and the Association quarters were preparing to move they were officially requested to remain until the entire army had gone. Showing the recognition of this work given by the powers of the world.

The speaker told of the establishing of the Y. M. C. A. work in the high schools in preparation for the colleges and their work. In closing he said "There is as much need for moral strength in college life as there is for physical strength on the field."

Since his coming here a year ago Mr. Heinzman has done much to fix his place in the University life and to endear himself to both the students and faculty Not only in his own line of work in which he nas done excellent service but by his efforts in everything that was for the good of the school has thisbeen accomplished.And especially has this been true when by his work as assistant coach and as organizer of some of the largest mass meetings that the university has ever held he has given the University good cause to be grateful to him.

LAW BASKET BALL TEAM DEFEATS DENTS

Score 42-15—Burrell Stars for Laws Making 30 Points.

The Laws defeated the College of Dentistry basket ball team by the score of 42 to 15. The Dents were outclassed in every feature of the game thus enabling the Laws to run up such a large score. Burrell was successful in making 30 of the 42 points of the Laws. Much interest is being taken in the Inter-department series of games. Saturday afternoon the Liberal Arts and Dents will meet on Armory floor.

Summary of Law-Dent game:

Library Receives Annuals

Mr. M. G. Wyer, Librarian of the University is making a feature of college annuals from other schools. Four have been received lately and are being made ready for the shelves. Among those already on the shelves are those from Michigan, California, Oklahoma, and Purdue.

The last ones received are as follows: "Illio," Illinois University, 1909, "Savitar," University of Missouri, 1908, "Rabbit" Coe 1904, and "Gumbo", Louisiana State University 1908.

French Club Elects.

The new French club, Le Circle Francais de l' universite de l' Iowa, met at the Pi Phi house Tuesday evening to adopt a constitution and elect officers. Miss Alice Manney was elected president, and Miss Southwick, secretary-treasurer. Mr. Hook and Miss Smith constitute the membership committee. After the business meeting, an informal spelling bee was held. The next meeting will be held in two weeks with Professor S. H. Bush.

Glee Club Plans

J. L. Oakes, manager of the Men's Glee club is now preparing for the Christmas trip of the club. The prospects are good for an excellent itinerary.

DRAKE AND AMES FOR STATE CHAMPIONSHIP

FINAL CONTEST IS THIS AFTERNOON ON DRAKE STADIUM

Cedar Rapids and Iowa City Play Here—On Iowa Field Today—Few Other Games of Importance

Elevens representing Ames and Drake will play this afternoon at Des Moines on the Drake Stadium for the football championship of Iowa. The odds favor Ames for the Aggies are in the best of condition and unless weakened by the declaration that Hubbard is ineligible are expected to win from Drake by two or three touchdowns. However, Drake makes a great fight annually on its own field, against Ames, its hated rival.

Drake has the best record this season because of its victory over the Iowa eleven 12 to 6. This touchdown is the only one made by a state team against Griffith's machine, Cornell defeated Ames 6 to 0 earlier in the season when the Aggies were suffering under a reversal of form after the nerve racking game against the Gophers. This defeat though a black mark on the Ames record was partially wiped out by Grinnell's defeat of Cornell, after Coach Clyde Williams men had defeated Grinnell 53 to 0.

The local gridiron will be used this morning by the senior and junior medics and according to all preliminary "dope" the game will be exciting from start to finish. Both teams have been practicing more than is customary for the ordinary class teams and as there a number of old players in both lineups the contest will probably surprise the spectators.

This afternoon the Cedar Rapids high school team plays the Iowa City high school eleven in a game which has aroused more than the usual amount of interest among the local sports enthusiasts. Both teams have suffered defeat at the hands of the Clinton High school and earlier in the season the local boys were beaten by the Parlor City team at Cedar Rapids. Anxious to redeem this defeat and encouraged by Clinton's victory over Cedar Rapids, Iowa City will atempt to lower the colors of the rival eleven today.

Other games today are: Knox and Lombard at Galesburg.

St. John's M. A. and Shattuck at Delafield.

St. Louis University and Carlisle Indians at St. Louis.

Nebraska and Wabash at Lincoln.

Alumna Is Dead

Word has been received by friends here of the death of Miss Agnes Field, L. A. '07. The cause of death was typhoid fever. After graduating here Miss Field took one year at the Library School in Albany, New York. Since then she has been working in the Public Library in Council Bluffs. Her home was in Humboldt, Iowa.
