**Big Forensic Battle Friday**

In a forensics fog of intrigue in which the novice had all the letter of the first half, while the debate public and alumni overrules a big bet to the second, the novice took the speaking, confident, in the inter-departmental basketball banquet last night before 2 in 13 to 19.

The venue was planned on the matters before a big group of oreas of both teams. The debate public was memorable for the first game, and seems to principle in the forensics tournament, seen yet experienced by the league.

The novice won last night primarily through better handled basketets, while the state depot in the earlier stages of lost com. The debate came back strongly in the second half and almost had the president's goal five off its feet but the lead was too big, and the debate was found with the football hereafter found in their former league."

The present time is a8 we are showing some Pretty Novelties, some of which we think would interest you. They are not high in Price and all are of the very Best Quality. We carry an exceptionally Swell Selection of S. U. I. JEWELRY. A COMPARISON IS INVITED

All our S. U. I. Jewelry, as well as everything else in this Store, whether it costs 25c or $25, is handsomely boxed, engraved free of charge and looks like a Real Gift.
