VARSITY BASKETBALL PLAYING SCHEDULE

Liberal Arts Annual Contest Tomorrow

Championship Game Begins Tomorrow at 8 o’clock—Hard Battle Expected.

Due to the preparations for the soprano soloists which could be held in the university Friday evening, the regular varsity basketball game will have to take its regular workday frequents. Nor were the men allowed to practice yesterday afternoon because it was desired to keep the floor in as good a condition as possible for the "Hawkeye" Board’s double evening.

However, regular work will be required on the floor and the squad will probably practice at least three times before going before the holiday vacation. No strict training is planned, as there are no tests until the next January 4th, at the earliest, but as soon as the men return after Christmas they will be required to work hard training until February 17th.
