CHRISTMAS PURCHASES

MAY BE RESERVED NOW

An Ideal Students' Jewelry Store

We want you to visit us during the Holiday Season. Possibly you will want to make a few Christmas purchases, possibly you will only want to look around—in either case you are very welcome.

MORRISON'S claim to carry more Fine Goods than any other Store in Iowa City. Our Displays of Fine Diamond Goods and Sterling Silver are not equalled by any other Store heretofore; while in our Art Rooms you will see more Fine Cut Glass that is shown by all the other stores in the city combined.

At the present time we are showing lots of Precious Metals, some of which we think absolutely beyond your interest. You are not high in Price and all bear the stamp of QUALITY.

We carry an exceptionally Swell Selection of S. U. I. JEWELRY. Our University Pins, Fobs, Hat Pins, Belt Buckles, etc., are really the only kind you would care to give away, as they are made to wear and are not. of the grade that is sold by Department Stores, while in it is actual fact that our prices are no higher.

A COMPARISON IS INVITED

All our S. U. I. Jewelry, as well as everything else in this Store, whether it costs 25c or $25, is nicely boxed, engraved free of charge and looks like a Real Gift.

We also want to show you SOUVENIR SPOONS, which are always so very acceptable.

Our knives embrace over 500 different styles of Knives, with any College Building you want it in. The prices range of our spoons is $1.25, $1.50, $2.00, and we positively guarantee to save you from 25c to 75c on each Spoon. Seeing is believing—Come in and see!

50 CENTS or $1.00 a week secures a lot in this residence addition.

Make the property your headquarters during your spare time.

Try your hand at improving it by setting out shrubbery, fruit trees, etc. Make a little garden for pastime and exercise, and the property will be worth more than double what it cost you long before you have it paid for.

Students will do well to purchase a lot in East Iowa City.

I can recommend this investment.
