MEET CHosen To REPRESENT
IOWA IN GYMNASTIC MEET

The Daily Iowan

WRESTLING TOURNAMENT WILL BEGIN

SEEN—Medals Ordered.

For the past two months Physical

Director E. F. Schroeder has been

engaged in preparation for the state
gymnastic tournament which is to

be held in Council Bluffs on Saturday

and next Saturday. Special attention has been
given to the bars and rings. Every man who has any experience whatever in gymnastics was given a
tryout. Many of the men have shown up exceedingly well and E. F. Schroeder found it very
hard work to select a team. However,
four men have been chosen to represent Iowa in the meet. The men who will make the trip with
Schroeder are B. J. Loper, L. E. Carr, W. E. Schurman.

The following institutions will take part in the tournament—Lancaster,

Rockwood, Iowa State Normal, and the

State University of Iowa.

The team is made up to try out three

men from each team for each event. Each man must enter at least two events. A winner will be
given in the winning meets and medals

will be given to the individuals making high

scores. Special attention is to be given to

tryouts for wrestling and combined events.

I appreciate the support of the football

men said Professor Nat battles last evening. “Their support has certainly aided me in the work of

outfitting funds to push the program.”

Committees Coming.

A representative meeting of the students and athletes was called last evening

and Professor Nat battles was present. It was decided to form a committee

which will consist of the Class Council and all faculty. At all the last hour not all

the good sports that were present attended and not a few were present a little too late. Professor C. C. Whitfield, the

president of the proposed expedition to the country, made the following report:

“Tires are the only safe vehicle which has been successfully taken of any kind. We

must all be careful to have our tires inflated and carry a good supply of air."

Registration Close.

Today is the last day to register for the coming spring tournament. Students may

register in the Administration Building or in the Ohio State Building. The next

will be held at 8 o’clock on Monday

and next Monday. The work will be started at 8 o’clock and will be continued

throughout the day.

More About Desires.

The Religious Egoism counselors have

been busy preparing for the approaching

tournament. They have received many

letters from those who have been interested in the movement.

The entertainment will be held at the

University. “The Sunday Mass has passed,” said Prof.

C. E. Fisk, “the committee would like to see more people interested. Only a few

have been received but those contain many helpful suggestions for the future.”

The Letters may be left at either 151 L. A. or mailed
to the Religious Egoism association.

More than 50 letters have been received by the counselors.
