REGENTS WILL ASK FOR $100,000 OF LEGISLATURE

RECENTS will ask for $100,000 of the Legislature.

A second careful study of the university dinner tickets sold was made yesterday and it was found that a few over one hundred had been sold. The committee has made arrangements, however, that will allow prices for about six hundred and about a large number, above fifty feet by fifty feet will be erected at the north side of the university so as to allow those who are interested to sit at the tables.

The board of regents will give the placing of the more tables and will do away with all signs from the kitchen.
