**BASEBALL MANAGERS MEET IN IOWA CITY**

**ARRANGE SCHEDULES FOR COMING SEASON.**

Iowa's Best Men Get Together Wednesday to Arrange Baseball Dates in Ourselves.

Baseball managers from nearly every town in the state met yesterday at Iowa City to arrange schedules for the coming season. This was the annual meeting for this purpose, which is held every year about this time at some place in the state.

Little beside the arrangement of the schedule was done at yesterday's meeting. The schedule making, however, produced very satisfactory results, and most of the state schools have their schedules practically completed, with the exception of the games which will be played with teams from other states.

One feature of yesterday's sessions was the fact that athletic coaches were scheduled between Iowa and Ames for the first time since shown. The games which will be played with teams from other states.

**Cornell at Iowa.**

The schedule includes three games, scheduled for the State Fair. The Cornell at Iowa games will be played Wednesday, May 10, 1929, and will mark the last of a series of games which have been played between the two institutions.

The games will be played with the exception of the games which will be played with teams from other states.

The games were scheduled between Iowa and Cornell, and the schedule makes it possible for the teams to meet on the same field.

**GRINNELL DEFECTS IOWA BY ONE POINT**

**INSPIRE THE FEAST VS. GAME PLAYED AT AMORY.**

Lack Streak Rides High for Local Great Crowd Prizes-Religious Service.

In a desperately played game which ended in a score of one, Grinnell defeated Iowa University, their attendant attention at the time has been severely affected.

The social events of the University have been crowded upon two nights, and this kept many members away from their meetings. The societies who noted that it was impossible for many people to meet on any other night, and have been attempting to secure dates which will not conflict.

Chief among the events of the day was the opening of the season by the Women's Basketball Club, which met in the midst of the armory yesterday afternoon.

The games were scheduled between Iowa and Cornell, and the schedule makes it possible for the teams to meet on the same field.

**PREPARATIONS COMPLETED FOR ANNUAL JURISPRUDENCE.**

Preparations are practically complete for the Jurisprudence Scholastic which is to be held in the University armory on February 21, 1929. The committee in charge of the big class program has already scheduled most of the classes, and the more likely the most elaborate plans for a class program that have ever been thought out.

The programs are already finished and are ready for red with a button with the numeral 10 in black stamp on the outside. The order of these programs is in harmony with the general color scheme of the party. The decorations will be updated red relieved with white facings.

A new reed scheme has been approved, and the program will be made in the matter of decorating the armory. This, however, the committee of referees to supervise.

The lighting scheme will be the feature of the elaborate plans for decorations. The colors, red, white, and blue are the colors that were selected.

The main feature of yesterday's celebration was the meeting of the Jurisprudence Scholastic Committee, which consists of the students who will be in charge of the program.

The committee of referees will start the decorations in the armory. The lighting scheme will be the feature of the elaborate plans for decorations. The colors, red, white, and blue are the colors that were selected.

The most important feature of the celebration was the meeting of the Jurisprudence Scholastic Committee, which consists of the students who will be in charge of the program.

The committee of referees will start the decorations in the armory. The lighting scheme will be the feature of the elaborate plans for decorations. The colors, red, white, and blue are the colors that were selected.

**DARWIN DAY AT AMOSY.**

Last Wednesday was celebrated as Darwin Day at Amosy. The event was celebrated in the usual manner and was attended by many of the students and faculty.

Professor Nature spoke of Darwin as a man who has shown the world the way to the future. He described Darwin as a powerful man physically, but not a fighter, who was a thinker and left the world a better place for his work. Professor Nature made a brief summary of the Darwinian theory of selection.

He pointed out that Darwin's work was an extensive contribution to science, and that it had shown the world the way to the future. He described Darwin as a powerful man physically, but not a fighter, who was a thinker and left the world a better place for his work. Professor Nature made a brief summary of the Darwinian theory of selection.

**CARRY FOR BASEBALL AND TRACK ISSUED**

**NEW REPORT TO AMOSY AT 2:00 MONDAY.**

The call for baseball men has been issued for tomorrow. Coach Kirk has given the baseball squad daily workouts for the past two weeks, but thought, best to try to carry the general call until enough examinations were over. He wishes every eligible man who has not yet experienced baseball or track, to report for tomorrow.

He will call the men together and give instructions as to what will be expected of them in the way of training.

General indoor work will be begun at once and the cage set up for tomorrow. The baseball team will be ready for the first game of the season.

The baseball schedule for tomorrow will be announced by the number of players who have reported.

The baseball schedule for tomorrow will be announced by the number of players who have reported.

Amusements

Kyril Concert. On Monday at the Colosseum, Kyril and his concert company will play and the concert and its musical interlude will be unusually accompanied by the enthusiastic reports from previously furnished quarters.

Mr. Kyril at the concert will be assisted by Miss Helen Norris, a pianist who has filled successful engagements with grand companies in Paris, Milan, London and New York. Miss Edna Bichlamer who has made such a big hit in New Orleans as a soloist with Mr. Walter Dunwyst and his New York orchestra—she retired six weeks before entering the theatre. Miss Sarah Crider, who is also Miss Kyril's soloist when on tour with his band.

Event at New Orleans.
Professor Eastman will attend the meeting of the Classical Association in New Orleans, La., February 18.

Wise TALKS
By the Office Boy

It is beginning to be thinly that the simple life is the best. Too great possessions are a burden and too much noise causes dizziness, headache and the goal, so be satis-

ified with less than a million. The City Hall may be expected to be vacated some days and do not want a lot of money to burn. His theory is that money is good for what you can get out of it, comfort, dignity and the good of the company that is others are less fortunate. Next time wear windows or else palaces, but only a few can now afford whether they fit or not. The fit is just as im-

portant in night togs as in day togs if you value comfort. Our night togs and they range in price from $5 to $15. We take pleasure in giving you in all the accessories of your wardrobe and to please you in every respect. This is fully guaranteed.

Tour For Pictures Exhibited.

On account of the fact that many pictures were mailed in for settings in the rush of the last day allowed for Hawkins pictures, the management of the Hawkins has decided to allow an additional week for the taking of these pictures. The final date as now set for Junior o'clock through the day. It is important that pictures be delivered at the office, room 236 L. at 2:00 between four and five o'clock in the afternoon.

Faculty Defends Liberal Arts.

The Petryke team gave the Liberal Arts a decisive bearing in their game in the indoor football league yesterday. Cottle, who was in, the best for the faculty, was irresistible, while Carlock was hard barrier. Sterner.
