It was nearly a matter for the whole school. Basketball regulations are about to begin, and the March will be in full force, and the basketball season is expected to be quite successful.

Several recent basketball games have been played, and the team has shown great improvement. The next game is scheduled for next week, and it is expected to be a good one.

Miss Anita H. Stewart, who has been a member of the team for the past two years, has decided to leave the school at the end of this month. She has accepted a position with a newspaper in Chicago, and will be missed by her many friends.

The basketball team is looking forward to a successful season and hopes to win many games. The first game is scheduled for next week, and the team is looking forward to a good showing.
