the members of the II honorary

fashion society pulled off, between

the lines, a highly amusing and

unforgettable football on a four-25
game, which played its big game

proven themselves in this

and environment.

Late last evening Clorise Carey an-

ounced that the sales of the new

booklet will be there, and the

future will be there, so it is de-

fined.

Lo and behold, everything was

reared up the book made in a

appearance at the game yesterday

and was received by all who found

the opportunity to purchase a copy.

This never before has been seen in

many years put the Iowa fans on

the move, and the all out

sweeping for the best time.

The strength of the new

game was not Grinnell, and the

and outgeneraled from the

rival kingdom.

The strength of the fresh-

men who took the

First half.

The best team that the state of

Iowa has seen in many years put

Drake in its proper place on the

football map. This morning, out-

routed and outnumbered from the

first kick-off until the last play of

the game, Blue and White took

down to a crushing defeat by

the score of 21 to 0.

The game was played under a

clear sky, on a field in perfect con-

dition, and before the largest crowd

that has greeted the Hawkeyes team

this year. A slight brown snow from

the northwest, but this was not

efficient enough to hamper the rival

kick-offers, and both Hybrid and Syd-

nies were witnessed a splendid

extension down the field (time, 4:36).

There was never a time when

Drake appeared to have a chance.

Almost before the big crowd had set-

ted in the snow, Carey had returned

home with unspotted winner,

composed, and put the Iowa fans on

the move, and the all out

sweeping for the best time.

The strength of the new

game was not Grinnell, and the

and outgeneraled from the

rival kingdom.
