### BAND MONEY RAISED: "ON TO MINNEAPOLIS"

BIG MASS MEETING CONTRIB-UTES LIBERALLY FOR TRIP

Monster Assemblage Eclipses any Gathering in 1908 Season-Wild Enthusiasm Manifest

The band will go to Minneapolis. There was more than verbal enthusiasm at last night's mass meeting. The music of the band, the yells and songs which shook the ceiling of the big auditorium, were not the only manifestations of Iowa spirit which the approaching contest with the Gophers called forth. When H. L. Heinzman, who presided at the meeting, called for those who were willing to give substantial proof of their desire to have the band at Northrup field Saturday, to stand, the audience rose without an exception. A collection was taken and \$152.38 secured in a few minutes. This, with that which had been raised by private subscription, amounts to \$269 .-50, ample to defray the expenses of

The meeting as a whole was a reproduction on a larger scale of the great rallies which marked last season. The auditorium was packed from top to bottom, and every speaker was wildly cheered. The band played for about half an hour in front of the liberal arts building, and then removed to the auditorium. Here Chairman Heinzman took charge of the meeting, and introduced President G. E. MacLean as the first speaker. After him, several students spoke in behalf of various university organizations. Clyde Robbins spoke for the Greater University committee; C. A. Corey represented the Daily Iowan; J. J. McConnell spoke in behalf of the Y. M. C. A. and Earl Stewart for the Forensic League.

Coach John Griffith followed with the story of his hopes and intentions and Captain Gross was the spokes man for the team,

Chairman Heinzman then dismissed the meeting with a final request for the students to turn out at the open practice this afternoon and give the team a rousing sendoff on the occasion of their last appearance on Iowa field before the northern invasion. The team will leave over the interurban this evening at 8:45.

SOPHS" IN WARM ELECTION CHOOSE TORGESON MANAGER STUDENTS

Annual Board and Class Officers Selected by New System

Alfred C. Torgeson of Beresford, S. D., was elected business manager and Frank Warner of Algona, Ia., was elected editor-in-chief of next year's Hawkeye by the class of 1912 yesterday. For the second time the new plan of holding class elections by the Australian ballot system proved itself a success.

Merle Alderman, who was the can didate for president on both tickets, eceived the honor of not having a vote cast against him.

The closest fight was between Warner and Ashton, the Zetagathian candidate for editor-in-chief, Warner winning out by a majority of eight votes. It was Zet day, the entire Zetagathian ticket being elected with the exception of Warner. Following are the results of the election:

## REGULATIONS SOCIAL

PRESIDENT G. E. MACLEAN SO DECLARES IN TALK

Head of the University Outlines Ideals For Institution-To Raise Requirements

Although recognized in this and other countries as a standard university, Iowa should keep advancing to higher standards along scholastic, sport and spiritual lines, was the theme of President George E. Mac-Lean in his "family talk" at the first assembly of the year Wednesday

The State University of Iowa belongs to the national association of state universities and is considered by the ultra-conservative universities of the east from whom recognition comes slow, to be in the front rank because of the high standards maintained here, President MacLean declared in his speech.

An action strengthening the requirements for entrance in the proessional colleges was forecasted by the speaker when he stated that the requirements for entrance into the medical college, raised this year to four years' high school and one year's liberal arts preparation will be raised eventually to two years' liberal arts.

President MacLean touched on the social regulations of the university, declaring they must be obeyed implicitly for they are wounded on the manners of refined homes. "Although it has been said college women do not marry, I think they do, in good season. When they do, they must be prepared," he said.

Prof. H. J. Barnum of the school son, vice president; Mrs. Will Reed, of music gave two highly appreciated violin solos.

DRILL SCHEDULE ANNOUNCED: MUMMA PLANS MANY CHANGES

Heavy Competition for Offices Among Juniors and Seniors

This afternoon at 4:30 the freshmen will be given their second lesson in military work. This time the sophomores will be given a chance to show what they can do in charge of a squad. Immediately after drill the officers will meet the commandant to recommend non-commissioned officers for the year.

Lieut. M. C. Mumma plans to confine the commissioned officers to the senior and junior classes exclusively this year. The regimental and battalion non-commissioned staff, together with the company first sergeants will come from the junior class, while the remainder of the non-commissioned offices will be filled from the sophomores. Sixteen wearers of shoulder straps are drilling now and many juniors who wore chevrons last year are working hard for the coveted straps.

The following schedule has been announced to go into effect next week: Tuesday and Thursday, 9:00 and 10:00; Monday and Wednesday, 11:00; Monday, Tuesday and Wednesday, 1:30; Tuesday, Wednesday and Friday, 4:30. All cadets will drill on Friday at 4:30, when the entire regiment will assemble for drill and instructions will be given in company, battalion and regimental drill and parade.

All cadets who have not seen Lieut. Mumma to arrange a definite schedule of hours for drill are expected to do so this week.

#### Cross Country Meeting.

A big squad of cross country men answered Captain Steinberg's call Tuesday evening, and plans were laid for this season's practice runs. Captain Steinberg and Professor S. H. Bush made short addresses, showing of of colors of of old of order of old of training, and explaining their plans for the work this fall. It was decided to hold the first practice run on Saturday morning, starting from the armory at 9:30. From this time on runs will be held about three times per week, as has been the custom in the past.

> The C. F. U. Society to Entertain The C. F. U. society will entertain the new Catholic girls Tuesday afternoon, Oct. 5, in the K. C. hall.

#### Tri Delts Entertain.

Delta Delta is entertaining at their chapter house this afternoon in honor of Miss Mary B. Latta and Mrs. Grace W. Archer.

Homeopathic College Reception.

Last evening the faculty of the college of homeopathic medicine entertained the freshmen at a reception in the homeopathic hospital building.

Mortar Boards Now?

The senior girls are agitating the question of appearing in their mortar boards at this time instead of waiting until mid-winter convocation

### NO SCRIMMAGE TODAY: OPEN SIGNAL PRACTICE

TEAM LEAVES TONIGHT FOR MINNEAPOLIS

Students May See Last Signal Practice Before the Hawkeyes Meet Minnesota.

The last scrimmage in which the varsity will indulge before they invade the Gopher camp was held last evening with the freshmen. After giving the men a light signal practice, Coach Griffith lined up the first team against the first year men for an hour. Formations and plays which the Minnesota team used against Lawrence last Saturday were tried by both the varsity and the freshmen and especial attention was given to breaking them up. The varsity showed good all-around team work and the forward passing of Murphy and Ehret was especially noticeable.

No scrimmage will be held this afternoon as was announced but the gate will once more be thrown open and the students will be given an opportunity to witness the final practice before the Gopher contest next Saturday. The squad is in tip-top shape at present and Coach Griffith does not want to risk the chance of injuring any of the men at this late

The weights of the men last night showed that the line-up which will probably be used Saturday averages 177 1-2 pounds, the forwards tipping 179 and the backs 173 1-2. The weights of the Minnesota aggregation given for the Lawrence game show the general average to be 169 pounds, the line 175 and the back field 154. This gives Iowa the edge on Saturday's battle as far as weight is concerned.

The list of the men who will make the trip has not yet been announced, but a squad of about eighteen men will leave this evening for Minneapolis in a private car. They will be accompanied by Coaches Griffith, Eby, Moore and Hastings.

#### Smoke Consumers in Operation

Smoke consumers costing \$7,500 are in operation and the smoke nuisance from the university heating plant is abated, a fact which is pleasing to Iowa City citizens and the university public in general. It is estimated the new stokers will save large sums in coal bills also.

#### **High School Game Saturday**

Iowa City high school's footbali team will play Newton high school on Iowa field Saturday afternoon. The rivalry between the two elevens is keen and a close game is expected. Last year Iowa City won at Newton by a score of 5 to 0. Manager Herbert O. Field has made arrangements for the announcement of the Iowa-Minnesota scores during the contest.

THE PHYSICAL EXAMINATION.

The physical examination which is required of all the new students because of its thoroughness, is undoubtedly of a great help to the sudent during the college course. For instance, the specimen is first placed upon the scales and his weight registered. At the same time the height is measured. Then come the other masurements of the body, the chest expansion, the lung capacity and the strength of arms and back. All are systematically taken and registered.

The most valuable thing about the examination to the student is that the student is furnished with a chart after the statistics are taken and filed of his individual condition and is advised as to the work he should take. For example, if the sudent has a weak heart action, certain work is prescribed for him that will tend to remedy the deficiency. In this way it may be seen that a great help is given to the student and his health can be greatly improved white he is in school, contrary to the idea that a college course is usually trying on a man's health.

一般 名書に回る 十二日本まながらない

Th examinations up to date have kept Director Schroeder busy and it will probably take at least a week and a half longer to complete the work. The students themselves are enthusiastic about the work and cause for gratification is found in the unusual interest taken.

Freshmen Girls Join Y. W. The membership committee of the Y. W. C. A. met last evening at Close Hall. A great many freshmen girls joined the association. Miss Olive Chase led the devotional meeting.

OLIVE MEAD QUARTET Monday, February 7, 1910.

ALICE LAKIN Wednesday, December 15.

FRITZ KREISLER Wednesday, March 2, 1910.

Y. M. C. A. RECITAL

The Finest Series of Musical Recitals Ever Given in

Daniel Beddoe, a famous Welsh tenor, is the leading oratorio tenor now in America.

Mme. Lakin, a noted English contralto, has charmed England, the Continent and Africa, and is making her first American tour. The Olive Mead Quartet of strings is rated as the equal of any similar organization in the world, and acknowledged to be the finest in America.

Fritz Kreisler needs no introduction to musical people; there is no greater living violinist.

This course has the enthusiastic endorsement of Dr. Fisher, Director of the University School of Music, of Mr. Ralph Lawton and Mr. Henry G. Cox, formerly of the same school, of Mrs. Edwin Diller Starbuck, and of Miss Anna Smith Close.

#### Y. M. C. A. Special Edition.

Next week the Iowan will print six issues. It is the intention to put out a special Y. M. C. A. edition to appear on Monday, October 4. The whole field of this Christian organization will be presented with a view to familiarizing the university and especially the new students with what it is now doing and expects to do as a factor in the moral uplift of the school. Live articles will appear from the best minds of both the faculty and mittee to be present as there is an association. It is planned to produce one of the most complete histories of the plans, purposes and work of the association so far printed.

#### Freshman Notice

The first lecture of the course in hygiene required of all freshmen will be given in the assembly room of the hall of liberal arts on Monday, Oct.

#### Rooms Plentiful.

Students entering late this year are not meeting with the customary trouble in getting rooms as this year the supply has been found to greatly exceed the demand. The establishing of several new halls for girls has saved the entering co-eds much difficulty. Raney Hall, the university dormitory, is full as usual, but the new St. Agnes Hall still has many vacant rooms. Secretary Heinzman of the Y. M. C. A. reports rooms for at least eighty men still vacant. Suites are proving especially popular this year and all houses offering these are
