WISCONSIN HAS BEST PERCENT-
AGE IN LEAGUE

Inter-Collegiate Debates Only Five
Weeks Off—Judges Now
Being Chosen

With the debates of the inter-collegiate league five weeks distant, interest in forensics has received a new impetus. On the night of December 10, teams representing the universities of Iowa, Minnesota, Wisconsin, Nebraska and Illinois will argue the question, "Resolved, That a graduated income tax with an exemption of all incomes below \$5,000 per annum would be a desirable modification of the system of Federal taxation, constitutionality granted." On June 5 Iowa chose her two teams. The one, composed of George Allen, Frank Jones and Glen Cunningham, will uphold the affirmative of the question at home against Nebraska; the other, composed of Earl Stewart, Carl Byoir, and Clifford Powell, will maintain the negative against Illinois at Urbana.

Minnesota also picked her teams last spring. While Nebraska has not yet selected the men who will represent her at Iowa City nor against Minnesota at Lincoln, the try-outs will be held in the near future. The squad is putting in a great deal of time working up the question and meeting daily and sometimes several times a day to discuss and go over the material.

Wisconsin, who at the present time stands at the head of the Central Debating League, is to debate with Minnesota and Illinois this year. The men who will represent her in the Minnesota contest are Edwin Witte, Harold Martin, and Erwin Myers. Those who debate Illinois are George Blanchard, Thomas Sanderson, and John Childs. All of these men are experienced debaters. Martin took part in the Iowa-Wisconsin debate last year and Blanchard debated against Nebraska at the same time.

The series of debates which will be held this year is as follows: Nebraska-Iowa, at Iowa City; Iowa-Illinois at Urbana; Nebraska-Minnesota at Lincoln; Illinois-Wisconsin at Madison; and Wisconsin-Minnesota at Minneapolis. Just at present the league is occupied with the selection of judges.

This is the fourth or last year of this quintangular league. Last year Iowa won the championship for the current year by defeating Wisconsin at home and Minnesota at Minneapolis. Wisconsin stands at the head of the schedule and Nebraska at the foot. The respective standing of the five universities is as follows:

	W	L
1 Wisconsin	4	2
2 Illinois	3	3
3 Iowa	3	3
4 Minnesota	3	3
5 Nebraska	2	4

MUSICAL TREAT AT ASSEMBLY.
MRS. GRACE WATSON SINGS

Large Crowd Attended Musical Program Yesterday

A variety of seventeen original songs sung by Mrs. Grace L. Watson of Cedar Rapids furnished entertainment at assembly Wednesday morning that was applauded enthusiastically by the largest number of students who have attended this year. So crowded was the auditorium that chairs were used to accommodate the overflow.

After the religious exercises of the morning, Pres. George E. MacLean introduced Mrs. Watson. She prefaced her performance with an explanation of the sources of the words of her songs for which she composed the music. She accompanied herself on the grand piano and held the attention of her audience closely. Her pleasing personality and "human interest" in the songs gave the students the most enjoyable assembly this year.

The senior girls wearing their mortar boards attended in a body and were heartily cheered on their entrance. The custom is started earlier than usual this year, the girls usually not donning their badges of distinction until the second semester.

Drake's Center is Injured

Captain Warren of the Drake football team was injured about the head and body by broken glass in a street car accident yesterday morning in Des Moines. A car coming down the Nineteenth street hill ran off the track and overturned at the bottom. Warren was pulled out and taken to the hospital. It could not be learned last night whether he will be able to play against Iowa Saturday.

Heinzman on Efficiency

General Secretary Harry L. Heinzman led the mid-week meeting of the association last night. His subject had to deal with what promotes or hinders efficiency. In closing he outlined four fundamental sources of power in a Christian's life: First, Man must not buck conscience. He should not do the wrong when it is apparent; second, he must not seek power to boost self; third, he must take time for prayer and communion with God, and fourth, he must be willing to sacrifice self. "A great many men are good moral men, good students and good in every way except that they have a careless indifference to the existence of a Supreme Being," he said.

Meeting of Officers

Major Clifford Powell met the commissioned officers of the first battalion yesterday afternoon. Plans for the betterment of the battalion were discussed.

Iowa Woman's Club

The Iowa Woman's club will meet this afternoon at Close Hall at 2:30. Mrs. Rice will have charge of the meeting.

CARNEGIE INSPECTORS IN MEDICAL COLLEGE

CLOSELY INVESTIGATE LOCAL SCHOOL OF MEDICINE

Dr. Abraham Flexner and Dr. Thomas Whitehead, the Representatives, Well Entertained

Dr. Abraham Flexner of New York, inspector of medical colleges for the Carnegie Foundation committee, and Dr. Thomas Whitehead, dean of the medical college of Virginia, spent a busy day Tuesday with inspections and conferences. Dr. Flexner left for Sioux City and Dr. Whitehead for the east after they had concluded their labors.

The two visitors were entertained royally while in Iowa City. President MacLean tendered a reception to them which the state board of education and its finance committee and members of the medical faculty attended. He also had the two inspectors at luncheon Tuesday noon. The finance committee of the state board and Pres. MacLean held a conference with Dr. Flexner and Dr. Whitehead from 2 to 3 and then the visitors went to Oakdale to make an inspection of the state tuberculosis hospital. Members of the finance committee were in the city all day Tuesday inspecting the different departments of the university.

Nothing can be learned of Iowa's chance to get on the accredited list of the committee. Coe college at Cedar Rapids is on the list and because of their standing, it is thought Iowa's chances should be good. Interest from \$15,000,000 investment given by Andrew Carnegie, an annual sum of \$750,000 is devoted to pensioning superannuated college professors. Pres. George E. MacLean was among those most instrumental in making state universities eligible to aid from this fund.

Vespers Announcement

The first vesper service of the year will be held in the natural science auditorium next Sunday afternoon at 4 o'clock. Andrew Strau Draper, commissioner of education of New York state, will deliver the address.

Graduate Founds School

After having striven for the past two years to found the Pine Woods Normal and Industrial Institute near Baxton, Miss., the realization of the desires of Laurence C. Jones, '07, Ph. D., came to him on October 25. The dedication of the one large building and the several small ones that make up the school for negroes took place.

Mr. Jones is perhaps the brightest colored graduate S. U. I. has. He started his school in a shed from which he had to drive sheep to make room for his pupils. The campus of his college, donated by an old negro of the neighborhood, presented a variegated sight, crowded as it was with negroes who had come in every kind of a vehicle to the dedicatory exercises.

VARSITY RIFLES' NEW PLANS: ELECT OFFICERS FOR YEAR

Crack Military Company Meets Weekly

The Varsity Rifles met yesterday evening at the armory for the first time this year. Officers were elected and plans outlined for the year's work. It was decided that for the present applications for membership would be confined to men who have had at least one year's drill here or elsewhere.

The company will meet for drill every Wednesday evening at the armory between 7 and 8 o'clock the same as last year. Special attention will be paid to the fine points of the drill. At the close of each drill individual competitive drills or "spell-downs" are held. Last year the custom was inaugurated of giving fobs to the men winning five "spell-downs." The custom will be continued this year. Three fobs were awarded last year.

Following is the list of officers elected: Captain and president, Lieut. Morton C. Mumma; 1st Lieut. Percy E. Van Nostrand; 2nd Lieut. Frank D. Baer; vice president, C. M. Hanson; secretary, L. A. Giddings; treasurer, G. A. Mullenburg.

Raymond Again Arrested

Charged with assault to do great bodily injury, "Duffy" Raymond was arrested last evening by the police after he had knocked down Manager Harry Pocock of the Bijou theatre on Dubuque street according to eye witnesses. Tuesday Raymond was arrested by Officer Gilpin on information sworn out by Mrs. Anna Pocock, alleging that he had embezzled \$100 last spring when connected with the Bijou Dreams theatre.

Physical Examinations Completed

Physical Director Schroeder has completed his physical examinations for the new men. A personal card for each man has been made out, containing weight, age, and all other statistics relative to a physical training department. Those figures are being gone over and as soon as completed some interesting facts will be published relative to the condition of the men. Figures only will be given and no names will be used. This scheme was followed last year and some remarkable discoveries were made. Something like 250 cards have to be carefully examined.

Debate Coach Here

Frank Randolph, debating coach, who is practicing law in Cedar Rapids this year, was in town last night working with the varsity debating team.

Unitarians Announce Recital

The Young People's Religious Union of the Unitarian church has announced a recital to be given in the guild rooms Wednesday, Nov. 10, by Mrs. Anna Diller Starbuck. Following the recital tea will be served in the east parlor by Mrs. C. F. Ansley and Mrs. Max Mayer.

SPECIAL TRAIN TO DES MOINES A PROBABILITY

FINAL ARRANGEMENTS NOT YET COMPLETED

Varsity, Freshmen, Band and Rooters Wish to Go in Body—Seat Sale at Whetstone's Small

In spite of the fact that only forty seats had been marked off at Whetstone's yesterday afternoon at three o'clock, yet it is expected that a large sale will be made today. Most of the students who expect to accompany the team to Des Moines are waiting until the last minute to buy their tickets and consequently the sale was small yesterday.

Final arrangements have not yet been made but a special train will probably be chartered to carry the varsity, freshman squad, band and rooters to Des Moines next Saturday morning. Manager Martin H. Smith said yesterday afternoon, "We are making plans for a special train to Des Moines but will not know until tomorrow whether we can get it or not. If we get the train it will leave Iowa City at 7 o'clock Saturday morning and will leave Des Moines at 8:30 in the evening. I expect at least four hundred rooters to make the trip."

After signal practice and a scrimmage between the freshmen and the local high school team, the remainder of the first year squad lined up against the varsity for a strenuous workout. The varsity did good work on both offense and defense and Coach Griffith thinks that he has at last found a combination which will be able to worst the Drake eleven at Des Moines next Saturday. Alexander continues to put up a strong front at tackle and center. Kresensky still holds down the left wing while numerous substitutions are taking place in the remainder of the line.

According to the reports in the Des Moines papers the Drake aggregation expects to repeat its performance of last year when they defeated Iowa by a narrow margin. Everybody in Des Moines is backing the Blue and White team and consequently the largest crowd is expected for the game next Saturday which has ever witnessed a game on Haskin's field.

Girls' Hospital Fund

On Friday, Saturday and Monday, Nov. 5, 6 and 8, a series of benefits for a S. U. I. girls' hospital fund will be given at Svendi hall, which was formerly St. Agatha's seminary. Light refreshments will be served from 2:30 to 5:30. Friday and Saturday are students' days, Monday being set aside for the public. The entire receipts will be turned over to the university.

Y. W. Meeting

The regular Y. W. C. A. meeting was held last evening at Close Hall with Miss Ann Gittins leader. Miss Myrtle Moore sang a solo.

Every morning except Saturdays and Mondays. Of the Vidette-Reporter the forty-first year and of the S. U. I. Quill the eighteenth year.

BOOST THE BENEFIT

The university of Iowa owes a debt of gratitude to Mr. Albert Berkeley who is about to give a series of benefits at Svendi hall. His efforts bid fair to supply a need which the authorities have overlooked. Wishing to do something of real worth, he purposes to establish a hospital fund for girls in the university.

Mr. Berkeley is sparing no expense in his efforts to make the benefits a real success. All who come are to be promptly served by his own employes. The receipts for the three days are to be left intact. Mr. Berkeley has offered to defray all the expenses that the new fund might be the larger.

When a business man manifests a real interest in Iowa, expending his time and money for her welfare, it behooves the student body to support him. We are the ones that are to be helped. It is our benefit. We are to profit in just the same measure that we extend our patronage. It is in reality a university function. The only way in which we can adequately express our appreciation of Mr. Berkeley's effort and the opportunity afforded us is to make the coming benefits a success.

Dental Laboratory Established

This year a special laboratory for the seniors has been established in the college of dentistry, devoted exclusively to impression work. It is equipped with a new automatic compressed air machine, furnishing a pressure of thirty-two pounds. A small electric air pump generates the pressure in the tank, which is capable of holding two hundred gallons. The pressure is now used only for cleaning and melting in the laboratory, but it will ultimately be

piped to all parts of the building. This machine is something new in the line of dentistry, and Iowa is the only school in the west as yet equipped with one. Besides this, the laboratory is equipped with polishing lathes, plaster moulds and all other appliances necessary to a first class laboratory of its kind.

Dental Clinic Growing

The work of the dental clinic is growing larger from year to year, being greater this year than at any time since the foundation of the college. Up to Nov. 3, last year, 1,655 patients received treatment as compared to 1,847 at the same time this year, an increase of more than two hundred over any previous year.

ALLEGRETTI CANDY

Miss Eltha Talbott is enjoying a visit from her brother of Hannibal, Missouri.

Miss Wangler of Waterloo is visiting her sister, Mae Wangler, at the Pi Phi house.

Miss Frances Beene of Marengo, formerly of the class of 1910, is visiting at the Pi Phi house.

Prof. Thomas H. Macbride will leave this afternoon for Des Moines on business.

The Phi Beta Pi medical fraternity will give a dance Friday night in the chapter house.

Prof. R. B. Wylie departed yesterday for Des Moines where he will read a paper before the State Teachers' association.

Prof. Samuel Calvin leaves today on a field expedition for Sioux City, from whence he will go to Council Bluffs.

Dr. J. L. Gillin leaves today for Des Moines where he will attend the meeting of the State Teachers' association.

Mrs. E. J. Smith has returned to her home in Harlan, after a visit with her daughter, Edna, at the Pi Phi house.

William Bennett is attending classes again after some trouble with a sprained ankle, received in freshman football practice.

The Elks will hold open house in their new home at the corner of Washington and Gilbert streets this afternoon and evening.

Mr. Paul Coldren, L. '98, of Kansas City, has returned home after a visit in this city for the Missouri game.

Mr. Roche Mentzer, L. '11, has returned from Des Moines where he was called by the illness of his sister.

J. C. Simons of Ida Grove, who played left guard in the Ida Grove west high game Friday, spent Sunday and Monday with his brother, Dan Simons, at the Phi Beta Pi house.

Prof. C. B. Wilson leaves today for Des Moines where he will take charge of the German section at the meeting of the State Teachers' association.

The Triangle club held their first informal evening in the club rooms Tuesday evening. The principal entertainment was a victrola concert by Dean Raymond.

Ivy Lane held initiation at the Pi Phi house last evening. Many alumni were present. The following freshmen were initiated: Misses Louise Cody, Lucile Emerson, Margaret Seedletz; Messrs Wallace, Gotch, Stuart, Allen, VonMauer and Smith.

The sophomore medical class will give a dance Friday, Nov. 12, at Majestic hall. The following committee has been appointed to take charge of the affair: Messrs. F. J. Kenney, J. G. Clapsaddle, A. R. McKeown, H. E. Russell and M. M. Ware.

Robertson Appears in Michigan

When Donald Robertson produced "Tartuffe" before the annual convention of the State Teachers' association of Michigan last month the comedy made a profoundly favorable impression. The Saginaw Evening News of October 28 said of the production: "Donald Robertson and his players have on other occasions attained standing in Saginaw and their greeting Wednesday night was a most cordial one. Mr. Robertson treats the role of Tartuffe as that of an unctuous sycophant of remarkable mentality, a master of sophistry, whose every move and act is based upon surface humility of spirit which serves as the cloak for a most arrogant pride, both of the spirit and the flesh, and whose outward piety is also a mask that remains impenetrable as far as his chief victim is concerned, until torn away by the artifice of the victim's wife. Seeing Mr. Robertson's Tartuffe one would never again need to enquire into the characteristics and qualifications of the hypocrite of class for the picture is a real one, a live one and a convincing one, done with finished technique and consummate art.

"In the support, the Dorine of Margaret Moreland stands out with prominence, giving the performance life and snap. Cyril Courtney had the role of the credulous fool of the husband and played it faithfully enough to produce an itching for an opportunity to take hold of him and shake him out of his dream."

COMING EVENTS

- Nov. 5. Dean W. G. Raymond at Baconian on "The Grade Element in Railway Operations."
