COUNTY CLUB RALLY PLANNED FOR DEC. 15

GREATER UNIVERSITY COMMITTEE MAKES ANNOUNCEMENT

Arrangements to be Perfected For
Reunion—Lane Elected Presi-
dent of Committee

The county club rally will be held in the Natural Science auditorium on Tuesday morning, December 15, from 10 to 12 o'clock, under the auspices of the Greater University Committee. The county convenors will soon be appointed and the Greater University machinery will soon be in full operation completing the arrangements for the county club gatherings of students and alumni at Christmas time in the state.

The convenors will be notified this week and instructed to come to Alumni Secretary M. L. Patterson's office to receive data concerning the sending out of notices to the members of the county clubs. All the county clubs will assemble under their own banners as last year.

The date, place and preliminary arrangements of the rally were completed at a meeting of the committee Tuesday evening in President G. E. MacLean's office. It was also decided to have a women's rally before Christmas to stir up enthusiasm over the proposed agitation of the Women's Building question.

The following committees were appointed. The county club rally will be arranged for by M. L. Ferson, J. Reed Lane, and R. C. Puckett. Those on the Women's rally committee are Miss Mae Keyser, Miss Edith Ball and R. D. Tiffany. There will be a meeting of the county club rally committee in Mr. Ferson's office this afternoon at 3:30 o'clock.

Permanent organization of the committee was effected with J. Reed Lane of Davenport as president; M. L. Ferson secretary and H. Raymond Gross treasurer.

GOVERNOR WARREN GARST TO LAY CORNER STONE

Dean Charles N. Gregory to Speak—
University Senate to be Present—
Students Invited

Governor Warren Garst will lay the corner stone of the new Law building this afternoon at 3:30 o'clock. Dean Charles N. Gregory is to say a few words in behalf of the Law College of the University of Iowa. Owing to the inclemency of the weather only short ceremonies will be held.

President MacLean has requested the University Senate to be present and all students are invited.

It was formerly the intention of the president to have the ceremony of laying the corner stone held during the annual visit of the state legislature, but as the work has progressed so far on the new building it is necessary that the stone be laid now.

Conditions have been very favorable this fall for rushing the erection of the Law building and satisfactory progress has resulted. Probably the work will shut down in a short time until the weather opens up in the spring. The contract calls for the completion of the structure in December, 1909.

REV. E. H. RUDD ADDRESSED STUDENTS

HIS SUBJECT WAS "THE OTHER
FELLOW" AT ASSEMBLY

He Urged the Life of Christ as the
Supreme Example of his Text—
A Strong Speaker

Rev. Edward H. Rudd, S. T. D. of Ft. Madison, Iowa, addressed the assembly yesterday morning on "The Other Fellow."

According to Rev. Rudd, while our university training is largely individualistic of necessity, we cannot ignore "the other fellow," although our tendency may be to forget him as we become engrossed in our academic work. The speaker's long experience in college work qualifies him to speak on educational subjects with authority and he devoted some little time to a summing up of what education is and what it should accomplish.

In the matter of dealing with "the other fellow" he put sympathy as the foremost quality which must enter into our dealings with him. He said "we must consider how he affects us as well as how we should act toward him," and again, "The University exists for the students not the students for the University." He emphasized the fact that none of us can of ourselves accomplish anything and that we are constantly dependent upon those around us and quoted "thou must live for another if thou wouldst live for thyself." Finally he urged the life of Christ as the supreme example of sympathy and living for others, that has ever been given.

Rev. Rudd proved a strong, forcible speaker to whom it was a pleasure to listen.

The committee is composed of the following: Miss Gertrude Johnson, of the Public Speaking Department, Miss Edith Ball, and Mr. Ralph Lawton.

Applications for try outs will not be considered after the above date.

Mr. and Mrs. Richman will arrive from Muscatine at five o'clock this afternoon and will be the guests of Professor and Mrs. Carrier.

The State Historical Society will give a dinner in honor of Mr. and Mrs. Richman at the Burkley Imperial this evening. At eight o'clock Mr. Richman will deliver an address in the Assembly Hall of the Hall of Liberal Arts on "Some Researches in Californian History."

The Liberal Arts basketball team which is leading the inter-department league, defeated the Iowa City High School team Tuesday evening at the armory, by a score of 31 to 23. Seniors Asked to Help

"The committee in charge of the senior play is very desirous that any senior knowing of any suitable plays should furnish a list or copies of them to any member of the committee," said G. E. Frazier, business manager of the play yesterday. The committee believes that the other members of the class can greatly help in securing a good production in this manner and greatly desires their co-operation."

FORENSIC LEAGUE ELECTS OFFICERS

W. B. HAYES IS NEW PRESIDENT
OF ORGANIZATION

Committee Appointed to Select Eight
Faculty Members for Selection
On Council

W. B. Hayes, a member of the Marshall Law society was elected president of the Forensic League for the coming year at the annual meeting of the League held in the Liberal Arts assembly. The other officers were: vice president, H. P. Smith of Philomathian; secretary, Ben. L. Jacobson of Zetagathian and treasurer, J. L. Cameron of Irving Institute.

The only other business transacted was the appointment of a committee to select eight faculty members for the Forensic Council. The committee reported a list of eight names from which President G. E. MacLean will choose four members who will serve as the faculty representatives of the council.

Professor H. E. Gordon, head of the Department of Public speaking, announced that a rally for the University Debating teams would be held at the assembly preceding the debate.

Interest in the coming debates with the Universities of Wisconsin and Minnesota is beginning to be felt by the student body following the close of the football season. However the chance will be given the students to demonstrate their enthusiasm at this assembly on Dec. 8. A program that will create general interest in the forensic work will be arranged for and efforts will be made to arouse student loyalty in support of the two trios which will argue against the best of sister institutions.

Catlin Returns from Hunt

Manager Mark Catlin of the University of Iowa has returned from a ten days' hunting trip in upper Wisconsin on his father's ranch. With his return the scheduling of basketball games will be completed and preliminary arrangements made for the schedule next fall. The athletic board will probably meet tonight, the meeting last evening being postponed because of the illness of Professor A. G. Smith, chairman of the Board. The "I's" will probably be awarded the football team at this session.

Who Is She?

Great strides are being made in the preparation for the first formal party of the year. Since Thanksgiving vacation, the cotillion committee has been hard at work and have succeeded in formulating all plans for one of the best parties of the year. Tickets can now be purchased from any member of the committee. The next meeting of the committee is Thursday afternoon at 3:30 in 221 L. A.

THE NEW CURATOR

By appointing Professor B. F. Shambaugh to the curatorship of the Iowa Historical Department, Governor Cummins signified his intention of emphasizing its educational function. For such a position it is extremely doubtful if anyone else could be found who would combine so many desirable qualifications. Dr. Shambaugh brings an uncommonly varied training to his work. As a professor of political science; as superintendent of the State Historical Society at Iowa City, where his efforts have constantly been given to the furtherance of County historical associations; as editor of the Iowa Journal of History and Politics and various books; and as superintendent of the public archives, he has clearly shown that he is well fitted to take charge of this new work.

Professor Shambaugh's systematic and untiring help toward the steady growth of the library of the State Historical Society at Iowa City is in itself an indorsement of the ability of its superintendent. The needs of students and public men interested in Iowa history and politics are henceforth assured of as careful consideration at Des Moines. The experience and enthusiasm of the new curator will make the Historical Department of Iowa a source of satisfaction and pride to the people of Iowa.

Freshmen Greeks to Dance

The Freshmen Pan-Hellenic Committee at its meeting at the Phi Delta Theta house Tuesday night made definite arrangements for three dances and a banquet to be given at intervals throughout the year.

The association, comprising all Freshmen Greeks, was organized last year for the purpose of bringing its members together in a social way. A number of successful parties were given, and the association was placed upon a firm basis.

The first dance of the year will be given January 9th.

Wise Talks
By the Office Boy

I heard a sailor tell a story about a woman who fell overboard in mid-ocean and how a great shark came up and looked her over and went away. He said it was a "man-eating shark." There are an awful lot of sharks in our kind of business, men who will tell you anything they think is necessary to clinch a sale. Our store is run on exactly the opposite lines. You get the exact truth, without any tricks or arguments. No salesman is permitted to take any advantage of you or bully you into buying something you know you ought to pass up. Our attitude to every customer is—"Be kind and obliging, so he'll feel he was never treated as well before in any store before." Our prices are the same to one-time customers as they are to all-the-time customers. We don't give discounts or trading stamps or anything except honest value, but we give lots of that. Every article we sell is bubbling over with value. No matter what you buy from us, compare it with the next best to be found in town at the same price. See the difference for yourself. Some of you folks may get the idea I'm talking a lot of hot air, that the other stores give you just as good values as we do. Put us to the test. Comparison is what built up our business. We sell everything men wear, except shoes.

Lincoln, Nebr., Dec. 2.—Outclassing the University of Nebraska eleven, the Carlisle Indians won a surprisingly easy victory from the Cornhuskers here this afternoon at Antelope Park, by a score of 35 to 6. Willner's Hats Are The Choice Of All Well Dressed Men--

Well dressed men appreciate "Quality"—"Style" and "Distinction" from ordinary fashions. That's the kind of headwear we sell—we never sell any man a hat just to get the money—That's not our way of doing business—We sell a man a hat that fits his head, his coloring, and his purse. We have the "Willner Special" for men who want a regular \$2.50 hat for \$1.90—Plenty of shapes and colors from which to choose—For those who want a \$3 hat—We say "buy a Beacon" (made in the Knox factory)—without an equal at \$3. Want the best on earth? Select a Knox, any style, shade or shape, and pay \$5—You can't get a better hat at any price—besides we are sole agents for Knox hats in Iowa City. Do you like a fur cap? We've got 'em, at \$1.50 to \$5—any style in seal skin, muskrat or coney.

Following is the lineup and summary:

"Girls" Tomorrow Night

Under the direction of the Messrs. Shubert, the attraction at the Children tomorrow night will be Clyde Fitch's latest comedy, "Girls," which has been voted by the press and playgoers of New York as the funniest play written in the past twenty years. Mr. Fitch has based his comedy on the subject of woman. He has avoided the slightest approach to a problem and has made the whole action of the piece breath the spirit of girls who are girls, and who, when they become women, are women. The Messrs. Shubert have supplied "Girls" with an incomparable company of metropolitan players and with a production that is completeness itself.

PLANS BEING MADE FOR MILITARY DANCE

CAPTAIN NELSON ELECTED CHAIRMAN PARTY COMMITTEE

Event Will be Held on January 15 in University Armory—Committees Appointed

The Military Ball committee met for the first time yesterday and formed an organization, with Captain Nelson as chairman. The other members of the committee are the eight cadet captains.

Several important measures were agreed upon yesterday. The most important of these are that the ball will be placed on its old time basis and made a formal at the popular rate of \$3.00. It was also decided to request all cadets, whether commissioned or not, to wear their uniforms.

The board of Deans has also been petitioned to allow the party to close at 2 p. m. and the date selected was January 15th.

The committee has promised to make every feature of the ball better in a marked degree than any previous function of the kind ever given at Iowa and they intend to set the pace for future events of the kind. One of the features is the electric lighting in tiny red, white and blue bulbs. The committees appointed were: Treasurer, Captain Griffin; Finance, Capt. Penningroth, Capt. Powell, Capt. Jones; Decorations, Capt. Myers, Capt. Griffin, Capt. Schenck; Programs, Capt. Griffin, Capt. Johnson, Capt. Hardin; Music, Capt. Schenck, Capt. Myers, Capt. Johnson; Refreshments, Capt. Jones, Capt. Griffin, Capt. Penningroth; Publicity, Capt. Powell, Capt. Myers, Capt. Hardin.
