LAST BASKETBALL GAME ON THE HOME FLOOR

GOOD ATTENDANCE AT Y.M.C.A. CONVENTION
IOWA REPRESENTED BY FIVE DELEGATES

Emotional sessions are held in the Mines—Five Hundred Col- leges and Men Here.

By Walter F. Carroll

Over five hundred students rep- resented the various colleges of the state gathered at Des Moines last week to attend the thirty-fourth convention of the Young Men's Christian Association. These meetings have been days of intensive discuss- ion, study, and inspiring ad- dressess and business sessions devoting one day to recreation.

Ladies and gentlemen are requested to be at the home of Miss C. C. Howard, 512 East Grand Avenue, at 10 o'clock Sunday morning for the last meeting. Miss Howard will preside.

Coach Kirk and the Hawkeyes

Popular Lecture

The Hawkeyes have been turning over to the printer. It is expected that an- other handbill will go to the press at the end of this week. The work on the engraving of photographs is progressing favorably, and everything points to an early completion of the book.

A word in the interest of the war effort.

The annual history of the Mines, one of the most interesting stories of the world, has been brought out this week.

A modest beginning.

It is estimated that a hundred copies of the book will be available by next week. An advertisement in a local newspaper will introduce the book to the public.

Important Choral Society Notice

A meeting of the members of the Choral Society was requested by Director Henry G. Cox to be present Thursday evening, 7 p.m., Feb. 14.

It is important that all members present an important appearance. A very important appearance it will be. A few tickets will be taken with great favor among the students. Various classes have been formed, and the directors of the various groups will be ready to receive the public. The directors of the various groups will be ready to present the program to the public.

Toilet in Chicago

Dr. F. H. Borden will go to Chi- cago next week to attend the annual meeting of the independent section of K. A. This is a meeting of the assistant secretaries of the larger schools of the country and college boards. It is the educational work of the section.

Annual Dinner of College Gents

Pierce C. T. Gorin, of the Eng- lish faculty, has been made a of a very good position in the Philippines last week and is consid- ering the matter very seriously. It is unlikely that he will accept the position and will return to Iowa.

ASSEMBLY

The annual dinner of college gents was held last week at the headquarters of the Phi Delta Phi fraternity. The dinner was attended by the students and faculty of the college. The dinner was held at the Hotel Waverly, and the guests included the faculty and students of the college.

McMillen at Assembly

Mr. W. H. McMillen, of the New York City, international secretary of the Student Bible Study, will address the assembly. Mr. McMillen is an interesting and instructive speaker.

WATERFOWL OF SCIENCE,
THE HIGHEST GOOD OF MAN
Optimistic Lecture on the Harmony of Science and Religion

Last evening Prof. Walter Clark delivered the first of his series of lectures under the auspices of the Iowa chapter of the Boylston XI society on "The Quest of a Science." His lecture was one in which the scientific and religious world is greatly interested and was appreciated by the large audience present.

A word in the interest of the war effort.

It is estimated that a hundred copies of the book will be available by next week. An advertisement in a local newspaper will introduce the book to the public.

Coach Kirk reports on the Big Baseball Squad

Prospects Good for Fast Team This Spring

Number of Veterans Back—New Men Showing Up Well—Gull- ter Has Not Yet Reported.

Baseball practice has been going on in the armory for over a week, and local fans who have watched the Hawkeyes in recent years have a chance to get some idea of Iowa's prospects on the diamond now likely come in.

"It's hard to de- termine a player's ability from the practice, said Coach Kirk, who at the same time is prepared to get some idea of his previous per- formance, and much can be told from the way the different individuals handle the ball on the bases, with the batting cage and on the floor of the gym.

Judging from what has been seen so far, the Mines has an unusually able and experi- enced squad from which in pick the starting nine. There is a number of veterans on hand as a nucleus, including Hasty and Bur- reli, pitchers; Missouri and Stewart, infielders; and Johnson and Buck- es, outfielders. It now seems cer- tain that "Lefty" Hasty, the Mines' pitcher, was a fine showing with last year's wins, will not be back. Another thing which is worrying Coach Kirk and the Iowa boosters is the continued absence of Captain Gulliette. Nothing has been heard from him for over a week, and it now appears that he will not be in school this semester. This will be a big loss to the Mines, but if the prospects, as Gulliette is undoubtedly the best college first baseman in the state, will not be.

Coach Kirk now has a large num- ber of men trying for every position, and it will probably be difficult to fill any of them satisfactorily.

The following men have so far reported for practice in the gym- nasium: Rock, Colton, Critt, Cron, Hook, and Jast; pitchers; Whites, Burrell, Haskell, Becker, Jones, Benecke, Kite, O'Neil, Wedesbach, Bailey, Gunnsen, and Jones. Infielders, Rava, Keil, Mc- donnell, McDowell, and Pick- erill, center. Westbecue, Various, Novak, Yorick, Beckman, Carr, Mincle, Bailey, Stewart, Cull, and Sinehills: Oxleiffe, Blaine, Blake, Howes, Blaine, Thompson, G. Thompson, and Kerr.

Winston to Colfax.

Dr. C. W. W. Dawson goes to Colfax on Friday to deliver a lecture on Commercial Geography.

Colfax meeting of O. K. S.

Kris Hertsch, an O. K. S. alumnus of the Class of 1910, is the present of the O. K. S. club in the Liberal area drawing room today at 10:00 p.m.

MEANINGFUL SMART FOR MONEY
The following from the Daily Iowan will be of interest to the
students of the Iowan, the editor of the late Arthur Gordon Whitten, 11 E. 77;
"The Fifth-Quarter regimental band of Cedar Rapids gave a benefit com-
petition last week for the Iowa Avenue
fund. This memorial fund was
started by the Organization of Cedar Rapids. Little of which the students' club is a member. Several hundred dollars have been raised for the fund to
attract a strong personnel to Professor
and that the regimental regis-
tert was a financial success; the
ballet will be appreciable.
After the dance the Kenton Kegler
was among the first of the compe-
titors to this field.
"It will be remembered that Pro-
fessor Hoole was stationed in Des
Moines when this department was
first installed in the university. Pro-
fessor Hoole's death was due to a
war wound. He is the author of
a number of papers on the Iowan,
which will be published. A reflection of his po-
thesis under his title of "Iowan In-
fluence" was published last Decem-
ber.

Notice to Senior girls.
There will be an important meet-
ing of all senior A. G. girls. in the
Library at 11:30 Tuesday, February 16.
