GOOD BASKET BALL GAME

Since the defeat at the Hands of the Columbia and Wednesday night’s added interest has been taken in the Liberal Arts-Law game tomorrow, as a defeat for the Collegiate team will mean an extra game with the Engineers. At present the Liberal Arts team has a slightly better record and two games to play, while the Engineers’ record with three each won and one lost. If the law wins, the Engineers and Liberal Arts will be tied for first place, and an extra game will be played to decide the championship.

Wishes for the Office Boy

For less than six cents a week you may know "what’s doing" in University circles.

The teacher asked a green kid why he was late to school. "Mother has us get up and I have breakfast."
"But don’t you know that breakfast are over?"
"Yes, but this is my grandmother, and she never wanted me to go without breakfast."

"Girls"

Under the direction of Stan C. and Leo Hecht, the offering at the Colen's Insiders will be "Girls", filmed. Tale of Romance and Adventure, so successfully concluded last year, "Girls" which is now in its second year at Baby's theater, New York. There are four distinct types of the Oriental logistic displayed in this play, and the good-natured exposure of the women's weaknesses provides comical situations which prove amazingly funny.

That "Piano Advertising Plan" from Iowa

A WONDERFUL WINNER—NEVER FAILS—CAN'T FAIL

The piano costs you nothing—Your competitors pay the bill and YOU reap the profits—all the way from $500 to $16,000. That's what my patrons testify. Let me show you their letters—the feasth bunch of delighted people from hard headed business men you ever read or will read. Merchants, Manufacturers, Publishers all brilliantly succeeded.

Beginning Campaign

I equip you completely with the whole premium plan—all details worked out—to WIN.

Send me your order and tell me the competition you want to overcome and I'll do the rest. I know how. I've done it for others and don't know what failure means. Takes the public by storm—Sells their thousand and tongues wagging—Sells the dollars your way and makes them rolling in amazingly.

Live Ones, write me, Needy ones, wake up, I'll show you how it's done.

Salesmen, boys with "get and go" it's your chance. I want a few reliable salesmen to canvas the retail trade. Samples in coat pocket. Don't worry trying to revive dead lines. Get one with breath in it now. Get wise to the "Iowa idea." Mention this paper.

The Cote Piano

A perfect instrument. I sell it to you at a moderate price, but so $500 instrument has richer tone, more perfect action or a longer life than the Cote. Used in a thousand homes. Well and favorably known wherever. Splendid workmanship throughout and beautifully finished.

And let me tell you it would be suicidal for any merchant to give away a cheaply made, inferior piano to any customer if he wants to reap a permanent benefit from the enterprise.

Used by Merchants, Manufacturers, large and small, and always wins.
