**A MESSAGE FROM WILLNERS—**

It won’t require an extra large announcement to tell you of all the advantages derived by purchases of young hats at Willner’s, but here it is in terse form. We are Iowa City representatives for the world’s best hat (The Knox) which retails at $5.00, and the “Bassoon” made by Knox workers, which retails at $3.00. These are the two greatest hats we know of and we’ve been selling hats for thirty-two years.

**DROP IN YOUR POCKET BOOK the better.** We shall show you a stunning line of Willner Special hats at $1.90, and you’ll receive just two dollars and fifty cents worth of style, quality and finish.

**Did you ever hear of the “Chesney” Silk Neckwear?** We can show you a snappy array of shades, 24 in all, two different weaves of tubular four-in-hands. They’re shaped reticulating and accompanied by an interesting pattern marked with the same precautionary and containing the name and address of the maker.

**If it’s a Willner, it’s a good Willner.** Drop in our store the next time you are at Washington Street.
