First Annual Fall Meet This Afternoon at 4:00

Program of Twenty Events Is Scheduled

These Twenty events of the first annual fall meet will be held on Iowa field. This is the first time that the fall meet has been held at the university. Indications point to a successful meet.

The meet has now been opened and many entries are expected to be posted on the list by this afternoon. There will be a variety of individual and team events, not only from the free throw, but from the upper classes also. It is hoped that all freshmen, whether they have any records or not will be out today. Iowa's chance of getting a freshman meet with Chicago this year again depends greatly on the showing made by the freshmen.

The meet will be an interesting contest for following competition in either session of athletics which is proving such a success. Each college will be represented by a relay team in addition to the representatives in the other events. The board in control of athletics had decided to award points against the schools for the entries of each of the events. The medals are already here, and will be awarded immediately after the meet.

To cover part of the expenses of the meet, a small admission fee of twenty cents will be charged. A large part of the revenue has been realized among the different colleges.

The races in the order are as follows:

200 yard hurdles, ride pole, pole vault, 140 yard dash, 440 yard dash, shot put, discus throw, hammer throw, high jump, long jump, hurdle, high jump, broad jump, wrestling, relay race.

Hyland Temporary Captain

At Wednesday night's meeting of the Interstate track, Capt. Hyland was elected as temporary captain of the track team. Capt. Exagonio has not been in school long enough to allow the second semester, and it was necessary to have a temporary captain in order that the track team might be represented on the athletic board.

Hidden Confidence in Camp of Tigers

WILL GIVE PROGRAM.

Should inter-collegiate football be abolished by law? Is it for the best interests of the college or the university to prohibit this ancient sport? This is the question which Iowa Institute will debate this evening at 7 o'clock. The partisans will take up the proposition of forfeiting only for revenue only. Both teams down, to come quite different characters, presumably in very interesting. There will be no regular dramatic program owing to the approval of the opponents. The program will be as follows:

Resolved, that federal government should abolish inter-collegiate football.

World's Greatest Lions Will Be Here.

Coach Cooper Recently Pools Every One by Calling off Cornell Game.

Coach McCollum Daily Missourian.

Missouri will rely on blueline drop kicking.

Hassle of Daily Missouri.

Cedar Rapids. Ia., Oct. 21.—On the irony of the Iowa college town Coach Oliver suddenly changed his plans by calling off the proposed program against Cornell college. Hence the Tygers did not journey to Mt. Vernon but allowed this favored pre-season exhibition in isolation at the Cedar Rapids basketball park.

Tuesday morning the team leaves here for the bowl's ride to Iowa college. This is the second time that the team has been definitely decided upon and three men are receiving the final cuts, and the tourney from the coaching staff. After Tuesday's game against Corn one of the scrimmage dates were called off and Missouri continued itself to general practice, much work on special plays and general practice was cut by the different teams, and Missouri. It is said that they will have the correct players and best attitude to meet the demands of the game. Two points are not met. Missouri showed improved form, and the same aster was the same early in the game.

Music will be kept up by the men of the show by an injured side. He was sent there in the Ames game and recovered from the small practice. Oliver, the other star, dug well, but he did not start the game at Iowa City: Alexander will do the punting, and Black will come on to do the placekicking. The big tackle kicked three out of two in the Iowa game this morning.

The preparation for the first annual field meet, which is to be held at 8:00 o'clock tonight, will be made with such liberality that it should be made with the contest.

We very much hope that no one will rest in general there is no rest in that department. The boss wouldn't stand for such a meet.

This is a great for the first annual field meet, which is to be held today, this has been going on for a long time now. The athletic board has very generously offered a gold medal for the winner of every event. The board with each medal should be made by the students. This meet is going to be by a great number in the next track meet. If it is possible to make it, that means a freshman team will be sent to compete with the Monday first meet against.
