The news of the appointment of Mr. John E. Watson of Iowa City, to fill a vacancy in the State Board of Pharmacy Commissioners has been received with much satisfaction. Mr. Watson is essentially an Iowa man, having been graduated from the College of Pharmacy in 1892. He is a splendid type of the modern college trained pharmacist and it is predicted that his appointment to the Board will be followed by many improvements.

Since his graduation from the college, he has been connected with the pharmacy profession and has been a member of the firm of Quin and Wisbe at Council Bluffs, Iowa. At present however, he is engaged in the pharmacy business of Henry Field Food Company of Des Moines. During the years 1903-04 Mr. Watson was president of the Iowa State Pharmaceutical Association and has always enjoyed a hearty interest in the University affairs.

Mr. Watson was requested to appear before the State Board of Education and it was qualified by Gov. Gage. It is of interest to note that this appearance was the first official document receiving the signature of Governor Warren Gage.

Thanksgiving Football Invites Iowa City High School closed the season very satisfactorily Thanksgiving day by overwhelming defeat of Cedar Rapids on Iowa Field. The score was 27 to 0. Followers of the Iowa line are very cleverly pleased with the result since this victory entitles the team to the championship of eastern Iowa.

Iowa's victory over Sioux City was the work of the State championship, as Cornell's claim was annulled as critical. Missouri University lost to Iowa the previous year, and Cornell is said to have scored 18 to 9. This victory gives Kansas first place in the Missouri Valley conference.

In the out Pennslyvania conference Cornell followed their Thursday rules. Professor W. D. Wharton will speak in the Liberal Arts Hall, Monday afternoon at 10, under the auspices of the Liberal Club. The subject of his talk will be "Art and Literature."

REBY Quarter in Laboratory

This report of the work done in the bacteriological laboratory for the month ending September 30 shows that Dr. Allen and his associates are doing a great service to the people of the state in the matter of improving health conditions. In the three months' period 2056 examinations were made, the greatest number, 923, of which were for tuberculosis and diabetics next. 444 examinations were for returns from quarantines.

Library Societies Do Not Meet

Owing to the fact that so many members of the Library societies went home for Thanksgiving, the literary societies did not meet last Friday night.

"Henry Wilson, sir," was the reply

and she did not do a thing to him. Did you ever know anything that caught on bigger than the "Henry Wilson?" I guess not. I heard a drummer telling why widows were so scarce. It was because "there mon's no twice."

I think that's pretty rough on a widow. I know many a wide who wishes she was a widow. They're widows, of course. I want to tell you one thing that's proper with the ladies who shop here and that's insurance they have here that assures every article that they buy of

doesn't have a lead off your mind to know that everything you buy in so good that it is finally "insured," and if it fails to give you full value in honest wear, you get your money refunded or a new article. If you want to tell your packing, hats, underwear, etc., won't you give us the opportunity?

Send me your order and tell me the competition you want to overcome and I’ll do the rest. I know how. I’ve done it for others and don’t know what failure means. Taken the public by storm—been ten thousand and tongues wagging—Starts the dollars your way and keeps them rolling in amazingly.

Live Ones, write me, Needy ones, wake up, I’ll show you how it’s done.

The Cote Piano

A perfect instrument. I sell it to you at a moderate price, but no $50 instrument has richer tone, more perfect action or a longer life than the Cote. Used in a thousand homes. Well and deservedly known everywhere. Splendid workmanship throughout and beautifully finished.

And let me tell you it would be suicidal for any merchant to give away a cheaply made, inferior piano to any customer if he wants any permanent benefit from the enterprise.

Used by Merchants, Manufacturers and Publishers, large and small, and always wise.
