IN CHARGE OF INTERPRETATION

LEVI STEWART

For the first time two of the basketball girls were unable to share the speakers' comments at the assembly. This year, as usual, the speakers on the programs selected were unable to play the entire time. The speakers were not to be faulted, however, for they were light-hearted and entertaining. The group of speakers, consisting of two girls and a boy, were very much enjoyed by the audience.

Tomorrow night the publicity committee will meet to discuss the program for the next assembly. The committee has been working hard to plan an interesting and entertaining program for the next meeting.
