Athletic Board Meeting.
The athletic board met in Manager Miller’s office in the old Capitol yesterday for the purpose of considering
the selection of a football coach for next year. No definite proposition came before the board, however, and an adjournment was taken until next Monday at 2:00. The question of the selection of a football coach will also come up for discussion at the next meeting, and may be settled by next week.

JAG DISPLEASES WILLIAM;
NO TAG DAY MATERIALIZES

Seventeen Tickets Sold Without Aid of Tags or Other Devices.

What happened in the T. K. C. of the day? is the subject of the corner of the Liberal Art building, where such affairs always attract interest. This month seems a certain—no tags were distributed as per program, and none a joke book kept up a plumage apparently. But this was far from the case.

When the tags arrived, their large mass of silly and refuse of color were started the secretary and he warned with the sense of fitness that he promptly consigned them to the waste paper basket instead of the girls who went to work and ended them safely to their friends’ coats, and decided that the university would have to go to tags for another while. The little order, however, went its way all day and long strides were taken toward "beating the auction again," which is what the committee in charge is trying to do. Yesterday saw the close of the noon ticket sale, and those who failed in purchase in this time will now be compelled to pay the 50c price for each performance.
