IOWA CITY, IOWA, SUNDAY MORNING, JANUARY 20, 1911.

NUMBER 36

IOWA DOWNS PURPLE, FINAL SCORE IS 17-10

HAWKESVILLE VICTORIOUS IN CONFERENCE GAME.

Playing Iowa on Even Terms.

The Hawkeyes won their first conference game last night when they beat Northwestern by the score of 17 to 10.

With the exception of the middle of the first half the Purple proved easy opponents for Iowa. The final score was not as large as it might have been had both teams given more careful attention to their line work. Northwestern played well for the first fifteen minutes or so, but after that time they were unable to make any further inroads into the Purple line. The Hawkeyes played well throughout and made the best of their chances. The game was played with much spirit and the Hawkeyes proved too strong for their opponents.

For the Hawkeyes, the winning team of the day was headed by the center, Mr. J. C. Barron, who scored two touchdowns. Mr. Barron was in fine form and his playing was a real treat to the spectators.

The Northwestern team, on the other hand, was not up to their customary form. They were outplayed by the Hawkeyes and were unable to make any serious inroads into the Purple line. The game was played with much spirit, but the Hawkeyes were the better team of the two.

In conclusion, it was a fine game of football and one that should be remembered as one of the best of the season. The Hawkeyes showed their usual form and proved too strong for their opponents. The game was well played and the Hawkeyes were deserving winners.

The next big game will be played on Wednesday, January 23, when the University of Chicago meets the University of Illinois. This will be a fine game and one that should be awaited with much interest.
