Don't Blame The Cook

It is unpleasant to have to eat a dinner that tastes like it had been prepared in the middle of the Great Sahara but it may not be the cook's fault if she did the best she could. But when you want meals with rich, spicy taste, fresh and sweet, give the cook a fair show and she will be there's a good chance that she will be able to assimilate an

A student's bank, recently estab-
lished in Clinton, has proved very
great success. Since the beginning of
the academic year 294 students have
made deposits, the total amount now
in the bank being $11,440.

Student sentiment has been stirred
up at Wisconsin over the alleged sec-
rity legislation of the student union-
ces. At a recent session a reporter
for the Daily Cardinal, was ejected
from the meeting. Many of the stu-
dents maintain that the actions of
the conference should be made public
without reservation.

The students of the University of
Pennsylvania recently gave an au-
thentic send-off in retiring Profct
C. C. Harrison, who had been the
head of the institution since 1884.

The adoption of the greatest foot-
ball coaching system at Syracuse next
season now seems to be assured at a re-
cent gathering of Orangemen who
had been prominent in football in college and college life.

The athletic council at Wisconsin
expects to establish free telephone
calls and skating rinks for members of
the fraternity. The effort is being
made to induce more and more out-
door exercises on the part of those who
are confirmed couch-potatoes by studies.

A Brooklyn University student
has been notified. The purpose is to
promote skiing,boating,swimming
and tennis and basketball and skating.

After the regular rugby season is
completed on Thanksgiving at Stan-
ford, the squad will make many other
intercollegiate and intramural excursions
as a team, continuing its practice through the winter.

In the coming spring, the new seniors
are anticipated by calls for confidences.

In the competition for the editorials
positions, the University of Wash-
ington Daily issues a call for applica-
tions. A few among the number exceed
perhaps those who can pass a special
examination patterned out by the Civil
Service commissions, although
impressed by journalism. In ad-
dition to being asked in this light to
write a story, candidates are asked
to answer questions about their univer-
sity which they must answer, soon
but the successful applicants are ap-
proved in one or two positions.

Results Not In.

The results recorded by the Min-
nesota teams in their recent match
with the Hawkeyes have not been as yet resolved by locals.

It is hardly probable however
that they have expired the high
record set by the reboot whippets.

The actions of the Minnesota fans and the rest of the rambler and university
in the league will probably be re-
tailed to at least two or next week.

THE YEAR IN BASE BALL
