**Marshalltown vs Iowa City**

**FINAL WORKOUT TODAY PRIOR TO DRAKE GAME**

**COACH CRIMMELL WILL SAVE SECOND STRING IN GAMES**

Long scrimmage with Freshmen late championship game

Yet Decided Upon

No scrimmage will be held this afternoon, only a high sight practice

predominating the day's program. The final scrimmage was held with the Iowa City Freshmen late condition Thursday and second String will be the only Iowa City Freshmen late important baseball in the Drake games at Des Moines.

Instead of taking a position up on the stands just before the game, the Hawkeyes will sit at home today and take their seats on the Iowa field. Coach

Crimmell will follow out his policy by keeping the minds of the men off the game as much as possible the day before a game in a game and consequence the signal practice this afternoon will be unnecessary. "Tues an ironclad rule," said Crimmell.

The scrimmage with the Freshmen yesterday afternoon showed that the men were ready for the condition.

The scrimmage was a free for all, and all Iowa men and the Iowa Valley Historical Association will bring to Iowa City a larger number of various interests interested in Western history.

Championship Doubles Saturday afternoon the doubles in the undergraduate tennis tournament got started. Smith & Rans have opposed Cardinal and Tillman this final match, each team being undefeated thus far. The first set went in Smith and Hannah 6-4. In the second set Smith and Hannah started with a split, winning the third games. The playing style seems equally fast and Cardinal and Tillman seems energy given above the world of 5-4. Two more games were played, each team winning one an the match was ended in favor of the darkness. Store 6-4. The remaining sets in the match will be played Monday, in which Tillman will take the tennis season for all.
