## CHAMPIONSHIP TEAMS HAVE BEEN SELECTED

### LITERARY SOCIETIES CHOOSE CRACK DEBATERS

#### Coulter, Ashton and Tuller Will Lead Teams—Debaters Chosen Have Much Experience

Friday night three of the literary societies chose the teams which will represent them in the coming series of inter-society debates. In each society there were a large number of contestants and competition for places was keen. The teams selected were thoroughly representative and a hard fought series of debates is expected.

The team chosen by Irving Institute consists of Clarence Coulter, of Iowa City, leader; Joseph J. McConnel, Jr., of Cedar Rapids; and R. H. Lippert, of Hampton. Zetagathian will be represented by Edgar Ashton of Iowa City; Macey Campbell of Pleasanton, and Edward Clough of Cedar Falls. The Philomathian team will be led by H. E. Tuller of Fayette, supported by E. W. Goetsch of Des Moines, and J. J. Fishburn of Muscatine.

All the debaters chosen have excellent records and each team is well balanced. Coulter was on the Iowa team which defeated Wisconsin last year and was leader of the championship team two years ago. Ashton, the leader of the Zet team, was a debater of prominence in the local high school and last year was a member of the winning freshman team. Tuller, the Philo leader, comes with an excellent record in debate from Upper Iowa University.

The other members of the teams will be amply able to support their leaders effectively. The first of the series of debates will come Jan. 18, when the teams from Irving and Zet will clash and the Philos will meet the Marshall Laws. The latter team has already been chosen. The winners of these two debates will then meet about a month later to contest for the championship of the university and for a cash prize of twenty-five dollars.

The Zetagathians adopted a new system of selecting their debaters; these alumni making recommendations to the society. In the other two societies the men were selected by ballot, as has been the custom.

At all the meetings a great deal of enthusiasm was manifested by members of the societies. Each is confident of winning and the coming series promises to be the most hotly contested in years.

#### Alumnus is Honored

At a recent banquet given in Omaha, Nov. 15, in honor of visiting Japanese commercial delegates, Frank L. Haller, L. A. '83, also of Omaha, had the honor of delivering the principal address. Mr. Haller was also honored by having his address printed in the Japanese language and presented in pamphlet form to the delegates.

## ILLINOIS GETS NEXT MEET: WILL BE HELD AT URBANA

### Western and Missouri Valley Conferences Form One-Year Alliance

At the annual meeting of the Western Intercollegiate Conference Athletic association, held in Chicago last Friday, the University of Illinois was awarded the next championship field and track meet. This meet will be held in Urbana on June 5. Heretofore the big athletic event of the western universities has been held in Chicago but a spirited agitation for a division of the spoils was recently started with the result that Illinois will have the meet next spring.

Another action of the conference delegates was the adoption of a one-year alliance with the Missouri Valley conference whereby the two organizations may schedule games and determine the eligibility of their players by an affidavit that they are eligible in their own conference. Graduate students may play in the Missouri Valley but not in the western conference games.

Coach A. A. Stagg of Chicago was appointed a committee to ask for changes in the football rules to eliminate danger when the joint rules committee meets in New York next month. Dr. C. P. Hutchins of Wisconsin was appointed a committee of one to report on the advisability of dropping the hammer throw.

Hereafter the professors in the "Big Eight" schools can not obtain tickets to conference games for 50 cents as has been the ruling. This privilege is now limited to students alone.

R. E. Wilson of Northwestern was chosen chairman and G. H. Goodenough of Illinois secretary of the organization for the ensuing year. Iowa was represented at the meeting by Prof. A. G. Smith.

#### Iowa Runners Lose

Chicago, Ill., Nov. 20.—(Special to the Daily Iowan)—Iowa's cross country team failed to place in the annual Western Intercollegiate Cross Country run here today. The teams finished in the following order: Minnesota, Nebraska, Purdue, Ames, Wisconsin, Chicago, Iowa. The course of five miles was made in the fast time of 27:08. Minnesota's team ran a great race, being composed of some of the best distance runners in the west. The team was made up of these men: Tyleman, Connolley, Rathburn, Fieldman and Hull.

Connolley, Rathburn and Hull will be remembered here as the winners of the two mile, the mile, and the half mile respectively in the Minnesota-Iowa dual meet last spring. Connolley and Hull also won second places in their respective events at the conference meet at Marshall field later in the year.

#### Kirk's Team Loses

"Chick" Kirk's Simpson team was defeated by the Baker college team at Baldwin, Kansas, on Thursday by the score of 10 to 5 in a hard fought game.

## MANY SURPRISES IN FOOTBALL RESULTS

### MICHIGAN OVERWHELMS MINNESOTA 15 TO 0

#### Wisconsin and Chicago Draw—Brown Swamps Carlisle Indians—East High Defeats West

Preliminary dope in the football world received a severe jar yesterday afternoon when the results of the several gridiron encounters were announced. Many of the elevens who were doped to win went down in defeat while other teams which were expected to return victors did so but by much larger scores than even the most optimistic fortune tellers dreamed of predicting.

In the east Yale was victor over her ancient rival, Harvard, by the count of 8 to 0, avenging the defeat of last year when the latter won 4 to 0. Brown ran over the Carlisle Indians, the final score being 21 to 8, while Lafayette downed Lehigh 21 to 6.

But it was in the middle west that the big surprises took place. Chicago, who was doped to win from Wisconsin, satisfied itself with a draw, each team making six. Illinois ran away from Syracuse and Michigan did the same with the heretofore unbeaten Minnesota eleven. Some were even so optimistic as to predict that Minnesota would win by three touchdowns, but the terrific attack of the Wolverines was too much for their opponents and the champions of the western conference went down in defeat to the tune of 15 to 6.

Football was at rest in Iowa except for the Cornell-Grinnell battle at Mount Vernon. Cornell at last succeeded in breaking the Grinnell hoodoo and won 6 to 0 with a badly battered team in the field. East High and West High played their annual game at Des Moines from which the former emerged victor by the one-sided count of 20 to 3.

Following are the results of yesterday's games:

East High	20	West High	3
Michigan	15	Minnesota	6
Chicago	6	Wisconsin	6
Illinois	17	Syracuse	8
Lafayette	21	Lehigh	6
Carlisle	8	Brown	21
Cornell	6	Grinnell	0
Indiana	36	Purdue	3
Yale	8	Harvard	0

#### Calvin Speaks at Baconian

Last Friday evening Prof. Samuel addressed the Baconian club on "Life of the First Interglacial Period." He designated the period as the Aftonian interval, and described the deposits which were imbedded in sand and gravel lying between two beds of glacial drift. These consisted of the skeletons of rare animals, which are now extinct. Among these were two species of the hare, camel, two large sloth, three kinds of elephant and two mastodons. The lecture was illustrated throughout by lantern slides and was quite well attended.

## FRESHMAN MASS MEETING WILL COME MONDAY NIGHT

### Association Last Year Has a Great Record in Iowa Athletics

Monday evening after the hygiene lecture there will be held the first freshman mass meeting of the year. Speeches will be made by Coach John Griffith and Tommy O'Brien on basket ball and how to train.

The medals for the fall meet will be awarded at this time so all winners of these events are expected to be present.

The following officers will also be appointed at this meeting:

General manager, manager of track, manager of football, manager of base ball, manager of basket ball, manager of advertising.

Freshmen of all colleges are expected to be present as plans for the winter athletics will be formulated.

Already there are a large number of Freshmen working out daily in the gym in basket ball while many track men are laboring on the apparatus.

The Freshman Athletic Association last year, while a strong factor in the university athletics, was also a strong feature in turning many high school stars towards Iowa because of the "pepp" shown by the first year men.

What the association did in an athletic line last year is well remembered by all old students. The freshman basket ball team last year was one of the best ever put out by the university, and contained some of the cleverest players that appeared on the local floor last season. The freshman base ball team, the first ever put out by the school, was strong enough to hold its own with the varsity, while the freshman track team was one of the best in the west. The tie meet held with the Chicago freshmen is still remembered here.

The chief feature of the association's operations last year, however, was the efforts made to secure high school stars, particularly at the time of the invitation meet, when the freshmen took the lead in entertaining visiting athletes. It is in order to organize for a continuance of these activities that the meeting Monday night is called.

#### Iowa City Seconds Win

Iowa City High's second team won yesterday from the West Liberty high school by the close score of 5 to 0. Iowa City outplayed the country lads throughout and it was only through the latter's good defense when near the goal that the score was not larger.

#### Clinton High Wins

Clinton High won yesterday from the local team by the score of 12 to 5. Clinton won by superior playing, the men showing the advantage of perfect coaching. "Beanie" Murphy, brother of the present varsity Murphy, and an "I" man himself, is the man behind the Clinton team and it is largely due to him that the Iowa City lads were defeated.

## JAYHAWKERS TRIUMPH: CRUSH HAWKEYE LINE

### MASS PLAYS WIN FOR KANSAS BY SCORE OF 20 TO 7

#### Hyland Plays Great Ball—Long Run by Ehret Makes Touchdown Possible—Pleasant Good

Lawrence, Kans., Nov. 20.—(By a Staff Correspondent)—Unable to resist the terrible onslaughts of the Kansas backs on the Hawkeye line and the consistent team work of the entire Kansas machine, Iowa went down to defeat this afternoon by a score of 20 to 7. The inability of Iowa's linemen to stop plays and the lack of a helping spirit were the real causes of Iowa's defeat. At times the Hawkeyes played brilliantly, coming back in the second half gamely but the best Iowa could do was to hold the score down to three touchdowns and one field goal.

Iowa's score was secured by Pleasant fumbling a punt behind the goal line, making a safety, and a touchdown by Hazard after Ehret had advanced the ball to Kansas' 5 yard line by a spectacular twenty-five yard run. Alexander played a wonderful game and seldom did the speedy backs gain through his tackle. Stewart ended his football career in glorious fashion, running the team in a heady manner and saving several touchdowns by spectacular tackles in the back field. Injured by an open field tackle he was replaced by Fee at the beginning of the second half. Fee also ran the team in a fast and snappy manner.

Hyland was the most conspicuous player for Iowa on offense, breaking through the Kansas team by the open center play and executing forward passes for long gains. Capt. Gross' injury to his shoulder caused him to retire and his weakened condition was a big loss to the Iowa line. Murphy, Collins, Hanlon and Dyer played creditable ball and offered a stubborn resistance to the whirlwind interference and helping spirit of the Jayhawkers. Fee, Kresensky and Hazard who went in the second half played consistent ball and deserve much credit for the fighting spirit shown then.

Pleasant, the speedy captain and Heil, sub-quarter for the much touted Johnson, were the stars for Kansas, making long gains by line plunging and clever return of punts. Iowa played the open game in great style while Kansas resorted entirely to old style football. Iowa tried the forward pass successfully four times for 75 yards and failed once.

A crowd of 5000 people greeted the Kansas team when they came on the field at 2:35, followed by Iowa at 2:40. Pleasant won the toss and chose the west goal, with a brisk wind blowing across the field. Hanson kicked off to Dahlene, who returned twenty-five yards. Kansas at once began a series of mass plays on tackle which took the ball to

**FOOTBALL SEASON CLOSED.**

With yesterday's game at Lawrence the football season of 1909 closed for Iowa. Needless to remark, it has not been one the greatest successes for us. That is if success alone to the team with the large end of the score. There is a tendency, and one of doubtful justification, to regard football success in that light.

Using that criterion, Iowa scores 58 points to her opponents' 56 outside of the game with Minnesota. With this same exception all the defeats were by narrow margins. Iowa's opponents in every case were of no mean calibre and to be defeated by such teams is no disgrace.

In considering our showing this fall it should not be overlooked that the Hawkeye eleven was far from being a seasoned team. Murphy, Ehret, Dyer, Alexander, Kresensky and O'Brien were all playing their first year of varsity football. Iowa's opponents, without exception, were veteran teams. Somehow there is a tendency to forget that it takes a seasoned eleven to play consistent, reliable ball. Accordingly many are prone to score our men rather unjustly for playing erratic ball.

The season had its bright spots. One game of the seven above all the rest we wanted to win and we did win it. And it was a victory glorious enough to offset all our defeats. In recalling the season of 1909 let us remember that victory and disregard the defeats.

Credit is due the student body for their support of the team. Though naturally discouraged by defeat, loyalty to the university and team always reasserted itself promptly. The grand support exhibited in sending the band to Minneapolis will not be soon forgotten.

The hearty reception accorded the team on its return from Nebraska deserves nothing but praise. In view of these facts we believe that there is much cause for satisfaction to offset the disappointments of the season just closed.

**DANCE! DANCE! DANCE!**

**Wednesday Night, Nov. 24, 1909,  
Majestic Hall**

Punch Dunkel will give a dance for university students next Wednesday night before Thanksgiving. A seven-piece orchestra will furnish the music. The program will begin promptly at 8:30 and continue until 12:30, on account of Thursday being a holiday.

Majestic hall has undergone a great many changes since last spring and Punch can now boast of one of the best dance halls in Iowa. Punch's orchestra which will furnish the music that night is one of the best in this part of the country and its reputation is rapidly growing and spreading every year.

Remember the date, Wednesday, Nov. 24.

The following program will be rendered: 1, Beautiful eyes, two-step; 2, Golden Girl, waltz; 3, I Idolize Ida, two-step; 4, Betsy, waltz; 5, Cubanole Glide, two-step; 6, Good Night Dear, waltz; 7, The Round up Rag, two-step; 8, Prince of Tonight, waltz; 9, The Prima Donna, waltz; 10, The Candy Kid, waltz; 11, Poet's Dream, waltz; 12, Ill Trovatore, waltz; 13, Majestic Rag, two-step; 14, Sextette from Lucia, waltz; 15, Violets; 16, Home, Sweet Home.

Don't forget the date, Wednesday, Nov. 24.

**The Hawkeye Coach**

John G. Griffith, Football Coach of the "Varsity" Eleven  
 John G. Griffith, football coach of  
 the "Varsity" eleven, was born Jan.  
 4, 1880. He received his education  
 mainly in Iowa City, entering the lo-  
 cal high school in 1893. He was  
 captain of the high school team  
 which won the championship of a  
 large part of the state. Entering the  
 university in 1897, he played on the  
 varsity football team four years,  
 being captain of the famous 1900  
 team which won the western cham-  
 pionship by defeating Chicago 17 to  
 0.  
 On graduating from the university  
 in 1901, he held the position of in-  
 structor in science and coach of ath-  
 letics at Simpson college 1901-2. For  
 the next four years, 1902-6, he had  
 charge of athletics at the State Uni-  
 versity of Idaho and acted as in-  
 structor in science. While there he  
 developed the team which won the  
 Rocky Mountain foot ball champion-  
 ship.  
 Returning to Iowa in 1906, he  
 held a fellowship in zoology for two  
 years and was assistant football  
 coach, being elected last year to his  
 present position.

kicked a field goal, making the score  
 Kansas 20, Iowa 2. Kansas kicked  
 off to Iowa, and the Hawkeyes re-  
 covered a punt on their own 40 yard  
 line. Here a forward pass failed,  
 Carlson getting the ball. Pleasant  
 failed at a field goal, and Iowa, get-  
 ting the ball on her 35 yard line,  
 began a march down the field. A  
 forward pass, Hyland to Hanlon,  
 took the ball to Kansas' 40 yard  
 line. Here line bucks made ten  
 yards more, and Hazard went in for  
 Murphy. Hazard made first down  
 in three consecutive smashes, and  
 Ehret broke loose for 25 yards, plac-  
 ing the ball on Kansas' 5 yard line.  
 Here a mighty lunge by Hazard took  
 it over, leaving the final score Kan-  
 sas 20, Iowa 7.

**Basketball Next Saturday**  
 With the close of the football sea-  
 son comes the opening of the inter-  
 department basketball schedule. The  
 first games will be played next Sat-  
 urday. Every college is represented  
 this year, the pharmacists having a  
 team in the league for the first time.  
 This makes six teams to compete,  
 and will necessitate the playing of  
 three games every Saturday.  
 An interesting feature of this  
 year's contests will be the partici-  
 pation of varsity men. Of the four  
 "I" men now in school, Ryden is an  
 engineer, Hyland and Brown laws  
 and Captain Stewart is a liberal art.  
 At present, both laws and liberal arts  
 look very strong, as most of last  
 year's freshmen and varsity teams  
 now in school are found in one of  
 the colleges. The material in the  
 other schools is not so well known.

Rowland F. Philbrook, L. A. '13, enjoyed a visit Saturday from his mother, Mrs. B. F. Philbrook of Denison, who is on her way to Chicago for a brief visit with relatives.

Mrs. Anna Diller Starbuck has been obliged to cancel a series of dates on account of the serious illness of her mother. Mrs. Starbuck was to have played this week in Pittsburg, Washington, D. C., and several other eastern points. The majority of the engagements can be resumed after the holidays.

**Prof. Weld Honored**

Professor Laenas G. Weld has been appointed a member of an American committee of five, acting under the International Commission on the Teaching of Mathematics, to report upon the training of teachers of mathematics in American colleges and universities. The purpose of the

commission is to investigate and prepare an elaborate report upon the mathematical situation throughout the world. The members of the central committee of the commission are Professors Felix Klein of Goettingen, Sir George Greenhill of London, and Professor Henri Fehr of Geneva. The chairman of the American commission is Professor W. F. Osgood of Harvard university.

**Dents Defeat Pharmacists**

Stalwart athletes from the college of dentistry trampled upon the pharmacy eleven yesterday afternoon by the score of 27 to 0. The game was played before and during the intermission of the battle between the Iowa City seconds and West Liberty. The pharmacists were completely outplayed and never had a chance to score, while the dents scored by long gains off end and tackle.

**IOWA CITY**

**The Gridiron Season Is Closed For Iowa**

**OLD GOLD** will not be hoisted on another football field for many moons. The season of 1909 had in it suggestions of what is to come next year, but only suggestions. Every Hawkeye feels that in 1910 Iowa's name will shine in undimmed glory because this year we have discovered again that magnificent "help-the-man-with-the-ball" spirit.

**BETTER MADE SUITS FOR THE COLLEGE MEN**

College Brand suits were not NAMED indifferently any more than the clothes which bear this brand are MADE indifferently. College Brand suits are first of all the suits favored by College men who have a well developed taste in the matter of dress.

Stein-Bloch clothes have beaten many tailors out of their clientele and they did it because they gave men fit and style which before they only received at their merchant tailors.

At \$15.00 to \$25.00

**MORE OVERCOAT STYLE THAN EVER BEFORE**

Say, have you been in to see the overcoat styles? With Thanksgiving only a few days ahead we submit that as a fair question. You may be going home, or you may be going to the Drake-Ames game to celebrate and you will need a new overcoat then for sure.

We have in stock the Muto overcoat shown exclusively by us. We have the Dress overcoats made by Stein-Bloch at our special order and along the lines which we have found college men favor.

At \$10.00 to \$40.00

**STRIKING SWEATER COATS**

Our sweater line includes a big showing of sweater coats made of the best yarns turned out of any woolen mill. The value of good material is the first essential in these garments in order to give them ability to hold their shape. ALL PRICES.

**HEAVY UNDERWEAR HERE**

The underwear question is a universal one just now. We have some finely made union suits of the Munsing brand in odd as well as regular sizes. Don't forget this department of the store in making your provisions for the season. SUITS \$1 UP.

**HABERDASHERY IDEAS**

"Nifty" is the nearest we can describe the new winter cravats we are showing. The colors this season make a hit with us and lots of our customers express the same sentiments. Remember the need for Thanksgiving time. It's likely one YOU WANT.
