The meeting of the Missouri Valley conference will probably be held November 27, according to the statement of Prof. A. G. Smith, Iowa rep- resentative in the National Association. The meeting will be held at the meeting of the location of the spring meet will be settled.

This has direct bearing on the ru- mored merger of the annual State Institute with the Missouri Valley conference next. To accomplish this merger a slight change will have to be made in the eligibility rules and this matter will undoubtedly be set- tled at the meeting.

Several representatives of Ames, Iowa, Grinnell and Drake have sub- mitted a recommendation to the national committee, composed of C. G. Brewer of Ames, Ross Jones of Grinnell and T. W. B. Thick of Grinnell and Drake, to strongly urge the State Institute and Missouri Valley conference to make the change. This was adopted.

At this meeting of the Missouri Valley conference it is probable that the re-consideration of the eligibility rules will take place. The sum- mer baseball proportion is still to be finally settled upon by the confer- ence. It is probable that the change will result in greater numbers, which Manager Smith found difficult in filling. At the rule changes are ga- ining acceptance.

The ultimate purpose of the society is to give an all opportunity to students interested in the study of English language and literature. The society is strong in the two organizations.

Chairmen will be in the Iowa, the same as the driving force for the Iowa Valley. The society will meet in the afternoon at the Lawton school of Agriculture, 8 o'clock tonight.

The following chairmen and officers, elected at the joint meeting of the Conference, will hold office until the next meeting.

Chairman, Frank C. Wilber, of Grinnell; C. L. Miller, of Cedar Rapids; R. W. Grinnell, of Grinnell College.

The meeting of the Conference was held at the University of Iowa, and was well attended. This was the largest crowd ever seen on Iowa field.

200 seats were sold in advance, and many more were assigned to the students and faculty of the University. The meeting was well attended, and many more were assigned to the students and faculty of the University. The meeting was well attended, and the program was a success.

The meeting was well attended, and the program was a success. The meeting of the Conference was held at the University of Iowa, and was well attended. This was the largest crowd ever seen on Iowa field.
