RALLY BIG SUCCESS; GIRLS ENTHUSIASTIC

MISS EMA PONTIFICATE SHOWS "COURT TO BE PERMANENT!"

Mrs. F. C. Eastman, Noble M. Voel

and Others Speak—Lafarge Attendance of Young Women

"Keep at It, girls, be persistent and the Legislatures will do the rest," said Miss EMA Pontificate, who was last night in her address before the Women's Building rally, held in the assembly hall of the Liberal Arts building.

Miss Pontificate was the keynote speaker by the student, Cedar Falls, who delivered the address in the basement of the building.

The rally was a big success. The system of announcement adopted by the sub-committee appointed by the young lady members of the Greater University committee worked well, as shown by the attendance.

The total attendance of faculty members for the evening was the first year.

They in behalf of the club women of Iowa City, Mrs. Eastman, wife of Professor F. C. Eastman, urged the girls to wear the Women's Building badges happily during the holidays, and to speak to some member of the legislature whenever possible.

Miss Noble M. Voel, head of women, and one of the most active leaders in the present agitation, followed. She gave a vivid idea of the play for a girl's home on the campus and closed with a plea for the $175,000 appropriation necessary to build such a structure.

Miss Pontificate was the next speaker on the program. The address delivered by the student of the University who was known to the University of "IOWA" today. They will be maintained by the undergraduate class during their stay.

The first of a series of twilight meetings to be given by the Twilight Society of the University will be held in the Medical school, beginning at 4:30 o'clock. It is free to the public and every one is cordially invited to the faculty.

These recitals will be taken place of the Tuesday evening meetings, which were so popular. If enough interest is shown in this first one, others will be given. It is free to the public and every one is cordially invited to the faculty.

The Women's building on the next, said by Miss Noble M. Voel, will be opened on Sunday morning.

That "Piano Advertising Plan" from Iowa

Falls Prosperity out of a lean business caused by shortage of crops, panic, strong competition or bad location

A WONDERFUL'SUCCESS—NEVER-FAILS—CANT FAIL

The piano costs you nothing—Your competitors pay the bill and YOU reap the profits—all the way from $500 to $3,000. That's what my patrons testify. Let me show you their letters—the finest bunch of delighted ginger falls from hard headed business men you ever read or will read. Merchants, Manufacturers, Publishers all brilliantly successful.

Beginning Campaign

1. Equip you completely with the whole premium plan— all details worked out—WIN.

Send me your order and tell me your city and the city you want to cover. If you want to get through to these cities, it will take one or more men, and I'll send you the men and all the training necessary to bring the plan to a successful issue. If you want to have one of the best salesmen make the selling for you, I'll give you the best man I have in the business.

The Cote Piano

A perfect instrument. I sell it to you at a moderate price, but no $500 instrument has either more perfect action or a longer life than the Cote. Used in a thousand homes, well and favorably spoken of everywhere. Splendid workmanship throughout and beautifully finished.

Let us tell you it would be suicidal for any merchant to give away a cheaply made, inferior piano to any customer if he wants a permanent benefit from the enterprise.

Used by Merchant, Manufacturers and Publishers, large and small, and always wins.
